Midnight Sun Kat Martin, 2011-10-24 “A terrific contemporary romance” set in the wild northwest from the New York Times bestselling author of the Maximum Security novels (Booklist). One of a kind. Kat Martin’s heroes are as rugged and tough as they come, but honor rules no matter how hot the temptation . . . Call Hawkins just wants to be left alone and leave the past where it belongs. The bleak beauty of Dead Horse Creek is a perfect place to get away from the world . . . a place where nothing exists to remind him of everything he’s lost. His isolation is complete—until Charity Sinclair arrives fresh from New York City. Stunningly beautiful and stubbornly independent, she’s also shamefully ignorant of the untamed wilderness . . . and the very real dangers she’ll face if Call doesn’t teach her a thing or two. But even with Call’s grudging help, Charity’s dream of life in the Yukon may have led her into something much more savage than the forest: A menace as endless as the long days that run together without darkness—and a killer who won’t let anything come between him and perfect, deadly vengeance . . . Praise for Kat Martin “Kat Martin is a fast gun when it comes to storytelling, and I love her books.” —Linda Lael Miller, #1 New York Times bestselling author “A terrific storyteller.” —Booklist “It doesn’t matter what Martin’s characters are up against—she dishes up romantic suspense, sizzling sex and international intrigue.” —RT Book Reviews “[A] master of suspenseful romance.” —Publishers Weekly

Genre, Reception, and Adaptation in the 'Twilight' Series Anne Morey,2016-04-15 Much of the criticism on Stephenie Meyer's immensely popular 'Twilight' novels has underrated or even disparaged the books while belittling the questionable taste of an audience that many believe is being inculcated with anti-feminist values. Avoiding a repetition of such reductive critiques of the series's purported shortcomings with respect to literary merit and political correctness, this volume adopts a cultural studies framework to explore the range of scholarly concerns awakened by the 'Twilight' novels and their filmic adaptations. Contributors examine 'Twilight's' debts to its predecessors in young adult, vampire, and romance

literature; the problems of cinematic adaptation; issues in fan and critical reception in the United States and Korea; and the relationship between the series and contemporary conceptualizations of feminism, particularly girl culture. Placing the series within a broad tradition of literary history, reception studies, and filmic adaptation, the collection offers scholars the opportunity to engage with the books' importance for studies of popular culture, gender, and young adult literature.

The Divine Heart of Darkness Catherine Bird, 2017-11-01 How can we use the experience of darkness to lift our spirits, challenge our hearts and minds and draw us closer into the heart of God?

21st-Century Dylan Laurence Estanove, Adrian Grafe, Andrew McKeown, Claire Hélie, 2020-12-10 Bob Dylan has constantly reinvented the persona known as "Bob Dylan," renewing the performance possibilities inherent in his songs, from acoustic folk, to electric rock and a late, hybrid style which even hints at so-called world music and Latin American tones. Then in 2016, his achievements outside of performance - as a songwriter - were acknowledged when he was awarded the Nobel Literature Prize. Dylan has never ceased to broaden the range of his creative identity, taking in painting, film, acting and prose writing, as well as advertising and even own-brand commercial production. The book highlights how Dylan has brought his persona(e) to different art forms and cultural arenas, and how they in turn have also created these personae. This volume consists of multidisciplinary essays written by cultural historians, musicologists, literary academics and film experts, including contributions by critics Christopher Ricks and Nina Goss. Together, the essays reveal Dylan's continuing artistic development and self-fashioning, as well as the making of a certain legitimized Dylan through critical and public recognition in the new millennium.

Generation Hex Dillon Burroughs, Marla Alupoai, 2008 Wicca is America's fastest growing religion. By the year 2012, it's projected to be the third largest religion in the United States. In *Generation Hex*, Marla Alupoai and Dillon Burroughs explore the history, culture, and practices of Wicca. As part of their research, they interviewed travelers to historic Salem, Massachusetts, consulted practitioners of leading neopagan conferences in the Pacific Northwest and Canada, and dialogued with several current and former adherents of Wicca and other forms of witchcraft to evaluate the past and present of this growing spiritual tradition. The result is a compelling account that will inform and equip Christians (especially parents) to understand Wiccan and New Age teachings. Readers will have confidence to explain this belief system to others and to communicate the gospel to those caught up in this practice. *Generation Hex* identifies with the spiritual hunger of a generation seeking truth, authenticity, and hope in a fragmented world. It's perfect for personal study or as a gift for anyone interested or involved in Wicca.
