*Motivational Quotes By Vince Baker & Smith Wigglesworth* Vince Baker,2025-02-28 IT'S AMAZING HOW A SMALL ONE-LINER QUOTE CAN CHANGE THE WORLD! It all started when I was seventeen, driving in my car. God manifested Himself to me in such a powerful way that it was undeniable. After this experience, I asked my mom to lead me to the Lord; at that time, she was also having a revival of her own with the Lord. Within a few days, it was my birthday, and my grandmother gave me a book about Smith Wigglesworth called The Secret of His Power. This book so impacted me and set the course of my Christian life. From many of the things I read about in Smith Wigglesworth's life, God started talking to me more about what He wanted to do in my life. The catch was that it wouldn't happen until later in my life. A part of my preparation came in the form of quotes. I wrote down and studied quotes from Smith Wigglesworth that highly impacted my life. One of his famous quotes is, "I am not moved by what I see or hear but by what I believe." If you know anything about Smith Wigglesworth, you will find he came up with many powerful quotes. He would say these one-liners that could infuse faith in people. What made them so impactful was the life he lived and the miracles God did through him. As time passed, one day,

God said to me, “Why don’t you come up with your own quotes.” This was such a novel idea that I had never thought about. What happened next was utterly amazing! God started downloading me with quotes, and I couldn’t write them down fast enough. Whenever the quote would come to me, I would make sure not to lose it. This went on for years, and it still happens to me. I believe I have somewhere around 1,500 quotes now, and all of them came from God. The closest person I can relate to is King Solomon. When God gave King Solomon wisdom, he wrote down over 3,000 Proverbs. A quote is close to a proverb. God gave me quotes like He gave King Solomon's proverbs. I cannot take any credit for the quotes in the book. I give God ALL the glory. Whenever I go back over the quotes God gave me, they continue to affect me profoundly. History is filled with men and women of God, legends, and influential people who created and spoke inspirational quotes. If you are going to do anything significant for God, you will need to have your own set of quotes you live by. You are affected by quotes more than you realize! You can learn a lot about a person by the quotes they come up with or think about. The greater the quotes a person thinks about, the more success they will have. You must create and live by motivational quotes to leave a lasting legacy. In this book, you will discover many life-changing quotes designed to alter your Divine destiny when you live by them. **DISCOVER THE POWER OF MOTIVATIONAL QUOTES:** Great quotes can pack a lot of power in a time of need! Profound quotes can alter your destiny by how it impacts you. You can draw a lot of strength and wisdom from a great quote. Sometimes, all it takes is the perfect quote to get you to the next level. Behind every legend is a stack of extraordinary and powerful quotes. Never underestimate the effect a powerful quote can have on your life. Ordinary people can become extraordinary once they choose to live by great quotes. **A Girl Named Maria** Valerie S. Kreutzer, 2008-12 She was found abandoned in the lavatory of a little cafeteria in Bogota, Colombia, and the police who picked her up named her Consuelo. The toddler quickly bonded with her new mother in Washington D.C. She struggled with a severe learning disability, despite a superior I.Q., and blossomed into an award-winning young artist. Her impulsive behavior led to fits and false starts during adolescence, until she found happiness at twenty-one with David and his extended family. Their love and lives ended in the curve of a rural road in Florida.--Cover.

**To Believe or Not to Believe** Jack Perkins, DMin. LADC, 2022-10-12 Research has shown there is a great divide between the church and the unaffiliated, to include those who tend toward atheism. This concern inspired the author to step away from full-time ministry to work as a counselor in a state-owned and -operated residential facility to better understand the thought processes of those who are not invested in Christianity. He became aware of an us-versus -them mindset held by some Christians; this attitude has resulted in Christians drawing a tight circle around themselves that has created a barrier for reaching those not affiliated with the church. There are several consequences. First, it has resulted in a deep decline in baptisms and church affiliation for churches; less than 50 percent of Americans surveyed are members of a church. Second, it has resulted in Christians believing there is no hope for those outside the church. Third, the gospel presentation utilized by many is to continually make jabs at the unaffiliated, bordering on a scare tactic. Too many churches have attempted to use revival-era styles of evangelism, contemporary approaches, and/or a social perspective; however, the chasm has widened. This book takes an in-depth look at the philosophical systems that keep people from embracing Christianity. The author also provides a theological model for helping others understand a theological base for the Christian worldview. The greatest contribution of the book is the way it offers hope for reaching the unaffiliated and provides practical ways of connecting with those outside the church.

Mark Twain: A Christian Response to His Battle With God Ray Comfort, 2014-10-01 From the pages of a long-hidden manuscript written by a man filled with disappointment and anger, you will discover the truth about Mark Twain's

embittered battle with God! Evidence in his work that proves he wasn't an atheist Selections from his letters and popular works that reveal his confused faith Perspectives from Twain on God that echo modern criticism and doubts. Twain was a very popular and gifted speaker with a carefully cultivated image. Few knew he secretly wrote a manuscript complaining bitterly about the God of the Bible, citing hypocrisy and cruelties, like there would be no sex in heaven. Twain decided to have his book published 100 years after his death in the hope that society would then be open-minded enough to listen. Ray Comfort searches through volumes of Twain's writings to develop a comprehensive answer to this profound writer of the Adventures of Huckleberry Finn, and a man who suffered much. Discover Twain's arguments with God and a powerful response that helps strengthen your faith and understanding of our loving Creator!

**The Pat Boone Fan Club** Sue William Silverman, 2014-03-01 Gentile reader, and you, Jews, come too. Follow Sue William Silverman, a one-woman cultural mash-up, on her exploration of identity among the mishmash of American idols and ideals that confuse most of us—or should. Pat Boone is our first stop. Now a Tea Party darling, Boone once shone as a squeaky-clean pop music icon of normality, an antidote for Silverman's own confusing and dangerous home, where being a Jew in a Christian school wasn't easy, and being the daughter of the Anti-Boone was unspeakable. And yet somehow Silverman found her way, a "gefilte fish swimming upstream," and found her voice, which in this searching, bracing, hilarious, and moving book tries to make sense of that most troubling American condition: belonging, but to what? Picking apricots on a kibbutz, tramping cross-country in a loathed Volkswagen camper, appearing in a made-for-television version of her own life: Silverman is a bobby-soxer, a baby boomer, a hippy, a lefty, and a rebel with something to say to those of us—most of us—still wondering what to make of ourselves.
