WOMEN ARE MEANT TO BE LOVED, NOT TO BE UNDERSTOOD RE. RANA,2020

WOMEN ARE MADE TO BE LOVED FOLORUNSHO MEJABI,2015-11-08 According to Oscar Wilde Women are made to be loved, not understood. Women are the last creature. They were specially created ...they are the only creature that it took God to carry out research and came to conclusion ...that yes there is something still missing...Gen. 2:18.Loving your woman to submission is very important toward building a happy home. This is the mind of God- Ephesians 5:25Making a woman feel special despite all her flaws, realising that she is very important in every decision making process, making her to know how much she means to you and giving her a lot of space and freedom are very critical toward building an enduring and happy relationship.This book gives you a better idea of how to love your woman....because " Women are not meant to be understood but loved. In the words of Robin Williams, If women ran the world we wouldn't have wars, just intense negotiations every 28 days.

Naked Truth About Women George East,2017-02-14 Why do women always ask their man for an opinion of how a dress looks - and then ignore what he says? Why do they painstakingly inspect and try on dozens of shoes/dresses/handbags - and then buy the first one they looked at? Why do women say that love is more important than money, then judge how much a man loves her by the price of the engagement ring he buys her?

The Word Factory Oscar Whinge,2016-05-18 Unquestionably, The Word Factory is the perfect guide to better English Grammar and effortless writing. According to one newspaper report, universities in England had begun to penalise students who employed incorrect grammar in their essays. In South Africa, the analysis of seventy-four thousand short stories found that written work of children was littered with SMS language, American slang, exclamation marks, and references to celebrities. All through my formative years, I had to contend with five different languagesEnglish, Afrikaans, and two other dialects, which for the most part, accounted for my inability to translate thought into words effortlessly and inhibited my willingness to participate in lively social discussions especially in the course of my high school years. However, possessed of determination, I had vowed to overcome that infirmity. My need to succeed at all costs precipitated the memorisation of the entire Pocket Oxford Dictionary, an accomplishment that spanned ten long years, following which a further ten years were spent in acquainting myself with most English phrases, idiomatic expressions, and collecting the data and fully researching it. I decided to name the compilation The Word Factory. The fruits of my efforts, but more specifically the extensive employment of The Word Factory, not only marked my rise onto the podiums as master of ceremonies and public speaker, but had also enabled me to write approximately twenty-five articles to the Cape Argus, Cape Towns pre-eminent newspaper, within the space of two years, with 100 per cent publication rate.

WOMEN Deepak Gupta,2025-02-14 Every man I meet wants to protect me. I can't figure out what from. - Mae West. Virginia Woolf cleverly depicted; as long as she thinks of a man, nobody objects to a woman thinking. Thousands of years have passed and women are still struggling for their independence and the strange thing; when women have to protect themselves from the bad men, they choose other men, get caged and kick their own freedom. Only the women who were loved by men wrote about men beautifully but vice versa happened too but how beautiful it is when the freedom of women is written by men. As we are still discarding that we don't need a partner, but we all know we need it as you can't expect a beautiful bird to be in your golden cage but on a windy tree where she can learn about herself and still feel, a man loves her.

It's not hard to understand a woman as she becomes complicated as we become but as soon as you start loving her, she unfolds her secrets and that would astonish you forever. Loving a woman is magic as when she falls in love with you, it is a fortune for generations and somewhere this love is conscious and pure. If you are a woman, take note of how to understand the feelings of a good man and if you are a man, take note of how to love her deeply. Men always seek power in relationship but that shouldn't be at the cost of your women's freedom! A woman is the most mysterious human in this universe until you start loving her and that mystery starts unfolding it! *Women*, 15 Minutes Powerful Read will transform your love as women and men, and assist you understand how beautiful it is to love each other and how to understand a woman and make her fall in love with you genuinely because women fall in love very late but accurately. A woman's commitment is very hard to get until she feels she's around a man of true character. A woman falls in love slowly but when she does, she does and she will never regret her commitment. When a woman trusts a man, there's no variation and it's hard to achieve but through your honesty & character. Men want to be alone now & Women want to be independent but nobody talks that we all needed love. You don't always know the true worth of a woman's love until it becomes a memory. - Georgia Cates.
