The Air I Breathe Karen Baney, 2023-08-15 One moment of weakness. One chance at redemption. Single mom Kelly Sutton thought she had left her past struggles behind, but starting over in Arizona brings them rushing back. Determined to rebuild her life near her daughter's father, Kelly is blindsided when panic attacks threaten to unravel her carefully laid plans. In her darkest moment, help comes from an unexpected source—Matt Dixon, the kind yet overburdened roommate of her ex. For Matt, juggling a demanding career, seminary classes, and an internship at church leaves little room for distractions. But when Kelly's vulnerability sparks something deeper in him, his perfectly organized life takes a sudden turn. Can he find space in his heart for love without sacrificing his calling? And can Kelly trust herself—and Matt—enough to embrace a second chance at happiness? This tender Christian Contemporary Romance explores themes of faith, resilience, and the courage to love. Will Kelly and Matt find their way to each other—or will their dreams pull them apart?

The Air I Breathe Louie Giglio, 2017-12-19 Let Every Breath You Take Be an Act of Worship Worship is more than singing on Sunday morning. While that's part of it, worship is the essence of what makes us truly human. God sparked this desire within our hearts from the day He first breathed life into Adam and Eve. Since then, every single human who has walked this planet has participated in this God-given ability, and divine quest. While many have squandered their gift, there

are those who find the wonder-filled life of communion with God no matter the time or place. True freedom comes when worship flows through us as naturally as the air we breathe, when the words and actions in our lives resonate with our Creator so deeply that every inhalation is full of meaning. When we understand the holiness of the God who knows the stars by name—and His overwhelming love for each one of us—how can we offer anything less? In *The Air I Breathe*, Louie Giglio explains in passionate prose what it means to truly live a life of worship, offering insight and guidance for finding our personal path towards connecting with the God of the Universe.

Placing Order In A World That Is Losing Hope Lisa Cannon, 2019-01-17 This book was inspired by the inner man within. He brought out the invisible parts and showed me his power, that when hope is gone, people become out of order. He showed me that everyone has a treasure buried within, but very few are looking for it. He told me about success and the price we pay when we receive it, how the inner man guides the fleshy body to fall in order. It's the power of the Almighty God. And your faith within. I pray that all will line up to order that the God of this universe has placed. Your very own life depends on it. It's the missing parts that we all need love. It lines up to the very order that has been given in spirit man that is within, which is the Savior of the world. He alone connects you to the spirit that lies within, talking about the unseen parts of the body. Spirit man!

A Life Behind the Platform Teresa Feagin-Hernandez, 2018-04-25 This book is a singer's/musician's journey to understanding musical gifts and the life that comes with them. Growing up as a singer and musician, I knew there had to be something more than just singing and playing on a platform a couple of times a week in church or performing for the brief applause of man. I was longing for something deeper and more meaningful. Something that I could hold near to my heart and that would sustain me throughout the many seasons of my life. I'm sure many singers and musicians find themselves feeling this way at some point in their lives. If this is you, be encouraged! God will not leave you wanting. He knew what He was doing when He gifted you. He will show you the way to His heart, through the very gifts He has given you.

The Air That We Breathe - Book One Simon M. Zayas, 2025-03-21 Father Marcellinus warns the young monk, saying, 'The air that we breathe, that is the creature that we become' explaining how every influence, both good and evil ultimately shape us into the person that we are. Based on real events, this novel unfolds in a nineteenth century abbey and is about a young man who struggles to face the truth of who he really is, something that all of us must ultimately do in our own lives. The reader is invited into that cloister, so full of passions and conflicts. Simon desires only one thing since he was a little boy, and that is to serve God as a priest. He dreams of wearing silken gold vestments and being enveloped in great clouds of incense, offering the Sacrifice to God. When he is seventeen, he leaves home and becomes a monk far north in the mountains of Pennsylvania. His faith is genuine, and he gives himself to his studies in order to become a Roman Catholic priest. But not all is as he expected. A sexual awakening he had not anticipated, blossoms in him and boyhood dreams are shaken to the core as he wrestles with a side of himself he never counted on. He falls in love in a monastic world filled with holy men, mischievous souls, colorful individuals and also great scoundrels. A powerful visitor invites him to Rome, something Simon never expected. There is a dark price tag, however, something Simon is unaware of.

Breathe Roger White, MD, 2016-03-09 Right now, are you breathing to the best of your ability? This may sound like an

odd question, but breathing actually involves a lot more than just taking a breath in and letting it out. Each breath we take from birth until death sustains our fragile lives, yet most of the time we think very little about our breathing unless we have a problem. But breathing is always with us in everything we do. Through fascinating stories, Dr. White, a cardiologist, writes about real people and their challenges with breathing. This inspiration book provides much insight on something we each do several times a minute for a lifetime.
