Opal Reyne

A Soul to Keep Opal Reyne, 2022-06-13 All Reia ever wanted was freedom. Known as a harbinger of bad omens and blamed for Demons eating her family, Reia is shunned by her entire village. When the next offering is due and the monstrous Duskwalker is seen heading their way, her village offers her an impossible choice - be thrown into the prison cells or allow herself to be sacrificed to a faceless monster. However, he is not what he seems. His skull face and glow eyes are ethereal, and she finds herself unwittingly enchanted by him. All Orpheus ever wanted was a companion. Each decade, in exchange for a protection ward from the Demons that terrorise the world, Orpheus takes a human offering to the Veil - the place he lives and the home of Demons. The brief companionship does little to ease his loneliness, and their lives were always, unfortunately, cut short. He'd thought it was a hopeless endeavour, until he met her. She's not afraid of him, and his insatiable desire deepens within every moment of her presence. But will Orpheus be able to convince Reia to stay before she's lost to him forever?

A Soul to Protect Opal Reyne, 2024-06-24 All Linh wanted was to feel safe. After escaping vile bandits, Linh is faced with a conundrum. She can either run through the Demon-filled wilds, or seek safety from a serpent monster. The longer she forces her presence in the monster's territory, the more she learns a Duskwalker's heart can be nurturing. Despite her fears, she longs for the slither of his scales across her skin and the burning desire it awakens in her. All Nathair wanted was to be left alone. Dealing with the pressure of his fractured mind, Nathair's return to life has been unpleasant. He's in pain, his voice lost, and he finds himself protecting a female who is in more danger from him than she realises. She's broken. Though he doesn't know if he can mend her, he craves her so fervently he will do anything to keep her. But Linh wants to return to her people, and Nathair cannot go with her. How can Nathair convince her to choose him when he is more monstrous than any other Mavka?--

Untethering Dark Desirée M. Niccoli,2025-02-04 In the shadows of the forest, he waits... A bloody and bewitching monster romance from Desirée M. Niccoli. A winter hag in training, Astrid spends her days in the Black Forest sharpening her spell craft and flinging axes at tourists, and her nights leaving offerings to the ancient eldritch monster that guards the woods. She's one sex ritual away from leaving the last trace of her unwanted humanity behind and stepping into her full power. It's the perfect life. Until a group of unruly humans brings that same deadly monster to her doorstep. Now, her only hope for survival is a plate of poisoned cookies. Gudariks has roamed the Black Forest since it sprouted its first trees, consuming any who violate his beloved land.
