Deborah's Daughters Joy A. Schroeder,2014 Joy A. Schroeder offers the first in-depth exploration of the biblical story of Deborah, an authoritative judge, prophet, and war leader. For centuries, Deborah's story has challenged readers' traditional assumptions about the place of women in society. Schroeder shows how Deborah's story has fueled gender debates throughout history. An examination of the prophetess's journey through nearly two thousand years of Jewish and Christian interpretation reveals how the biblical account of Deborah was deployed against women, for women, and by women who aspired to leadership roles in religious communities and society. Numerous women-and men who supported women's aspirations to leadership-used Deborah's narrative to justify female claims to political and religious authority. Opponents to women's public leadership endeavored to define Deborah's role as private or argued that she was a divinely authorized exception, not to be emulated by future generations of women. Deborah's Daughters provides crucial new insight into the history of women in Judaism and Christianity, and into women's past and present roles in the church, synagogue, and society.

Seder Eliyahu Constanza Cordoni,2018-08-21 The book is concerned with a so called ethical midrash, Seder Eliyahu (also known as Tanna debe Eliyahu), a post-talmudic work probably composed in the ninth century. It provides a survey of the research on this late midrash followed by five studies of different aspects related to what is designated as the work's narratology. These include a discussion of the problem of the apparent pseudo-epigraphy of the work and of the multiple

voices of the text; a description of the various narrative types which the work, itself as a whole of non-narrative character, makes use of; a detailed treatment of Seder Eliyahu's parables and most characteristic first person narratives (an extremely unusual form of narrative discourse in rabbinic literature); as well as a final chapter dedicated to selected women stories in this late midrash. As it emerges from the survey in chapter 1 such a narratologically informed study of Seder Eliyahu represents a new approach in the research on a work that is clearly the product of a time of transition in Jewish literature.

Women's Contribution to Higher Education and Social Transformation Lucy A. Wakiaga, 2022-05-16 This book provides deep insights about women in higher education and their contributions to society. Using Kenya as a case study, it places women in higher education at the center of the socioeconomic, political and cultural discourse both within and outside the higher education institution. It is notable that even with the progress made, both in Kenya and globally, gender considerations in social, economic, political and cultural spheres is still minimal. In higher education, gender imbalance is still distinct in varied areas such as career advancement, leadership, mentorship, and scholarship opportunities. In society, women's efforts still seem to go unnoticed. The aim of these chapters, therefore, is to share women's research in higher education and in society especially innovative policy and practice concepts, all aimed at contributing to social transformation.

Deborah's Tree Jane Yolen, 2022-11-01 Deborah has a gift: she can see the future. As Deborah grows up, so do the date palms that surround her home. Under these trees, people come from far and wide to seek guidance from the great prophetess and judge. In her dreams, Deborah foresees danger to the people of Israel. For the girl that grew up under the date palms, her moment of destiny has arrived. Based on the story of the biblical heroine Deborah.
