L'interculturel à travers le multimédia dans l'enseignement du français langue étrangère RIVERO VILA, Isabel,2014-12-01 The objective of our research has been to promote intercultural analysis from the target language and culture in Francophone film sequences. These film sequences have allowed us to expose the learner to intercultural aspects of language and Francophone cultures . We aim to develop intercultural skills of the learner from engaging teaching units, also available on our website. We have created a teaching approach where intercultural communication anticipates the situations; locates the communicative interferences; develops cultural and linguistic skills and promotes intercultural dialogue based on representative sequences on day-to-day Francophone life. Thus, we have created and also developed existing approaches in teaching French as a foreign language (actionnelle approche , input structuré , lexiculture , etc). Finally, with this research we wanted to respond to the current lack in educational publishing : the teaching of the language - culture in French as a foreign language (FLE) based in Francophone multiculturalism represented in current Francophone movies. We consider Francophone multiculturalism as an essential element in teaching FLE since it allows to train our learners both in a sociocultural and linguistic level so that they can participate fully in the Francophone world

Vive Erasmus! Véronique Legendre,2014-11-06 Qui n'a pas un jour souhaité voyager et connaître d'autres cultures dans le monde? L'auteur, née de parents français mais d'origine étrangère, a caressé ce rêve depuis son enfance. Une enfance

dure et austère pendant laquelle Véronique Legendre rêvait de contrées lointaines et d'indépendance! Après ses études, elle a pris sa valise et osé l'expatriation dans plusieurs pays. Polyglotte et enrichie culturellement par ses expériences inoubliables, elle sait néanmoins que l'aventure a un prix à payer: solitude, insécurité, précarité et sentiment d'aliénation. Dans son autobiographie, Véronique Legendre évoque sa plus belle expérience au sein d'une université technique où elle gérait les bourses Erasmus en encadrant les étudiants du monde entier à Esslingen am Neckar/Stuttgart et à Moscou. Vive Erasmus! rend modestement hommage à Erasmus de Rotterdam, humaniste et philosophe du XVIe siècle, ainsi qu'aux femmes émancipées d'aujourd'hui.

Le guide des études en France Olivier Rollot,2000

Bien dans sa tête, bien dans ses études Michal Benedick,2011-09-09 Etre étudiant, c'est se confronter quotidiennement à des expériences nouvelles et faire des choix essentiels : études, logement, budget, projets professionnel et vie perso. Et parce qu'à 18 ou 20 ans, on commence sa vie d'adulte, qu'on a plein d'interrogations mais qu'on ne veut pas forcément écouter les conseils des parents, avoir sous la main un livre qui répond à toutes les questions peut sauver de bien des situations ! L'auteur se propose ainsi d'apporter des réponses pragmatiques aux questions que se posent les étudiants.

Je pars vivre à Bruxelles Isabelle Pellé,Lauren Coppola ,Carine Piéri,Sylvie Gauthier ,2022-08-25 Richesse du passé et modernisme se mêlent à Bruxelles, ville multiple. Hier, capitale du Brabant, là voici aujourd'hui métropole cosmopolite à la tête de l'Union européenne. De taille modeste malgré son envergure internationale, cette enclave francophone en pays flamand sait jouer des contrastes. De la Grand-Place à l'Atomium, des monuments gothiques aux façades Art nouveau, des cités-jardins au Berlaymont et aux grandes tours du quartier européen, des ruelles des Marolles à l'avenue Louise, elle apparaît à la fois décontractée et bourgeoise, assise sur son passé et à la pointe des changements. Carrefour économique, Bruxelles accueille aujourd'hui plus de 30 % d'étrangers. Serez-vous le prochain à franchir la frontière, conquis par cette capitale considérée comme l'une des plus prospères d'Europe?
