Those Romantic Affairs Ding GongZi, 2020-07-18 Having made friends with a horse, not only was I murdered in a series of murders, I also had a reputation as a beast that was worse than an animal. Retribution comes quickly, I never thought that my fiancée would actually have an affair with my best friend, this is simply preposterous! However, as I continued my search, I realized that this was the truth ...

Gimme Sheven Barry F. Schnell, 2001-10-25 How does one filter \$150 million in Vodka and Bourbon through 700 different livers in the quickest way possible? By launching an Internet company, of course! *Gimme Sheven* documents the quick ascent and rapid decline of an Internet advertising company and the hapless characters therein. The company, USSBS.com, was a high-tech house of cards run by Charlatans and drunks who ultimately got their comeuppance--but not before blowing through \$150 million in investment capital in less than a year on sloppy, fabricated expense accounts, top shelf hooch, and cornball tchotchkis. Er...it's a love story unlike any other.

Double Cup Love Eddie Huang, 2017-03-07 From the author of *Fresh Off the Boat*, now a hit ABC sitcom, comes a hilarious and fiercely original story of culture, family, love, and red-cooked pork Eddie Huang was finally happy. Sort of. He'd written a bestselling book and was the star of a TV show that took him to far-flung places around the globe. His New York City restaurant was humming, his OKCupid hand was strong, and he'd even hung fresh Ralph Lauren curtains to create the illusion of a bedroom in the tiny apartment he shared with his younger brother Evan, who ran their restaurant business. Then he fell in love—and everything fell apart. The business was creating tension within the family; his life as a media star took him away from his first passion—food; and the woman he loved—an All-American white girl—made him wonder: How Chinese

am I? The only way to find out, he decided, was to reverse his parents' migration and head back to the motherland. On a quest to heal his family, reconnect with his culture, and figure out whether he should marry his American girl, Eddie flew to China with his two brothers and a mission: to set up shop to see if his food stood up to Chinese palates—and to immerse himself in the culture to see if his life made sense in China. Naturally, nothing went according to plan. Double Cup Love takes readers from Williamsburg dive bars to the skies over Mongolia, from Michelin-starred restaurants in Shanghai to street-side soup peddlers in Chengdu. The book rockets off as a sharply observed, globe-trotting comic adventure that turns into an existential suspense story with high stakes. Eddie takes readers to the crossroads where he has to choose between his past and his future, between who he once was and who he might become. Double Cup Love is about how we search for love and meaning—in family and culture, in romance and marriage—but also how that search, with all its aching and overpowering complexity, can deliver us to our truest selves. Praise for Eddie Huang's Double Cup Love "Double Cup Love invites the readers to journey through [Eddie Huang's] love story, new friendships, brotherhood, a whole lot of eating and more. Huang's honest recounting shouts and whispers on every page in all-caps dialogues and hilarious side-commentary. Huang pulls simple truths and humor out of his complex adventure to China. His forthright sharing of anecdotes is sincere and generates uncontrollable laughter. . . . His latest memoir affirms not only that the self-described "human panda" is an engaging storyteller but a great listener, especially in the language of food."—Chicago Tribune "An elaborate story of love and self-discovery . . . Huang's writing is wry and zippy; he regards the world with an understanding of its absurdities and injustices and with a willingness to be surprised."—Jon Caramanica, The New York Times "Huang is determined to tease out the subtle and not-so-subtle ways in which Asian-Americans give up parts of themselves in order to move forward. . . . Fortunately for us, he's not afraid to speak up about it."—The New Yorker "Huang connects in Chengdu the same way he assimilated in America—through food, hip-hop and a never-ending authenticity, which readers experience through his hilarious writing voice and style."—New York Daily News

Mister Jiu's in Chinatown Brandon Jew, Tienlon Ho, 2021-03-09 JAMES BEARD AWARD WINNER • The acclaimed chef behind the Michelin-starred Mister Jiu's restaurant shares the past, present, and future of Chinese cooking in America through 90 mouthwatering recipes. ONE OF THE TEN BEST COOKBOOKS OF THE YEAR: The New Yorker, San Francisco Chronicle • ONE OF THE BEST COOKBOOKS OF THE YEAR: Glamour • "Brandon Jew's affection for San Francisco's Chinatown and his own Chinese heritage is palpable in this cookbook, which is both a recipe collection and a portrait of a district rich in history."—Fuchsia Dunlop, James Beard Award-winning author of *The Food of Sichuan* Brandon Jew trained in the kitchens of California cuisine pioneers and Michelin-starred Italian institutions before finding his way back to Chinatown and the food of his childhood. Through deeply personal recipes and stories about the neighborhood that often inspires them, this groundbreaking cookbook is an intimate account of how Chinese food became American food and the making of a Chinese American chef. Jew takes inspiration from classic Chinatown recipes to create innovative spins like Sizzling Rice Soup, Squid Ink Wontons, Orange Chicken Wings, Liberty Roast Duck, Mushroom Mu Shu, and Banana Black Sesame Pie. From the fundamentals of Chinese cooking to master class recipes, he interweaves recipes and techniques with stories about their origins in Chinatown and in his own family history. And he connects his classical training and American roots to Chinese traditions in chapters celebrating dim sum, dumplings, and banquet-style parties. With more than a hundred photographs of finished dishes as well as moving and evocative atmospheric shots of Chinatown, this book is also an intimate portrait—a look down the alleyways, above the tourist shops, and into the kitchens—of the neighborhood that changed the flavor of America.

On Leaving Bai Di Cheng, 1993-05-05 The book is the product of a private Canadian expedition to China in 1992. Its members sought to gauge the potential cultural destruction of the daunting and controversial Three Gorges Dam project, which was actively supported by the Canadian government and by corporate sectors. What cultural losses will accompany the expected economic and political gains? What will China, Canada, and the world community lose? How might we, as Canadians, view the purpose and impact of the project, which is now well under way? Using a government-sponsored assessment of the cultural artifacts destined to be submerged by rising waters behind the dam project, our guides - a publisher (Caroline Walker), a heritage consultant (Robert Shipley), a travel writer (Ruth Lor Malloy), and a scholar (Fu Kailin) - lead us on a sometimes comical and frequently troubling tour of the Yangzi gorges region.

Written with unapologetic irreverence, the author also manages to convey the very real affection that park employees feel for their natural environs and the community which forms each season within the borders of this unique and magical place. A must-read for those who have worked in Yellowstone National Park (or anyone who has harbored the idea of taking a break

from the real world for a while).
