**Stay Awake** Megan Goldin, 2022-08-09 A murder she doesn't remember committing. A killer she doesn't remember meeting. Megan Goldin's *Stay Awake* is an electrifying novel that proves memory can be deadly. Liv Reese wakes up in the back of a taxi with no idea where she is or how she got there. When she's dropped off at the door of her brownstone, a stranger answers—a stranger who claims to live in her apartment. She reaches for her phone to call for help, only to discover it's missing. In its place is a bloodstained knife. Her hands are covered in scribbled messages, like graffiti on her skin: STAY AWAKE. Two years ago, Liv was thriving as a successful writer for a trendy magazine. Now, she's lost and disoriented in a New York City that looks nothing like what she remembers. Catching a glimpse of the local news, she's horrified to see reports of a crime scene where the victim's blood has been used to scrawl a message across a window, similar to the message that's inked on her hands. What did she do last night? And why does she remember nothing from the past two years? Liv finds herself on the run for a crime she doesn't remember committing. But there's someone who does know exactly what she did, and they'll do anything to make her forget—permanently. A complex thriller that unfolds at a breakneck speed, Megan Goldin's *Stay Awake* will keep you up all night.

the first season of her true crime podcast became an overnight sensation and set an innocent man free, Rachel Krall is now a household name—and the last hope for thousands of people seeking justice. But she’s used to being recognized for her voice, not her face. Which makes it all the more unsettling when she finds a note on her car windshield, addressed to her, begging for help. The small town of Neapolis is being torn apart by a devastating rape trial. The town’s golden boy, a swimmer destined for Olympic greatness, has been accused of raping a high school student, the beloved granddaughter of the police chief. Under pressure to make Season Three a success, Rachel throws herself into interviewing and investigating—but the mysterious letters keep showing up in unexpected places. Someone is following her, and she won’t stop until Rachel finds out what happened to her sister twenty-five years ago. Officially, Jenny Stills tragically drowned, but the letters insists she was murdered—and when Rachel starts asking questions, nobody seems to want to answer. The past and present start to collide as Rachel uncovers startling connections between the two cases that will change the course of the trial and the lives of everyone involved. Electrifying and propulsive, *The Night Swim* asks: What is the price of a reputation? Can a small town ever right the wrongs of its past? And what really happened to Jenny?

**Dark Corners** Megan Goldin, 2023-08-08 A gripping story that is equal parts shocking, unnerving, and thrilling. Goldin takes the ‘true crime’ trope to new and unexpected territory.” —Karin Slaughter, *New York Times* and #1 international bestselling author of *Girl, Forgotten* Rachel Krall, the true crime podcaster star of Megan Goldin’s acclaimed *The Night Swim*, returns to search for a popular influencer who disappears after visiting a suspected serial killer. Terence Bailey is about to be released from prison for breaking and entering, though investigators have long suspected him in the murders of six women. As his release date approaches, Bailey gets a surprise visit from Maddison Logan, a hot, young influencer with a huge social media following. Hours later, Maddison disappears, and police suspect she’s been kidnapped—or worse. Is Maddison’s disappearance connected to her visit to Bailey? And why was she visiting him in the first place? When they hit a wall in the investigation, the FBI reluctantly asks for Rachel Krall’s help in finding the missing influencer. Maddison seems to only exist on social media; she has no family, no friends, and other than in her posts, most people have never seen her. Who is she, really? Using a fake Instagram account, Rachel goes undercover to BuzzCon, a popular influencer conference, where she discovers a world of fierce rivalry that may have turned lethal. When police find the body of a woman with a tattoo of a snake eating its tail—identical to a tattoo Rachel had seen on Bailey’s hand—the FBI must consider a chilling possibility: Bailey has an accomplice on the outside and a dangerous obsession with influencers, including Rachel Krall herself. Suddenly the target of a monster hiding in plain sight, Rachel is forced to confront the very real dangers that lurk in the dark corners of the internet.
