Katy James

D'Vaughn and Kris Plan a Wedding Chencia C. Higgins, 2022-01-25 A New York Times best romance pick A Today Show best romance pick from New York Times bestselling author Jasmine Guillory D'Vaughn and Kris have six weeks to plan their dream wedding. Their whole relationship is fake. Instant I Do could be Kris Zavala's big break. She's right on the cusp of really making it as an influencer, so a stint on reality TV is the perfect chance to elevate her brand. And \$100,000 wouldn't hurt, either. D'Vaughn Miller is just trying to break out of her shell. She's sort of neglected to come out to her mom for years, so a big splashy fake wedding is just the excuse she needs. All they have to do is convince their friends and family they're getting married in six weeks. If anyone guesses they're not for real, they're out. Selling their chemistry on camera is surprisingly easy, and it's still there when no one else is watching, which is an unexpected bonus. Winning this competition is going to be a piece of wedding cake. But each week of the competition brings new challenges, and soon the prize money's not the only thing at stake. A reality show isn't the best place to create a solid foundation, and their fake wedding might just derail their relationship before it even starts.

Relationships are not high on the priority list—until she's forced to admit that maybe friendship isn't the only thing she wants from her bestie. But hooking up with your ride-or-die is risky. Jucee isn't just Cyn's best friend—Jucee is her muse. When Cyn lays down her tracks, it's Jucee she imagines in the club throwing it back to every note.
