It has been edited by English Novelist and Musician Tim Bragg so not your average Indian book but addressed to the whole world with a secular mind. The 10 features of the book can be summarized by There is no You or Me there is only THAT What can die never existed There is no coming or going Eternally it is Being, Consciousness and Bliss The idea of you is a Ghost You are better dead Live Life bury yourself There is nothing and nothing is everything What comes and goes cannot be considered real only what is unchanging. After reading *The Hidden Souls of Words*, you will never again be able to speak without a measure of attention and feeling. You will have a better understanding of how our words are powerful symbols that assist us in connecting with God and one another. This, in turn, will help us all to be more responsible in the way we use our words - transforming human relations in the process.

Nation of Victims Vivek Ramaswamy, 2022-09-13 The New York Times bestselling author of *Woke Inc.* and a 2024 presidential candidate makes the case that the essence of true American identity is to pursue excellence unapologetically and reject victimhood culture. Hardship is now equated with victimhood. Outward displays of vulnerability in defeat are

celebrated over winning unabashedly. The pursuit of excellence and exceptionalism are at the heart of American identity, and the disappearance of these ideals in our country leaves a deep moral and cultural vacuum in its wake. But the solution isn't to simply complain about it. It's to revive a new cultural movement in America that puts excellence first again. Leaders have called Ramaswamy "the most compelling conservative voice in the country" and "one of the towering intellects in America," and this book reveals why: he spares neither left nor right in this scathing indictment of the victimhood culture at the heart of America's national decline. In this national bestseller, Ramaswamy explains that we're a nation of victims now. It's one of the few things we still have left in common—across black victims, white victims, liberal victims, and conservative victims. Victims of each other, and ultimately, of ourselves. This fearless, provocative book is for readers who dare to look in the mirror and question their most sacred assumptions about who we are and how we got here. Intricately tracing history from the fall of Rome to the rise of America, weaving Western philosophy with Eastern theology in ways that moved Jefferson and Adams centuries ago, this book describes the rise and the fall of the American experiment itself—and hopefully its reincarnation.

The Choice for Love Barbara De Angelis, 2017 From the moment we are born and through every day of our lives, each of us is traveling on a mysterious, relentless, passionate, and sometimes perplexing journey in search of the experience of Love. Love, however, isn't simply an emotion, a behavior, or even the bond you feel with another person—it's a supercharged, light-drenched, limitless vibrational field of infinite divine energy that is our essential nature. The true search for love, then, must inevitably direct us within, where we discover that the love we've been seeking in countless ways has been inside of us all along. The Choice for Love is the inspiring and revelatory new book from New York Times best-selling author and renowned transformational teacher Barbara De Angelis, Ph.D. Known for helping millions of people make profound shifts in their relationship with themselves, others, and spirit, Dr. De Angelis has written an eloquent, illuminating, and deeply compassionate guide for transforming your relationship to love and bringing more of it into all aspects of your life. She offers you invaluable wisdom and practical tools for healing, opening, and expanding your emotional and spiritual heart, and teaches you how to use love as the highest spiritual practice. What is the choice for love? It is a revolutionary shift in your relationship with the energy of love itself. It invites you into a new, enlightened experience of love as a vibrational state of being. It isn't the choice for new thoughts about love, new attitudes about love, or a new philosophy about love. It's the choice to enter into the experience of your own unlimited love, and open to the unfathomable treasures that your heart holds. When we think that love originates from the outside, we mistakenly believe that we need to wait until something happens to give us an experience of love. Dr. De Angelis explains that love isn't something we can actually get from anyone else. No one can give you any love you don't already have. Love comes from the inside out. Now more than ever, in these unsettling times on our planet, we're each called to become a living remedy, to not fall in love, but to rise in love. The Choice for Love is a

masterful and sacred pilgrimage of words whose enlivened wisdom will move you, awaken you, and liberate you to embrace, embody, and delight in more love than you ever imagined was possible.

You'll begin to resolve your hunger for recognition, shifting your mindset from "proving yourself" to making a contribution and becoming part of a supportive creative community. A Medley of Moods Annie Pearl Asher, 2018-03-01 Twenty years ago I went to the funeral of a friend I admired and respected. The sadness I felt prompted me to write the fictional story *One More Time*, in Part Two of this book; it's the ideal friendship between two friends who were inseparable. Over three decades ago I wrote *The Days Back Home*, and *We keep Love Alive*. I chose these two stories from the others I have written through the years because Part One of *A MEDLEY OF MOODS* is about family matters. I wrote *The Unbroken Bond*, *The Sacrifice*, *A False Conception*, and *The Procrastinator* to show how family members can come together in love and good will whether they are related or not—if they are willing. *Death Pain and Being a Widow* is my true story about the loss of my son and my spouse. Some of Part Two and Part Three are nonfiction. But whether the parts are fiction or nonfiction, there is a grain of truth in everything that I have written. And I believe that my readers will feel me through the things that I have written and they will know the difference between the

two.

Looking for Hemingway Tony Castro, 2016-11-16 Named by Boston's NPR News Station as one of the Best Books of 2016 In 1959, the most famous literary figure of his time set out in the twilight of his life to recapture his early success in the 1920s. The experience tested all the credos of bravery and grace under pressure he had lived by. Just months before turning sixty, Ernest Hemingway headed for Spain to write a new epilogue for his bullfighting classic *Death in the Afternoon*, as well as an article for *Life* magazine. His hosts were Bill and Anne Davis, wealthy Americans in pursuit of the avant-garde life of the 1920s' post-war expatriates, who lavishly entertained celebrities and the literati, from Noel Coward to Laurence Olivier, at their historic villa, La Consula. This hacienda would become Hemingway's home during the most pivotal months of the Nobel laureate's denouement, and Bill Davis—fellow adventurer who had survived the Depression running arms during the Spanish Civil War—would become his friend and bullfight-traveling companion. *Looking for Hemingway* explores that incredible friendship and offers a rare intimate look into the final period of the legendary author's life, giving comprehension not only of a writer's despair but of suicide as a not unreasonable conclusion to a blasted existence.

Weight Loss Motivation Todd Jensen, 2019-02-08 Mother Nature, God, or whatever or whoever you believe in who made this world to exist the way it is, has provided the best resources to survive. Since the human body contains blood and fluids and is dependent on healthy drinks, it makes sense that you should drink not only enough, but also the right kinds of drinks. There are vegetables you can make juice or smoothies from, but I honestly prefer fruits over vegetables anytime when it comes to drinking. Nonetheless, some carrot juice or other flavors sometimes taste okay.
