Comentario Bíblico Matthew Henry Matthew Henry,2017-06-01 Este comentario, más que ningún otro, ayuda grandemente, no sólo a conocer la Santa Biblia sino también a vivirla. Los pastores y maestros, especialmente, encontrarán en ella un copioso arsenal de material predicable. Tan asequible, incluso al más inexperto predicador, que basta a menudo con los epígrafes bosquejados del comentario de Matthew Henry, para tener un buen esquema de sermón o mensaje, que puede rellenarse con las ideas del mismo comentario y completarlas con las personales, expresándolas en el estilo propio de cada predicador, teniendo en cuenta el auditorio al que se dirige. Disponiendo de un buen libro de anécdotas, el mensaje puede resultar perfectamente apto para atraer la atención de los oyentes y para llevarlos, con el poder del Espíritu Santo, bien al conocimiento del Evangelio de salvación, o a un sólido crecimiento espiritual, según los casos.

Libros y papeles de todo género y facultad. Estudios sobre tipología y géneros editoriales (siglos XIV-XIX)

Manuel José Pedraza Gracia,Sofía Martínez Gómez,2024-07-15 La diversidad de los productos manuscritos e impresos presenta una problemática compleja en la que la investigación se mueve, no sin cierta dificultad, desde siempre. Fue necesaria una ciencia, la Diplomática, para resolver el problema en el mundo del documento manuscrito, pero el mundo del impreso y una buena parte del manuscrito tienen pendiente ampliar el campo de la Diplomática o encarar el problema desde una perspectiva propia. Este volumen incluye más de veinte trabajos relacionados con los géneros editoriales persiguiendo encontrar las características específicas de cada una de las diferentes tipologías del impreso (libro y no libro). Se trata de un paso más, no del último ni definitivo, pero muestra el interés y las distintas perspectivas en las que se mueve la investigación.
