MomFails 24/7: Real Stories By Real Moms Erica Leigh, 2025-05-20 MomFails 24/7 because we know that being a mom DOES.NOT.STOP.EVER. Whether it's two in the morning, or three in the afternoon, mistakes happen. But, instead of beating ourselves up about it, let's finally give ourselves a break. Let's laugh at our parent blunders. And maybe even share them. ----- MomFails 24/7 is a collection of silly stories written by moms just like you and me. It's for any mom, old and new, that's ever felt like a failure (which is, all of us!). From leaving your kid at the grocery store, to leaving the grocery store because your kid had a meltdown, it's all in there. It will talk you off the ledge of failure and help you realize, Hey, we all make mistakes. I'm not alone. ----- Every story in the book is relatable and funny. It's something you can read in your car, while waiting for your daughter at soccer practice, or read on the toilet while hiding from your kids. Either way, it will make you laugh so hard you pee your pants (thanks weakened pelvic floor muscles!). It's the perfect gift for holidays, birthdays, weddings and baby showers. Anyone who plans on having kids, or already has kids needs to read this book. And pick it up again for a laugh, after they've inevitably done something really REALLY stupid.

Believable Lies: New Stories Added Neil Crabtree,2024-10-03 The stories in Neil Crabtree's debut story collection Believable Lies are bold, risky, and wildly entertaining. Trust me--You're going to be carried away to a more vivid and compelling world than the one you're living in. You'll be laughing so hard you won't realize you're crying. No one should be this good the first time out. Neil's genius is his ability to uncover the sadness that underlies the comic and the grandeur just below the surface of our sorry lives.---John Dufresne, author of Louisiana Power & Light, and My Darling Boy, coming from WW Norton January 2025.

Glenn Stories Joan Wexo,Dick Wexo,2010-12 Joan and Dick Wexo are first time book writers. They finally wrote Glenn Stories, the book, after years of telling the stories to family, friends, acquaintances, and even strangers. They had first worked on a list of any and all stories they could remember from Glenn's childhood. When they found themselves reliving particular stories over and over they decided to put them in book form. Dick is retired from a career in television. He worked in New York City, N.Y., Miami, Florida (twice) and New Orleans, Louisiana. Joan is justly proud of her long highly successful and rewarding stint as Glenn's mother. Joan, Dick and now adult son Glenn currently live in South Florida and are the owners of South Florida Rehearsal Studios and South Florida Real Sound. The Wexo's enjoyed the writing of Glenn Stories so much that they have begun work on a children's book, The House Mouse. Glenn Stories are just as advertised. They take the reader along a 14 plus years journey of individual stories about Glenn Richard Wexo, from a 3 month old adopted son to a teenager. The stories show the growth of a smart, active, dynamic, creative, and inquisitive person from baby to teen. The stories

encompass his activities involving parents and grandparents, extended family, friends, colleagues, teachers, acquaintances, and even passing strangers. They could be the stories of many a young person. They are stories that show a complete growing person, warts and all. Over the fourteen year period covered, the reader will first meet Glenn in Brooklyn, New York where he and his parents lived until he was three. It highlights his early upbringing of baby to young child surrounded by family, and long term friends in an environment comfortable for all. Then it's on to South Florida where the entire family must make all kinds of adjustments to its new life. Finally, on to New Orleans and yet another life style adjustment just as Glenn heads into his teenage years. It was a wonderful ride.

Hood Stories Black Male, 2010-03-18 HOOD STORIES Is a book about a teenager named Koran Davis who leaves South Central Los Angeles to escape drug dealing and violence. When he comes to Hot Springs, Arkansas, he encounters the same drug dealing and violence. He meets three people in High School. One is 3D, A natural born hustler who supply the crew with everything they need. Second is Crazy Joe, An unpredictable psychopath who will do anything at anytime. Then there's Stacy, The girl Koran falls in love with. When his family in Arkansas sees the attention he shows her, they get jealous and suddenly betrays him. When this happens, he has no choice but to turn his back on them. He depends on his family he left from California with, his Mom, Dad, and his Sister. A war is started between East and West Grand when Crazy Joe shoots and kills the brother of a gang leader. It's up to Koran to try to guide him and his friends out of the cycles of violence they're in. When his friends don't listen, It's up to him to listen to his conscious to survive. Fortress Stories: resolved to speak out Robin Buckallew, 2019-09-03 The women of Resolved return to tell us their stories. The familiar names - Lorelei. Amity. Grenata. Corinne. We hear from all of them, the details of their lives. But the other women in the fortress are also given a voice for the first time in their lives. They will not be silenced any longer. A companion book to Resolved, this book continues to explore the lives of the women who dared to risk everything for freedom - freedom from dull routines, freedom from abuse, freedom from being property of men. For the first time, someone listens. Someone cares. And they are ready to talk. Stories range from the heartbreaking to the heartwarming, but one thing ties all these women together - dreams that have been stifled and can finally be spoken.

The Hershey Stories ,

Quarantine. A book of stories and poems Райса Каримбаева, 2020-09-24 ABOUT THE BOOK During the quarantine period, I decided to collect all my satirical stories and poems in one collection at all, in order to cheer up a little and think, dream about something pleasant. In the everyday hustle and bustle, we completely forgot about the main values of life, about spirituality, about love, about people close and dear to us.

Departure Stories Elisa Bernick, 2022-10-04 We weren't religious per se. The most frequent mention of God in our house was my mother yelling 'Goddammit!' Elisa Bernick grew up different (i.e., Jewish) in the white, Christian suburb of New Hope, Minnesota during the 1960s and early 1970s. At the center of her world was her mother, Arlene, who was a foul-mouthed, red-headed, suburban Samson who ultimately shook the walls of their family until it collapsed. Poignant and provocative, Departure Stories peers through the broader lens of Minnesota's recent history to reveal an intergenerational journey through trauma that unraveled the Bernick family and many others. Deftly interweaving reporting, archival material, memoir, jokes, scrapbook fragments, personal commentary, and one very special Waikiki Meatballs recipe, Bernick explores how the invisible baggage of place and memory, Minnesota's uniquely antisemitic history, and the cultural shifts of feminism and changing marital expectations contributed to her family's eventual implosion. Departure Stories: Betty Crocker Made Matzoh Balls (and other lies) is a personal exploration of erasure, immigrants, and exiles that examines the ways departures—from places, families and memory—have far-reaching effects.

Short Stories for Romantics Andrew J. Salat, 2014-06-06 The famous songwriter Cole Porter once asked, What Is This Thing Called Love? His question caused author Andrew J. Salat to wonder: is the condition physical, spiritual, or, as some cynics might describe, a temporary madness of the heart? Salat believes Mr. Porters question is answered quite well in Short Stories for Romantics. The story High Heels is a haunting tale of love found and lost, told to him by an interesting airline

passenger. Adriennes Room takes the reader on an unforgettable roller-coaster ride. For a more spiritual journey, High Level Meeting seeks to bring on second thoughts about the way we live our lives. These sixteen stories take the reader on an imaginary sojourn we all must take in order to experience true love in our lives. Mr. Salat is a gifted storyteller with imagination and eloquent style. His stories had me turning pages to the very last. Beverly DeGeorge, literary consultant

I Was in Love with a Short Man Once Kimberly J. Dalferes, 2011-11 Have you ever wondered if the life of the woman standing next to you in the check-out line is as weird as yours? Could it be possible that you are trapped in a bizarre reality show, where the object of the game is to get the crazy lady to flip-out; just one more time? If so, then this book confirms that you are in good company. I Was In Love With a Short Man Once is a story collection written from the perspective of a crazy, southern, Irish, gal. Follow her as she reflects on: growing up as a child of limited means in South Florida; managing a self-financed college education; balancing work as a federal official with the joys of single motherhood; and navigating the amusing challenges of being a second-time-around wife. Coming Up Stories reflect the distinctive surroundings of South Florida through stories such as Flagpole. Jimmy Stories illustrate the bond between mother and son. Stories here include Koolaid Mom and Zamboni and reveal the life lessons that our children teach us. The Rest of the Stories round out the author's quirky observations, including Naked in a Hot Tub in Vegas and Crazy Virgo Tendencies.
