**Black Beauty** Anna Sewell, 2016-04-05 Anna Sewell was a kind and generous woman whose great love for horses and desire to see them better treated resulted in the most celebrated animal story of the nineteenth century. Born into a strict Quaker family who lived at Great Yarmouth in Norfolk, she was brought up to believe in the importance of self-reliance, moral responsibility and 'tender consideration for the Creatures of God'. From an early age she developed a strong love of animals and abhorred any form of cruelty towards them. She seemed to have a natural affinity with horses, and the great knowledge of horsemanship evident in *Black Beauty* was born from a lifetime's experience. Anna received her education at home from her mother, who as well as instilling in her a sense of duty and religion also filled the house with music, painting and poetry - she was herself an accomplished ballad-writer - and Anna soon proved a capable pianist and artist. When she was fourteen, Anna - who already suffered from a crippling bone disease - had a fall which left her an invalid for the rest of her life. By her mid-thirties she was no longer able to get around by herself and relied on a pony cart to transport her. Characteristically she never used a whip on her own horses, and one of her intentions with *Black Beauty* was to 'induce kindness, sympathy, and an understanding treatment of horses'. Confined to her room through ill-health, Anna started writing *Black Beauty* in 1871 but later abandoned the project until 1876. Afraid that she would not live to see the book published she worked laboriously on it despite failing health. Her mother found a publisher for the book and a delighted Anna saw her work in print in November 1877. She died five months later and was buried at the family plot near Old Catton in Norfolk. What Anna did not live to see was the effect her 'little book' has had on the millions of people around the world who have read it. It has been translated into many languages and there have been several attempts at filming it. As Anna hoped, *Black Beauty* has exercised great influence on the treatment of animals, a fact highlighted by the Royal Society for the Prevention of Cruelty to Animals recommendation of the book.

The first place that I can well remember was a pleasant meadow with a pond of clear water in it. Over the hedge on one side we looked into a plowed field, and on the other we looked over a gate at our master's house, which stood by the roadside. While I was young I lived upon my mother's milk, as I could not eat grass. In the daytime I ran by her side, and at night I lay down close by her. When it was hot we used to stand by the pond in the shade of the trees, and when it was cold we had a warm shed near the grove. There were six young colts in the meadow beside me; they were older than I was. I used to run with them, and had great fun; we used to gallop all together round the field, as hard as we could go. Sometimes we had rather rough play, for they would bite and kick, as well as gallop.

Unabridged (100% Original content) Font adjustments & biography included Illustrated About Black Beauty by Anna Sewell Black Beauty is an 1877 novel by English author Anna Sewell. It was composed in the last years of her life, during which she remained in her house as an invalid. The novel became an immediate best-seller, with Sewell dying just five months after its publication, but having lived long enough to see her only novel become a success. With fifty million copies sold, Black Beauty is one of the best-selling books of all time.

Black Beauty Anna Sewell, 2018-01-06 This unique tale is narrated by a lovely, gentle horse named Black Beauty and has remained a children's classic since it was first published in 1877. It earned eternal name and fame for its author Anna Sewell, an invalid who died within a few months of publication. According to current estimates, it has sold more than fifty million copies world wide, been translated into many languages and delighted generations of children. The original title page reads: Black Beauty: Translated from the original Equine by Anna Sewell and this gives the reader an instant glimpse into what the book will be about. As an autobiography written by a horse and told from his point of view, it was indeed an original and

unique concept for the time. Strangely enough, Anna Sewell never intended the book to be exclusively read by children. She meant it to be a manual for those who worked with horses so that they would develop more compassion and kindness when dealing with these mute beasts. While it apparently talks about animals, the book is a great source of education for human beings too and teaches them how to treat each other with respect, dignity and kindness. The famous opening lines, The first place I can well remember was a large pleasant meadow.... set the tone for the rest of the book. It traces the journey of the beautiful and noble horse, born in privileged circumstances whose life takes a turn for the tragic when her wealthy owner falls on hard times. Sold into a fashionable household, Beauty is ill-treated and uncared for till his health is finally broken. He is sold to a London cabbie and has to earn his keep pulling heavy carriages in all kinds of weather. The treatment of animals, their welfare and the conditions in which they're kept, the often inhuman and cruel attitude of people and animal rights are some of the topics touched upon. It is a book that can be read on several levels. For child readers, it is a delightful tale told by an animal. Adults would recognize the essential humanitarian appeal made by the author. In fact, such was the impact of the book that it led to several landmark legislations regarding animal welfare in Britain and America. Filled with memorable characters, vivid descriptions and poignant scenes, Black Beauty is indeed a fabulous book to settle in with for a pleasant read.

While forthrightly teaching animal welfare, it also teaches how to treat people with kindness, sympathy, and respect. Black Beauty became a forerunner to the pony book genre of children's literature. In 2003, the novel was listed at number 58 on the BBC's survey The Big Read. Black Beauty spends his youth in a loving home, surrounded by friends and cared for by his owners. But when circumstances change, he learns that not all humans are so kind. Passed from hand to hand, Black Beauty witnesses love and cruelty, wealth and poverty, friendship and hardship . . . Will the handsome horse ever find a happy and lasting home? Carefully retold in clear contemporary language, and presented with delightful illustrations, these favorite classic stories capture the heart and imagination of young readers. By retelling the story in a shorter, simpler form, these books become highly engaging for children, and the color illustrations help with both comprehension and interest level.
