

H E Bates Author

H. E. Bates

H.E. Bates Dean R. Baldwin, 1987 Reevaluates the accomplishments of the British writer within the context of major literary movements and cross-currents. It considers all areas of his work including his stories of country life; war stories and novels; his best work, *Love for Lydia*; and his highly acclaimed nonfiction on environmental issues.

Best of H. E. Bates H. E. Bates, 2017-08-07 It was only a little over a year ago that I came across H. E. Bates' work; up until then. I had never even heard his name, strange as this may sound. I blush now when I read that he is the author of forty or more books, has been translated into a dozen or more languages, and that 'his reputation in America, Australia and New Zealand equals, and in some cases surpasses, that in his own country. Perhaps I would never have heard of him had I not been laid up with chills and fever in the Hotel Formentor, Mallorca, where I was quartered during the Formentor Conference. Having nothing to read I asked a friend to go to the bookstore in the lobby and select something light, gay, amusing for me. My friend returned with a copy of *A Breath of French Air*. He said nothing about knowing the author until some days later when I told him how much I had enjoyed the book. A little later, at some airport, I picked up *The Darling Buds of May* and *Fair Stood the Wind for France*. The last named impressed me deeply and made me wonder why I had never heard of the author. It struck me as being the only good novel I had read about World War II...

The Best of H.E. Bates Herbert Ernest Bates,

Selected Short Stories of H.E. Bates. Chosen and Introduced by the Author Herbert Ernest Bates, 1951

The Song of the Wren H.E. Bates, 2016-11-10 Published in 1972, *The Song of the Wren* contains some light entertainments in the style of the *Uncle Silas* tales, alongside some more serious stories concerning thwarted love, love triangles, and, in two of the cases, the violence that comes out of psyches twisted by love. 'The Song of the Wren' features the intriguing Miss Shuttleworth as she spars with a young sociologist conducting a survey on various issues, leaving him dumfounded by her apparently mad behaviour and no more appreciative of nature than when he started. She appears again in 'Oh! Sweeter Than the Berry' where she proves herself more than a match for a visiting minister. Convincing him to try one homemade potion after another, she engages the tipsy Reverend in a theological debate until, stunned, he wobbles away and falls to his knees to pray for her. Taking a darker, more abstract turn 'The Man Who Loved Squirrels' is a tale of a woodsman who works alone and lives with his mother, finding company only in the forest's squirrels. A chance meeting with

a traveling London woman disrupts his life and ends in tragedy. 'The Tiger Moth' depicts an affair between an airman and a schoolteacher, whose husband is missing in action. The tale harkens back to Bates's war-time Flying Officer X stories in style, flight accounts, and pilot jargon. The bonus story 'Music for Christmas', first published in 1951, is a comic portrayal of provincial rivalries, involving a musical snob with London tastes, a north Midlands woman favouring local talent, and, relaying gossip and innuendo between the two, a grocery deliveryman.

Cut and Come Again H.E. Bates, 2016-05-10 H.E. Bates's fifth collection is a sparkling body of work full of stories of childhood. Geoffrey West observed the collection overall as bright with life, with individuals alive and interacting, and with the sweeping beauties of broad country backgrounds. Often cited as one of Bates's best stories, 'The Mill' relates the misfortune of a young girl in service. Bates was inspired by the daughter of a travelling greengrocer who called on his family: It seemed to me a face moulded out of yellow clay: a face born to tragedy. I believe it is true that Hardy saw his Tess only once and ... from that fleeting experience, haunted also by a face, created his celebrated novel." We get a glimpse into Bates's negative experiences of education in both 'Little Fish', where a boy observes his father, normally a man terrifying everyone in spasms of half-theatrical anger become, in the presence of a school administrator, furtive and apprehensive; and in 'Jonah and Bruno', a classroom tale involving an arrogant and dictatorial teacher, a rebellious smart-mouthed student, and the eventual humiliation of the teacher by an intervening soldier. Comic relief comes in the form of witty characterisation and dialogue in 'The Irishman', and in 'The Revelation', a charming tale where the young narrator observes the housekeeper giving an elderly Uncle Silas his weekly bath; between roasting taters and drinking wine, Silas relates his childhood follies, including the time he chased a young woman across the meadow with my clothes under her arms, which leads to a tender twist in the tale.

In the Heart of the Country H. E. Bates, 2014 A beautifully written and wonderfully evocative volume offering descriptive imagery of rural England; the countryside and its people.

Something Short and Sweet H.E. Bates, 2016-01-12 *Something Short and Sweet*, H. E. Bates's sixth collection first published in 1937, demonstrates his mastery of character and form. Richard Church, writing in *John O'London's Weekly*, stated that this collection confirmed his belief that Bates is an immortal...Here is a creative artist whose technique in the art of the short story is comparable with that of the great masters in this form. The title story explores the intricacies of the relationship between a forty-year-old evangelist and his twenty-year-old assistant. 'Cloudburst' and 'Spring Snow' are vignettes of human struggle in a rural context, similar to much of Bates's earlier work. 'Finger Wet, Finger Dry' and 'The Sow and Silas' continue Bates's success with the antics of Uncle Silas. The *Morning Post* commented that each story stands out individual and distinct...In each the theme has been worked over, walked round, sifted, considered, a stance as viewpoint selected, the ultimate significance determined.

A Study Guide for H. E. Bates's "Daffodil Sky" Gale, Cengage Learning,2016-07-14 A Study Guide for H. E. Bates's Daffodil Sky, excerpted from Gale's acclaimed Short Stories for Students. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Short Stories for Students for all of your research needs.

My Uncle Silas Herbert Ernest Bates,1984

The Happy Countryman Herbert Ernest Bates,1985 An enchanting tribute to English country life.

The Jacaranda Tree Herbert Ernest Bates,1949 A story of physical hardships and the spiritual experience of a group of Britishers escaping from Japanese-invaded Burma.

Herringshaw's American Blue-book of Biography ,1914

Herringshaw's National Library of American Biography Thomas William Herringshaw,1909

The Nature of Love H. E. Bates,2006-12 Three romantic novellas by a master of English literature.

Now & Then ,1928

The Novel Michael Schmidt,2014-05-12 The 700-year history of the novel in English defies straightforward telling. Encompassing a range of genres, it is geographically and culturally boundless and influenced by great novelists working in other languages. Michael Schmidt, choosing as his travel companions not critics or theorists but other novelists, does full justice to its complexity.

Herringshaw's Encyclopedia of American Biography of the Nineteenth Century Thomas William Herringshaw,1898

A Critical Dictionary of English Literature and British and American Authors, Living and Deceased, from the Earliest Account to the Latter Half of the Nineteenth Century Samuel Austin Allibone,1882
