Hang the Moon Jeannette Walls, 2023-04-13 From Jeannette Walls, the bestselling author of *The Glass Castle*, a riveting new novel about an indomitable young woman in Prohibition-era Virginia Most folk thought Sallie Kincaid was a nobody who'd amount to nothing. Sallie had other plans. Sallie Kincaid is the daughter of the biggest man in a small town, the charismatic Duke Kincaid. Born at the turn of the twentieth century into a life of comfort and privilege, Sallie remembers little about her mother, who died in a violent argument with the Duke. By the time she is just eight years old, the Duke has remarried and had a son, Eddie. While Sallie is the Duke's daughter, sharp-witted and resourceful, Eddie is his mother's son, timid and cerebral. When Sallie tries to teach young Eddie to be more like their father, her daredevil coaching leads to an accident, and Sallie is cast out. Nine years later, she returns, determined to reclaim her place in the family. That's a lot more complicated than Sallie expected, and she enters a world of conflict and lawlessness. Sallie confronts the secrets and scandals that hide in the shadows of the Big House, navigates the factions in the family and town, and finally comes into her own as a bold, sometimes reckless bootlegger. 'Jeannette Walls created my new favorite hero in her protagonist, Sallie Kincaid. Sallie is sharp, bold, unflinching, and humorous despite, or maybe because of, her hardships.' — Jennette McCurdy, bestselling author of *I'm Glad My Mom Died* 'Hang the Moon is Jeannette Walls's masterwork. Epic in scope, the novel is a thrill ride through Prohibition and change in the American South . . . The prose is so elegant and so close to the bone you feel Sallie's heartbeat. Glorious.' — Adriana Trigiani, author of *The Good Left Undone* 'Does what all good books should: it affirms our faith in the human spirit.' — Dani Shapiro on *The Glass Castle* 'Like J.D. Salinger or Hemingway before her, Jeannette Walls has the talent of knowing exactly how to let a story tell itself.' — Sunday Independent on *The Glass Castle*

Cassell's Dictionary of Slang Jonathon Green, 2005 With its unparalleled coverage of English slang of all types (from 18th-century cant to contemporary gay slang), and its uncluttered editorial apparatus, Cassell's Dictionary of Slang was warmly received when its first edition appeared in 1998. 'Brilliant.' said Mark Lawson on BBC2's *The Late Review*; 'This is a terrific piece of work - learned, entertaining, funny, stimulating' said Jonathan Meades in *The Evening Standard*. But now the world's best single-volume dictionary of English slang is about to get even better. Jonathon Green has spent the last seven years on a vast project: to research in depth the English slang vocabulary and to hunt down and record written instances of the use of as many slang words as possible. This has entailed trawling through more than 4000 books - plus song lyrics, TV and movie scripts, and many newspapers and magazines - for relevant material. The research has thrown up some fascinating results

Spin Me Right Round David Valdes,2022-01-04 From lauded writer David Valdes, a sharp and funny YA novel that's Back to the Future with a twist, as a gay teen travels back to his parents' era to save a closeted classmate's life. All Luis Gonzalez wants is to go to prom with his boyfriend, something his “progressive” high school still doesn't allow. Not after what happened with Chaz Wilson. But that was ages ago, when Luis's parents were in high school; it would never happen today, right? He's determined to find a way to give his LGBTQ friends the respect they deserve (while also not risking his chance to be prom king, just saying...). When a hit on the head knocks him back in time to 1985 and he meets the doomed young Chaz himself, Luis concocts a new plan-he's going to give this guy his first real kiss. Though it turns out a conservative school in the '80s isn't the safest place to be a gay kid. Especially with homophobes running the campus, including Gordo (aka Luis's estranged father). Luis is in over his head, trying not to make things worse-and hoping he makes it back to present day at all. In a story that's fresh, intersectional, and wickedly funny, David Valdes introduces a big-mouthed, big-hearted, queer character that readers won't soon forget.

Sweetly Jackson Pearce, 2011-08-23 As a child, Gretchen's twin sister was taken by a witch in the woods. Ever since, Gretchen and her brother, Ansel, have felt the long branches of the witch's forest threatening to make them disappear, too. Years later, when their stepmother casts Gretchen and Ansel out, they find themselves in sleepy Live Oak, South Carolina. They're invited to stay with Sophia Kelly, a beautiful candy maker who molds sugary magic: coveted treats that create confidence, bravery, and passion. Life seems idyllic and Gretchen and Ansel gradually forget their haunted past -- until Gretchen meets handsome local outcast Samuel. He tells her the witch isn't gone -- it's lurking in the forest, preying on girls every year after Live Oak's infamous chocolate festival, and looking to make Gretchen its next victim. Gretchen is determined to stop running and start fighting back. Yet the further she investigates the mystery of what the witch is and how it chooses its victims, the more she wonders who the real monster is. Gretchen is certain of only one thing: a monster is coming, and it will never go away hungry.

Discover a new way of looking at family and happily ever after in this hopeful and deeply emotional novel, This Is Not the End. Zacary Trevor is the love of Anya Alexander's life. Their sometimes tumultuous marriage has survived ups, downs, and all the in-betweens. With successful careers, a lovely home, and a beautiful child, domestic bliss is a hard-earned reality for two people whose hedonistic days are in the not-so-distant past. They're happy. Zac's best friend, the deeply reserved Cal Keller is the foundation of Zac's career and was the most important relationship of his life until Anya and their son came along. Anya can't help but gravitate towards Cal, even if they don't always get along. Even more, she's drawn to the Zac she sees when he's with Cal—a careful, cautious version of her husband, someone with hidden thoughts and desires kept secret even from her. It's a risk inviting Cal into their home. Zac should resist. He knows he should. But he can't. The idea at the life the three of them could have together is exhilarating. Redefining family might just be worth the risk. Previously published

Hang the Moon Alexandria Bellefleur, 2021-05-25 In a delightful follow-up to *Written in the Stars*, Alexandria Bellefleur delivers another queer rom-com about a hopeless romantic who vows to show his childhood crush that romance isn't dead by recreating iconic dates from his favorite films... Brendon Lowell loves love. It's why he created a dating app to help people find their one true pairing and why he's convinced "the one" is out there, even if he hasn't met them yet. Or...has he? When his sister's best friend turns up in Seattle unexpectedly, Brendon jumps at the chance to hang out with her. He's crushed on Annie since they were kids, and the stars have finally aligned, putting them in the same city at the same time. Annie booked a spur-of-the-moment trip to Seattle to spend time with friends before moving across the globe. She's not looking for love, especially with her best friend's brother. Annie remembers Brendon as a sweet, dorky kid. Except, the 6-foot-4 man who shows up at her door is a certified Hot Nerd and Annie...wants him? Oh yes. Getting involved would be a terrible idea—her stay is temporary and he wants forever—but when Brendon learns Annie has given up on dating, he's determined to prove that romance is real. Taking cues from his favorite rom-coms, Brendon plans to woo her with elaborate dates straight out of Nora Ephron's playbook. The clock is ticking on Annie's time in Seattle, and Brendon's starting to realize romance isn't just flowers and chocolate. But maybe real love doesn't need to be as perfect as the movies... as long as you think your partner hung the moon.
