Mark 1-8:26, Volume 34A Robert A. Guelich,2018-01-09 The Word Biblical Commentary delivers the best in biblical scholarship, from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship. Overview of Commentary Organization Introduction—covers issues pertaining to the whole book, including context, date, authorship, composition, interpretive issues, purpose, and theology. Each section of the commentary includes: Pericope Bibliography—a helpful resource containing the most important works that pertain to each particular pericope. Translation—the author's own translation of the biblical text, reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of

words, phrases, and tenses, yet in reasonably good English. Notes—the author’s notes to the translation that address any textual variants, grammatical forms, syntactical constructions, basic meanings of words, and problems of translation. Form/Structure/Setting—a discussion of redaction, genre, sources, and tradition as they concern the origin of the pericope, its canonical form, and its relation to the biblical and extra-biblical contexts in order to illuminate the structure and character of the pericope. Rhetorical or compositional features important to understanding the passage are also introduced here. Comment—verse-by-verse interpretation of the text and dialogue with other interpreters, engaging with current opinion and scholarly research. Explanation—brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels: (1) within the context of the book itself; (2) its meaning in the OT or NT; (3) its place in the entire canon; (4) theological relevance to broader OT or NT issues. General Bibliography—occurring at the end of each volume, this extensive bibliography contains all sources used anywhere in the commentary.

Creationism and the Book of Revelation Douglas K. Johanson, 2018-06-08 This book, Creationism and the Book of Revelation: An Outline of the Last Days, by Douglas Johanson deserves serious consideration from anyone who is a seeker of truth, both scientific and religious. He has created a book that will challenge and provoke serious thinking about the doctrines of the Gospel of Jesus Christ and the expanding knowledge from the scientific community. In this fascinating text, those two sources are successfully brought together, and the result is a faith inspiring exploration of the magnificent power of our Eternal Father. This book is a pleasure to read and it is my privilege to recommend it highly. Daniel W. McAllister, PhD, Associate Professor, Lee Business School, University of Nevada at Las Vegas In Creationism and the Book of Revelation: An Outline of the Last Days, Douglas K. Johanson skillfully uses his background in science and his intense study of the scriptures to show how truths about the physical universe and latter-day revelation and other scriptures help one see truths in The Revelation of St John the Divine. In significant and expansive detail, Johanson provides many answers to important questions about the great plan of God. Richard Dilworth Rust, Professor Emeritus of English, The University of North Carolina at Chapel Hill ... contains a detailed, chronological outline of the last days. ... helps science and religion come together. The scriptures would be fulfilled exactly as given. God loves each and every one of His children ...
