The Publishers Weekly ,1873

Rare Set of Sixteen Philadelphia Views William J. Campbell, Philadelphia,

Philadelphia's Cultural Landscape Katharine Martinez,2000 In their day, from 1830 to 1930, the Sartain family of Philadelphia were widely admired as printmakers, painters, art administrators and educators. This collection of essays examines their achievements of three generations of Sartains, from John to his granddaughter Harriet.

Philadelphia's Pencoyd Iron Works: Forging Along the Schuylkill River Kevin Righter,2020 Established on the Schuylkill River in 1852, Philadelphia's Pencoyd Iron Works was a global leader in structural steel and wrought iron for more than eight decades. ... Author Kevin Righter constructs the immense history of the Pencoyd Iron Works.--Back cover

House documents ,1881

THE PUBLISHERS' WEEKLY A JOURNAL SPECIALLY REVOTED TO THE INTERESTS OF THE BOOK AND STATIONERY TRADE ,1876

Pennsylvania Land Records Donna Bingham Munger,1993-09-01 The genealogist trying to locate families, the surveyor or attorney researching old deeds, or the historian seeking data on land settlement will find Pennsylvania Land Records an indispensable aid. The land records of Pennsylvania are among the most complete in the nation, beginning in the 1680s. Pennsylvania Land Records not only catalogs, cross-references, and tells how to use the countless documents in the archive,

but also takes readers through a concise history of settlement in the state. The guide explains how to use the many types of records, such as rent-rolls, ledgers of the receiver general's office, mortgage certificates, proof of settlement statements, and reports of the sale of town lots. In addition, the volume includes: cross-references to microfilm copies; maps of settlement; illustrations of typical documents; a glossary of technical terms; and numerous bibliographies on related topics.

Legal Publishing in Antebellum America M. H. Hoeflich, 2010-04-26 Legal Publishing in Antebellum America presents a history of the law book publishing and distribution industry in the United States. Part business history, part legal history, part history of information diffusion, M. H. Hoeflich shows how various developments in printing and bookbinding, the introduction of railroads, and the expansion of mail service contributed to the growth of the industry from an essentially local industry to a national industry. Furthermore, the book ties the spread of a particular approach to law, that is, the 'scientific approach', championed by Northeastern American jurists to the growth of law publishing and law book selling and shows that the two were critically intertwined.

Bulletin of the Pennsylvania Museum , 1925

Long Before Stonewall Thomas A. Foster, 2007-07-01 2007 Choice Outstanding Academic Title Although the 1969 Stonewall riots in New York City symbolically mark the start of the gay rights movement, individuals came together long before the modern era to express their same-sex romantic and sexual attraction toward one another, and in a myriad of ways. Some reflected on their desires in quiet solitude, while others endured verbal, physical, and legal harassment for publicly expressing homosexual interest through words or actions. *Long Before Stonewall* seeks to uncover the many iterations of same-sex desire in colonial America and the early Republic, as well as to expand the scope of how we define and recognize homosocial behavior. Thomas A. Foster has assembled a pathbreaking, interdisciplinary collection of original and classic essays that explore topics ranging from homoerotic imagery of black men to prison reform to the development of sexual orientations. This collection spans a regional and temporal breadth that stretches from the colonial Southwest to Quaker communities in New England. It also includes a challenge to commonly accepted understandings of the Native American berdache. Throughout, connections of race, class, status, and gender are emphasized, exposing the deep foundations on which modern sexual political movements and identities are built.

The Best Novels of the Nineties Linda Parent Leshner, 2015-11-17 This reader's guide provides uniquely organized and up-to-date information on the most important and enjoyable contemporary English-language novels. Offering critically substantiated reading recommendations, careful cross-referencing, and extensive indexing, this book is appropriate for both the weekend reader looking for the best new mystery and the full-time graduate student hoping to survey the latest in magical realism. More than 1,000 titles are included, each entry citing major reviews and giving a brief description for each book.
