The 'Ism' Dilemma George I. Bailey, 2020-11-09 My wife and I have been born again saved Christians for over 20 years. We do have a non-denominational church home and we study The Holy Bible together regularly at home. We have a blended family with 3 adult children and 2 grandchildren. I have worked for 20 years in electric operations and transportation. I have a Bachelor's Degree in Psychology and am currently pursuing a Master's Degree in Christian Apologetics. The book is primarily about relationship issues that result from illegitimate people groupings in modern day society. The book has an overwhelming focus on the spiritual impact on people, when pride based problems are not properly addressed with a biblical relationship with Jesus Christ. I have personally struggled with many of the people grouping issues discussed in this book; pride has been one such stumbling block for me. Creating this book has in part been a personal journey for me, helping me to heal some of the wounds inflicted upon me by others, as well as heal wounds I've caused others. It is my sincere hope and prayer that your journey through this book will heal you and your loved ones, as it has done for me and my family. With God's help, Christians and Non-Christians alike can all benefit from the experiences, tools, and methods in this book by improving themselves spiritually, and by improving the quality of their relationships with others

You Will Be Made to Care Erick Erickson, Bill Blankschaen, 2016-02-22 Religious liberty is under attack in America. Your freedom to believe may not last much longer. To all those who say they don't care about the culture war, Erick Erickson has only one response: The Left will not let you stay on the sidelines. You will be made to care. Now the former Editor-in-Chief of RedState.com joins with Christian author Bill Blankschaen to expose the war in America on Christians and all people of faith who refuse to bow to the worst kind of religion—secularism—one intent on systematically imposing its agenda and frightening doubters into silence. The book features first-hand accounts from Christians who've been punished for their beliefs and the perspectives of concerned thought leaders to make the case that Americans of faith can't afford to ignore what's happening—not anymore. *You Will Be Made to Care* offers hope for preserving freedom of conscience with practical steps that believers, families, pastors, church leaders, and citizens can take to resist tyranny and experience a resurgence of faith in America.

Is He or Isn't He? A Response to God's Not Dead Cliff Somers, 2016-11-11 The book *God's Not Dead* by Pastor Rice Brooks so engaged Cliff's interest and his disagreement with its content that he undertook to write a response (or rebuttal). This book is it. Dealing with such diverse issues as cosmology, theology, and evolution, as well as an examination of what the Gospels of the Bible really say, this book is argumentative and opinionated. However, Cliff respects the pastor (as he refers to Brooks) and has tried to be respectful in his approach. As the book states early on, Cliff is an atheist but not a proselytizer. You may be interested in the origin of the universe, the idea of the tuned universe, the dogma known as creationism, or that known as intelligent design, the question of the meaning to religion of Darwin's theory of natural selection, or the actual words of the Gospels. If so, this book will intrigue you no matter which side of the fence you find yourself on. Come on in, the water's fine.

Essentials and Almost Essentials of Christianity Robin Wright, 2022-08-01 What does a person have to believe to be a Christian? With hundreds of different denominations and probably thousands of beliefs, are there some essentials that all people must believe in to be a Christian? An obvious answer to that is, yes. What are the essentials that people must believe

in to be a Christian? The author answers that question with eight essential beliefs in part 1. Part 2 adds eight more beliefs that are almost essential. The third part of the book lists eight essential practices of Christians. As you read, question both the author and your own beliefs by searching the Scriptures.

Crafting Is Like You: Poem A Day Book For Crafters (Minecraft Crafting Guide, Crafting with Duct Tape, Crafting with Cat Hair, Crafting With Kids & Crafting Buttons Crafting Guide Poetry & Rhymes in Verses & Quotes for Crafting Poem Journals) Mary Kay Hunziger, 2014-03-20 Poems include quotes by Alan Cohen, Confucius, Buddha, Muhammad, Ravi Zacharias, etc. They are organized by names and from A to Z in coherence with the poems. The collection of poems includes 25 crafting poems from A to Z with quotes just like this one: Crafting is much like the letter U because crafting with used books is one of the best ways to add some style. It's a fun way to make an author's words become even more worthwhile! Crafting is also like U because crafting with the universe in mind is yet undefined but might be the best thing happening to mankind. Crafting with the universe might make you seem very small. Yet that one little space you take for you is the most important crafting space of all. Some very lucky few crafters are able to get in touch with it so make sure you work at it! Crafting is also quite like the letter U because crafting reminds me of crafting with used Christmas cards. Used Christmas cards are also quite nice because of every Xmas craft ingredient that is quite convenient and because crafting with Used Christmas cards also follows the crafting law of the Petit Bourgeois. There are other things like the blue artistic law and the natural crafting law, but the important thing to remember they are all employing the unwritten law of hem and haw! If you think that this crafting thing is getting out of line, let me tell you this. Question the law of crafting and with you, an expert will have a grand ol' time! And as always, never, never forget this. Make sure to stay true to your hue of blue and your glue. If you stick to this you will always keep your artistic view! Umberto Ungerer can really speak to this: The only exercise some people get is jumping to conclusions, running down their friends, side-stepping their responsibilities, and pushing their luck! -Umberto Ungerer Welcome to a happy crafting life and welcome to Crafting Is Like You!

¿Y tú qué sabes del amor? Josué Fajardo, 2022-12-24 Este libro evitará que pierdas la oportunidad de vivir realmente, te ayudará a que hagas lo más importante que puedes hacer en tu vida, amar realmente. Jesús, sabiamente, dijo que lo más grande e importante que podríamos hacer es amar y que lo que más impacta el corazón de Dios es el amor, descubriremos también que todo lo que hacemos es para dar amor o para compensar una falta de amor.

Apologetics Study Bible for Students Sean McDowell, Holman Bible Publishers, 2010-02-01 Like the acclaimed Apologetics Study Bible that has sold 115,000+ copies, the Apologetics Study Bible for Students will anchor younger Christians in the truths of Scripture by equipping them with thoughtful and practical responses for whenever the core issues of their faith and life are challenged. Multiple research studies have shown that spiritual focus often weakens among teenagers as they head into the attention-dividing realm of young adulthood. Up to 66% of them leave church altogether. The Apologetics Study Bible for Students works against that trend by helping this audience begin to better articulate its beliefs. In addition to the complete HCSB text and dozens of articles collected from today's most popular youth leaders, including general editor Sean McDowell, this new study Bible also includes: • Two-color design-intensive layout on every page for the visual generation • Sixty "Twisted Scriptures" explanations • Fifty "Bones & Dirt" entries (archaeology meets apologetics) • Fifty "Notable Quotes" • Twenty-five "Tactics" against common anti-Christian arguments • Twenty "Personal Stories" of how God has worked in real lives • Twenty "Top Five" lists to help remember key apologetics topics

Culturally Incorrect Rod Parsley, 2009-04-08 Parsley exposes the failure of the current generation of believers to engage the culture, present a relevant gospel, and lead/influence through service - and paints a vivid picture of the cost and implications of that failure. Parsley explains how the culture wars have entered a new, critical phase for the United States, and discusses the areas in which this war is being fought (Cultural, Scientific, Geopolitical, Media, and Academia). He presents an understanding of the paradigms, assumptions, and values that animate the humanist, secularist, and neo-pagan enemies of Christianity in America and offers a strategy for winning this war-what he calls a New Great Awakening-and how evangelism, social action, and the engagement of culture fit into that plan.

Right on Top Ronnie Ruff, 2020-03-06 What is your greeting? Do you have one specific to all occasions? What does it say about you and the way you view your life experiences? Right on top is the characteristic greeting of the author, defining his mind-set for the early start of each day. Our word of greeting flows from our lips as words and ends up flowing from the tip of our fingers as actions regarding everything we do. This book examines nine areas of importance in his life with helpful encouragement to others to replicate his daily experience: heritage, balance, rules, success, heroes, posterity, wife, work, God. When an old man dies, a library burns. The challenge presented in his book is for the reader to examine the important things in life and share their experiences before the library burns. The author's hope, for the many who consider themselves only average, is that they would rise up to a new level of living; that they might regard every day as a gift and approach every situation as a giver; that the biblical concept of salt and light would become a daily reality; and at the end of the day, when all has been considered, they might conclude that the best description of their time here on earth could be summed up in three simple words--right on top.

Prayer: Strengthen Mindset, Creative Confidence & Healing With Prayer Juliana Baldec, 2014-02-28 Juliana Baldec's Zen Is Like You is an extremely blissful, mindful, simple, minimalistic, but yet effective and straight forward universal meditation poems known to mankind. The meditation moments are divided into 24 poems & classified from A to Z. Enjoying these rhyming meditation poems can teach many ways to embrace that blissful moment. Meditation is like I. Meditation is great because it is your soul mate and it helps to create your inner peace. On the other hand, the I of meditation also relates to things like meditation with incense and meditation with isochronic tones. Isochronic tones and burning incenses is not really directly connected to inner peace and mental release, but the indirect connection is all that counts to turn meditation into perfection. So let me tell you this. If you want to become that angel of reflection make sure to integrate this interconnection because if you don't, believe me, there will be nothing left but a deep deception. If you don't believe me, here is Saint Isaac of Nineveh's outlook: Be at peace with your own soul, then heaven and earth will be at peace with you. - Isaac of Nineveh The book encourages everyone to start their own journey of enlightenment, introspection, and contemplation and it concludes with some very encouraging thoughts so that everyone can choose to continue his or her path of meditation. The book helps with the discovery phase of meditation and opens the doors for more discovery. Turning your discovery of the many ways of meditation that you are brought in touch with inside the book into your own way of Zen is what this journey is all about. This book is all about yourself and finding your proper Way Of Zen! It is the perfect little gift to show your gratitude or read it together with your kids to introduce them to meditation. Make sure to get it today because nothing is more important than your own life and your own destiny...
