

# Laura Imai Messina Malattia

**Paolo Milone**

*L'Isola dei battiti del cuore* Laura Imai Messina, 2022-10-11 «Per essere felici, serve innanzitutto immaginare di essere felici.» Nel sud-ovest del Giappone, in una pozza di mare condivisa da due province, Kagawa e Okayama, nuota un'isoletta unica al mondo: Teshima. Sulla punta orientale dell'isola, sorge un minuscolo edificio in cui sono catalogate le pulsazioni del cuore di decine di migliaia di persone, alcune vive altre già ombre, provenienti dai luoghi più disparati del pianeta. Si chiama Shinzō-on no Ākaibu, l'Archivio dei Battiti del Cuore. Alle porte di Tōkyō, in una cittadina lambita dall'oceano e circondata dalle montagne, sorge la casa dove Shūichi ha trascorso l'infanzia e dove ha appena fatto ritorno. Shūichi è un noto illustratore, ha quarant'anni e una cicatrice in mezzo al petto. È ossessionato dal proprio cuore che si ausculta ogni sera e dalle memorie confuse che ha del passato. Sua madre, per proteggerlo dai dispiaceri, ne ha manipolato i ricordi d'infanzia: di tutti i suoi piccoli drammi gli ha sempre raccontato una versione migliore. Ma se non si ha la certezza di aver sofferto in passato e di avercela fatta, da dove si ricava il coraggio di tentare ancora? È allora che Shūichi si accorge di un misterioso bambino che si aggira intorno alla casa. Questa strana presenza fa nascere in Shūichi molte domande: chi è quel bambino che lo osserva e perché ha scelto la sua casa? E soprattutto: come si pesca un pesce-bambino? Shūichi scopre che il pesce-bambino si chiama Kenta, ha otto anni e vive prodigiose avventure nella solitudine più assoluta. Ma il pesce-bambino che è Kenta e il disegnatore surfista che è Shūichi, stringono giorno dopo giorno una straordinaria amicizia e quell'incontro cambierà per sempre la loro vita. Li porterà in un luogo che batte al ritmo del cuore, pronunciato in tutte le lingue del mondo. È Teshima, un'isoletta remota nel sud-ovest del Giappone, dove sorge l'Archivio dei Battiti del Cuore. Dopo Quel che affidiamo al vento, Laura Imai Messina torna a un luogo incredibile eppure reale del Giappone. E, nel viaggio in cui ci conduce, ci permette di avvicinarci a un modo diverso di concepire la vita e i suoi smarrimenti. Ma soprattutto ci dona una delle chiavi essenziali per interpretare il presente: quella per ritrovare la felicità perduta.

*The Art of Binding People* Paolo Milone, 2023-04-04 From one of Italy's most brilliant psychiatrists, a moving and transformative journey into the most mysterious, heartbreaking, and awe-inspiring corners of the human mind We speak of doctors most often as heroes, martyrs, or victims. Drawing from forty years of experience working in an emergency psychiatric ward, Paolo Milone offers a more complex--and more compelling--picture. With prose at once direct and lyrical, he transports us inside Ward 77, where mental illness coexists with the ordinary lives of those who, at the end of their shifts,

take their white coats off and have to remember to buy milk. In this unsettling, absorbing, and transformative memoir Milone vividly conveys the curiosity and passion, the recurring sense of exasperation and dismay, and the humility and sense of wonder of those who have chosen to look into the abyss through the eyes of the other. The Art of Binding People challenges many of our assumptions about mental health, as we follow nurses, doctors, and patients along the hospital corridors, we listen to their screams and silences, and we enter the lives of those living on both sides of the invisible, arbitrary line that separates the healthy from the sick. Told with humor and compassion, Paolo Milone's English-language debut is a work of striking humanity that conjures lasting beauty out of the darkness.

### Unveiling the Power of Verbal Artistry: An Psychological Sojourn through **Laura Imai Messina Malattia**

In some sort of inundated with screens and the cacophony of instant communication, the profound energy and emotional resonance of verbal artistry frequently disappear in to obscurity, eclipsed by the regular onslaught of sound and distractions. Yet, nestled within the lyrical pages of **Laura Imai Messina Malattia**, a interesting perform of fictional brilliance that impulses with organic emotions, lies an unforgettable trip waiting to be embarked upon. Composed with a virtuoso wordsmith, that interesting opus instructions readers on a psychological odyssey, gently revealing the latent potential and profound influence stuck within the elaborate internet of language. Within the heart-wrenching expanse of the evocative examination, we can embark upon an introspective exploration of the book is main styles, dissect its charming publishing style, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
