The Word Was Made Flesh Roderick L. Evans, 2011-01-13 Since the earliest days of Christianity, there have been continual doctrinal battles concerning the faith. As time passed, theologians presented new theories and “revelations” concerning God and His word. Because of this, many are unsure of what to believe and of what is the proper way to approach God in religion and relationship. In this series, we will reflect on the correlation between religion, relationship, and righteousness in Christianity. Book 2 of 3.

God-Man George W. Carey, 2015-07-19 Excerpt from God-Man: The Word Made Flesh The hour has struck that opens the door for a New Dispensation for man, and the standing prophecy, proclaimed, trumpet-tongued, down thru the ages, is now being fulfilled. The old order is dying Amidst its worshippers. God's loosened thunders shake the world! Across the lurid sky the war birds scream! Earth's millions die! Fear and woe unutterable! The fires of purification are lighted! Into the cosmic melting pot has been cast hate, race prejudice, selfishness and the devils of greed! The towers of superstition and tyranny are falling! The thrones and scepters of kings lie scattered and crushed along the highway of nations! Pride has fallen from its insecure pinnacle of shame! The rich are terror stricken! Their silver has been cast into the street! Their gold has been removed from them! The merchants of the earth weep and mourn, for no man buyeth their merchandise! The churches are in panic! The liquor power rages! The gambler is terror stricken! The grafting politician seeks a hiding place and finds none! The briber flees when no man pursueth! The priest and preacher pray, but no help comes, for they, too must be judged! The harlot alone seems unafraid, because she is not a hypocrite, and has heard the words, The harlots will enter the kingdom before you! Mankind has gone to the limit of animalism! The soul walks forth, naked and ashamed. It is high noon of the Judgment Day. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Life-study of John Witness Lee,2023-09-26 Although the language of the Gospel of John is simple, this book is deep and profound. In this life-study, Witness Lee shows that the Bible is a book of life and building and that the Gospel of John also is focused on life and building. The Gospel of John reveals that in Christ, the Word of God, is life; that He came that man may

have life; and that He Himself is life. Furthermore, this Gospel shows that Christ is the bread of life; that He has the water of life; that He gives life to man; and that He even lives in man as life. The Gospel of John also unfolds the divine building. In 1:14, we see that Christ in the flesh was the tabernacle for God's habitation among men on earth. In 2:19-21, Christ's human body was also the temple of God on earth. Through His death, His body in the flesh was destroyed, and in His resurrection, He raised up His mystical body, the church, to be the enlarged temple of God. This is God's building in the universe. Furthermore, this Gospel reveals that the believers are to be built up to be the Father's house, the dwelling place of the Triune God. This is adequately and fully disclosed in John 14. According to that chapter, all the believers will be built together as God's eternal habitation with many abodes. Thus, as the Lord's last prayer in John 17 indicates, all His believers must be built up into one. The first section of the Gospel of John, composed of the first 13 chapters, is on the coming of the Lord Jesus to bring God into man and to declare God to man. The second section, composed of the last eight chapters, is on the Lord's going in death and coming back in resurrection to bring man into God and to abide in and with man for God's building.

The Vision of Vatican II Ormond Rush, 2019-06-27 2020 Catholic Press Association first place award, theology--theological and philosophical studies This book is unique in the literature about Vatican II. From the manifold issues debated at the council and formulated in its sixteen documents, Ormond Rush proposes that the salient features of "the vision of Vatican II" can be captured in twenty-four principles. He concludes by proposing that these principles can function as criteria for assessing the reception of the conciliar vision over the last five decades and into the future. There is no other book that attempts such a comprehensive synthesis of the council's vision for renewal and reform of the Catholic Church.
