Ancient Greek Myth in World Fiction since 1989 Justine McConnell, Edith Hall, 2016-06-02 Ancient Greek Myth in World Fiction since 1989 explores the diverse ways that contemporary world fiction has engaged with ancient Greek myth. Whether as a framing device, or a filter, or via resonances and parallels, Greek myth has proven fruitful for many writers of fiction since the end of the Cold War. This volume examines the varied ways that writers from around the world have turned to classical antiquity to articulate their own contemporary concerns. Featuring contributions by an international group of scholars from a number of disciplines, the volume offers a cutting-edge, interdisciplinary approach to contemporary literature from around the world. Analysing a range of significant authors and works, not usually brought together in one place, the book introduces readers to some less-familiar fiction, while demonstrating the central place that classical literature can claim in the global literary curriculum of the third millennium. The modern fiction covered is as varied as the acclaimed North American television series *The Wire*, contemporary Arab fiction, the Japanese novels of Haruki Murakami and the works of New Zealand's foremost Maori writer, Witi Ihimaera.

Keith Johnstone Theresa Robbins Dudeck, 2013-08-15 Keith Johnstone entered the Royal Court Theatre as a new playwright in 1956: a decade later he emerged as a groundbreaking director and teacher of improvisation. His decisive book *Impro* (1979), described Johnstone's unique system of training: weaving together theories and techniques to encourage spontaneous, collaborative creation using the intuition and imagination of the actors. Johnstone has since become world-renowned, inspiring theatre greats and beginners alike; and his work continues to influence practice within and beyond the traditional theatre. Theresa Robbins Dudeck is the first author to rigorously examine Johnstone's life and career using a combination of archival documents - many from Johnstone's personal collection - participant observation, and interviews with Johnstone, his colleagues and former students. *Keith Johnstone: A Critical Biography* is a fascinating journey through

the physical spaces that have served as Johnstone's transformative classrooms, and into the conceptual spaces which inform his radical pedagogy and approach to artistic work.

Reading in the Wild Donalyn Miller, 2013-10-21 In *Reading in the Wild*, reading expert Donalyn Miller continues the conversation that began in her bestselling book, *The Book Whisperer*. While *The Book Whisperer* revealed the secrets of getting students to love reading, *Reading in the Wild*, written with reading teacher Susan Kelley, describes how to truly instill lifelong wild reading habits in our students. Based, in part, on survey responses from adult readers as well as students, *Reading in the Wild* offers solid advice and strategies on how to develop, encourage, and assess five key reading habits that cultivate a lifelong love of reading. Also included are strategies, lesson plans, management tools, and comprehensive lists of recommended books. Copublished with Editorial Projects in Education, publisher of *Education Week* and *Teacher* magazine, *Reading in the Wild* is packed with ideas for helping students build capacity for a lifetime of wild reading. When the thrill of choice reading starts to fade, it's time to grab *Reading in the Wild*. This treasure trove of resources and management techniques will enhance and improve existing classroom systems and structures. —Cris Tovani, secondary teacher, Cherry Creek School District, Colorado, consultant, and author of *Do I Really Have to Teach Reading?* With *Reading in the Wild*, Donalyn Miller gives educators another important book. She reminds us that creating lifelong readers goes far beyond the first step of putting good books into kids' hands. —Franki Sibberson, third-grade teacher, Dublin City Schools, Dublin, Ohio, and author of *Beyond Leveled Books* *Reading in the Wild*, along with the now legendary *The Book Whisperer*, constitutes the complete guide to creating a stimulating literature program that also gets students excited about pleasure reading, the kind of reading that best prepares students for understanding demanding academic texts. In other words, Donalyn Miller has solved one of the central problems in language education. —Stephen Krashen, professor emeritus, University of Southern California

**Hard Labor** Cesare Pavese,2025-06-17 A landmark translation of passionate, fiercely intelligent poetry about coming of age by one of the most influential Italian writers of the twentieth century. In the spring of 1935, the young Cesare Pavese was sentenced, for antifascist activities, to three years of detention in a small seaside village in Calabria. Far away from his familiar life in the city of Turin and forced to rely on his own resources, he began to write poems of tremendous power, in terse lines and unsentimental language, giving voice to country people and hard country lives untainted by the propaganda of Fascism. When I found my friends, I found my real home— / land so worthless a man's got a perfect right / to do absolutely nothing. Though Pavese is now most famous for his fiction, he was a poet first of all, and *Hard Labor* was the work for which he hoped to be remembered. It is a book, he once said, that might have saved a generation. William Arrowsmith's translations—with their strong lines and bold American diction—marvelously convey the spirit and complex vitality of the original.

**Writers' Handbook 2026** J. Paul Dyson,2025-07-10 The 2026 edition of firstwriter.com's annual directory for writers is the perfect book for anyone searching for literary agents, book publishers, or magazines. It contains over 1,400 listings, including revised and updated listings from the 2025 edition, and over 200 brand new entries. Finding the information you need is now quicker and easier than ever before, with multiple tables and a detailed index, and unique paragraph numbers to help you get to the listings you're looking for. The variety of tables helps you navigate the listings in different ways, and includes a Table of Authors, which lists over 5,000 authors and tells you who represents them, or who publishes them, or both. The number of genres in the index has expanded to over 950. So, for example, while there was only one option for "Romance" in previous editions, you can now narrow this down to Historical Romance, Fantasy Romance, Supernatural / Paranormal Romance, Contemporary Romance, Diverse Romance, Erotic Romance, Feminist Romance, Christian Romance,

or even Amish Romance. The new edition includes: · Over 600 literary agents and agencies; · Over 350 magazines; and · Over 400 publishers that don't charge fees. International markets become more accessible than ever, with listings that cover both the main publishing centres of New York and London, as well as markets in other English-speaking countries. With more and more agents, publishers, and magazines accepting submissions online, this international outlook is now more important than ever. There are no adverts, no advertorials, and no obscure listings padding out hundreds of pages. By including only what's important to writers – contact details for literary agents, publishers, and magazines – this directory is able to provide more listings than its competitors, at a lower price. The book also allows you to create a subscription to the firstwriter.com website for free until 2027. This means you can get free access to the firstwriter.com website, where you can find even more listings, and also benefit from other features such as advanced searches, daily email updates, feedback from users about the markets featured, saved searches, competitions listings, searchable personal notes, and more. "I know firsthand how lonely and dispiriting trying to find an agent and publisher can be. So it's great to find a resource like firstwriter.com that provides contacts, advice and encouragement to aspiring writers. I've been recommending it for years now!" ~ Robin Wade; literary agent at the Wade & Doherty Literary Agency Ltd, and long-term firstwriter.com subscriber

Growing Readers Kathy Collins, 2023-10-10 Primary-grade teachers face an important challenge: teaching children how to read while enabling them to build good habits so they fall in love with reading. Many teachers find the independent reading workshop to be the component of reading instruction that meets this challenge because it makes it possible to teach the reading skills and strategies children need and guides them toward independence, intention, and joy as readers. In *Growing Readers*, Kathy Collins helps teachers plan for independent reading workshops in their own classrooms. She describes the structure of the independent reading workshop and other components of a balanced literacy program that work together to ensure young students grow into strong, well-rounded readers. Kathy outlines a sequence of possible units of study for a yearlong curriculum. Chapters are devoted to the individual units of study and include a sample curriculum as well as examples of mini-lessons and reading conferences. There are also four "Getting Ready" sections that suggest some behind-the-scenes work teachers can do to prepare for the units. Topics explored in these units include: print and comprehension strategies; reading in genres such as poetry and nonfiction; connecting in-school reading and out-of-school reading; developing the strategies and habits of lifelong readers. A series of planning sheets and management tips are presented throughout to help ensure smooth implementation. We want our students to learn to read, and we want them to love to read. To do this we need to lay a foundation on which children build rich and purposeful reading lives that extend beyond the school day. The ideas found in *Growing Readers* create the kind of primary classrooms where that happens.

**The Bettencourt Affair** Tom Sancton, 2018-08-07 An NPR Best Book of 2017 Heiress to the nearly forty-billion-dollar L'Oréal fortune, Liliane Bettencourt was the world's richest woman and the fourteenth wealthiest person. But her gilded life

took a dark yet fascinating turn in the past decade. At ninety-four, she was embroiled in what has been called the Bettencourt Affair, a scandal that dominated the headlines in France. Why? It's a tangled web of hidden secrets, divided loyalties, frayed relationships, and fractured families, set in the most romantic city—and involving the most glamorous industry—in the world. The Bettencourt Affair started as a family drama but quickly became a massive scandal, uncovering L'Oréal's shadowy corporate history and buried World War II secrets. From the Right Bank mansions to the Left Bank artist havens; and from the Bettencourts' servant quarters to the office of President Nicolas Sarkozy; all of Paris was shaken by the blockbuster case, the shocking reversals, and the surprising final victim. It all began when Liliane met François-Marie Banier, an artist and photographer who was, in his youth, the toast of Paris and a protégé of Salvador Dalí. Over the next two decades, Banier was given hundreds of millions of dollars in gifts, cash, and insurance policies by Liliane. What, exactly, was their relationship? It wasn't clear, least of all to Liliane's daughter and only child, Françoise, who became suspicious of Banier's motives and filed a lawsuit against him. But Banier has a far different story to tell... The Bettencourt Affair is part courtroom drama; part upstairs-downstairs tale; and part character-driven story of a complex, fascinating family and the intruder who nearly tore it apart.
