La Famiglia Bianco Apollo Dante,2011-01-06 This is the story of Joey Bianco, a bastard child brought into this world February 1943 by Sarifino Fucelli an eighteen year old unmarried Sicilian girl. Rose and Joe Fucelli her parents are proud Sicilians suffering the stigma, embarrassment, and humiliation their daughter visited on their family. Sarifino had the misfortune of bearing Joseph Joey Boy Carluchi son. Joey Boy is a married man with children he is also the brutal under boss of his father in-laws powerful Mafia Family. Sarifino is suffering severe abdominal pain after giving birth; Rose found her the following morning in a pool of blood dead. The neighborhood gossip accused Joey Boy of being the father he vehemently denied it. Absent love, compassion, or concern for the well being of his offspring he decided to remove the evidence. He sent his son to an orphanage in Washington DC thinking that will stop the gossip and calm his wife down. This story chronicles the anthology of Joey Bianco. Due to his indomitable spirit and tenacity he managed to overcome a Catholic orphanage and a snake pit the State calls an orphanage. Surviving brutal inhumane totalitarian treatment received in countless foster homes, told every day of his life he is not wanted, worthless, stupid, and will never amount to anything. He ran away at an early age embracing the street, his only options survive or die. He chose his destiny with a single minded purpose relentlessly perusing that destiny allowing nothing to stand in his way making no apologies for the path he chose. Apollo Dante

**Candy** Mian Mian,2024-09-24 An international literary phenomenon -- now available for the first time in English translation -- Candy is a hip, harrowing tale of risk and desire, the story of a young Chinese woman forging a life for herself in a world seemingly devoid of guidelines. Hong, who narrates the novel, and whose life in many ways parallels the author's own, drops out of high school and runs away at age 17 to the frontier city of Shenzhen. As Hong navigates the temptations of the city, she quickly falls in love with a young musician and together they dive into a cruel netherworld of alcohol, drugs, and excess, a life that fails to satisfy Hong's craving for an authentic self, and for a love that will define her. This startling and subversive novel is a blast of sex, drugs, and rock 'n' roll that opens up to us a modern China we've never seen before. Banned in China -- with Mian Mian labeled the 'poster child for spiritual pollution' -- Candy still managed to sell 60,000 copies, as well as countless additional copies in pirated editions. Candy has been published in eight countries to date and has become a bestseller in France.

**Always Red** Isabelle Ronin,2017-11-07 A demolished man. A heartbroken woman. And the intense love that will rebuild them both. The highly anticipated and epic conclusion to the Chasing Red duology. Red, Caleb whispered. Do you know how I felt when you left me? I looked into his eyes. The emotion I saw in them, the intensity, and the tenderness filled up my throat. I felt ruined. Because, Red, every time you break me apart, you put me back together. And I always come out better than before. So, he cupped my face, stroking my cheek with his thumb. Ruin me. Praise for Wattpad sensation Isabelle Ronin's Chasing Red: Chasing Red is a perfectly sweet romance, with just the right amount of spice.—Foreword Reviews Readers will be chomping at the bit while waiting for the next installment!—RT Book Reviews Readers will swoon over Caleb.—Publishers Weekly

**Wifey** Judy Blume,2011-12-01 With more than four million copies sold, Wifey is Judy Blume's hilarious, moving tale of a woman who trades in her conventional wifely duties for her wildest fantasies—and learns a lot about life along the way. Sandy Pressman is a nice suburban wife whose boredom is getting the best of her. She could be making friends at the club, like her husband keeps encouraging her to do. Or working on her golf game. Or getting her hair done. But for some reason, these things don't interest her as much as the naked man on the motorcycle...

**The Zane Collection #3** Zane,2012-07-17 Three provocative and sensual novels from New York Times bestselling author Zane. Afterburn Weaving the carnal and the comical in true Zane fashion, two hapless lovers' struggle to find love in a world gone mad is a timeless talk about everything that can go wrong in the dating game—and a few things that can go right.

Total Eclipse of the Heart When a tragic event brings Brooke and Damon together, they see truths about their relationships they never wanted to accept. Sometimes two people meet by pure chance, but sometimes it's a total eclipse of the heart. The Hot Box Best friends Milena and Lydia are playing the game with Jacour, Yosef, Glenn, and Phil. The only problem: the men do not realize that they are playing. Milena lives a sheltered and dismal existence and has not allowed a man to touch her body in eight years . . . until now. Lydia dreams of getting away from small-town America but, until she can make that happen, she is prepared to do whatever it takes to continue to have her bills paid . . . on time. Good sex always does the trick. Two women. Four men. Two love triangles. Reading has never been this hot because, once again, Zane is taking you outside the box.

**Everyday Outrages** Charles Harper Webb, 1989

*Allegedly* Tiffany D. Jackson, 2017-01-24 4 starred reviews! Orange Is the New Black meets Walter Dean Myer's *Monster* in this gritty, twisty, and haunting debut by Tiffany D. Jackson about a girl convicted of murder seeking the truth while surviving life in a group home. Mary B. Addison killed a baby. Allegedly. She didn't say much in that first interview with detectives, and the media filled in the only blanks that mattered: a white baby had died while under the care of a churchgoing black woman and her nine-year-old daughter. The public convicted Mary and the jury made it official. But did she do it? There wasn't a point to setting the record straight before, but now she's got Ted—and their unborn child—to think about. When the state threatens to take her baby, Mary's fate now lies in the hands of the one person she distrusts the most: her Momma. No one knows the real Momma. But does anyone know the real Mary?

**Framed in Blood** Ed Teja, If the corruption runs deep and the crime is dark, it might be a proper crime... When Sherry Proper latches onto a crime, begins digging deep into what is really going on, she doesn't let go. Some people want to stop her, especially the power brokers who run crime, the ones profiting from things as they are. Brace for the inevitable collision. Sherry is ready for it. Are you? Grab a copy now.

**Mono-Earth: The War of the Egg** R.F.G. Cameron, 2017-06-30 Animals, Monsters, or People? The 'simple' line between our reality when awake and our nightmares when asleep can be very thin. In our fiction we are the innocent victims of monsters intent upon taking everything from us, including our lives. In a world where corporations and governments work together to find 'new frontiers' to strip for a profit, who decides if a creature from another world is an animal, a monster, or a person? What happens when we are the monsters another species has very good reason to fear? Note: Word Count is 144,958 words, as Page Count can vary by size format (Trade versus Pocket Book) and typography.

**Big Money** Jack Getze, 2008-03 A scruffy stockbroker returns to tangle with mobsters, women and his own big mouth. The good news, as the story opens, is that the hero is in the company of a gorgeous naked lady. The bad news is that she's pointing a shotgun at him. It's a typical predicament for Austin Carr, a semi-shady New Jersey financial professional

temporarily in charge of Shore Securities while his boss is on vacation. But market fluctuations are the least of Carr's worries. He's being extorted into opening a money-laundering account for local crime boss Bluefish; an auditor who was investigating his company has turned up murdered; a fetching state police captain figures he's the key to her organized-crime probe; and his boss's mother has been picked up for fixing her church bingo game. Carr is continually getting into trouble over his weakness for breasts, his penchant for self-incriminating statements and his vestigial moral sensibility, which, like an appendix, makes itself felt at inconvenient times. On the plus side, he's got his noble Mexican buddy Luis, a boyish grin for placating angry females, an occasional glimmer of perceptiveness and a stock salesman's gift for closing the deal, even with people who are preparing to throw his weighted body into the ocean.

**Chocolate, Please** Lisa Lampanelli, 2009-08-27 An inside look at the life of Comedy's Lovable Queen of Mean, Lisa Lampanelli, as she dishes on everything from relationships, food, and fat to why once you go black, you never go back In her jaw-droppingly hilarious and politically incorrect memoir, Lisa reveals all—including the dysfunctional childhood that made her the insult comic she is today, the subject for which she's best known (black men, black men, and more black men), and her hilarious struggles with her addiction to food and hot guys. By telling her story in her very real, very candid, very open way, Lisa shows her audience that it's okay to be yourself, even if it's just one rehab stint at a time. Lisa also takes readers behind the scenes at the roasts that have marked her comedy career and launched her into the comedy elite, and reveals the important firsts in her career, including her first time on her hero's program, The Howard Stern Show. Chocolate, Please is a side-splittingly funny portrait of the woman behind the award-winning insult comedy.

Risk of Ruin Arnold Snyder,2012-11-01 SHE'S GOD. HE'S A GAMBLER. IT'S A MATCH MADE IN HEAVEN ... OR HELL? Risk of Ruin is a love story unlike any you've ever read—dark, disturbing, irreverent, some might say sacrilegious—while protagonists Bart and Stacy may be the most compelling misfits to go on the lam since Bonnie and Clyde. The first work of fiction to be released by well-known gambling expert and author Arnold Snyder, Risk of Ruin is a provocative story of crime, passion, rebellion, and possible redemption that attempts to answer a question that has tormented gambling men since Adam placed that all-in bet on Eve: Is she worth the risk?

**Getting It in the Head: Stories** Mike McCormack,2021-04-06 The acclaimed debut from the author of Booker-listed Solar Bones is a dark, uncanny collection of stunning breadth and audacity. In this gothic, virtuoso debut collection, Mike McCormack dispenses nightmares both stylish and macabre. “A Is for Ax” offers an alphabetized account of the killing of a parent, while the title story tracks a chilling sibling rivalry. Others tell of a quiz on the road to Calvary, a door-to-door saleswoman trafficking in strange and menacing feats, and a self-mutilating artist pushing himself to the limit. These sly and dangerous stories, balanced on a knife's edge between life and death, showcase a young writer's mastery of wicked formal play.
