*Indian Social Milieu in the novels of Chetan Bhagat and Aravind Adiga* Dr.Harleen Kaur Ruprah,2023-10-31 Many writers are also social critics who aptly use their platform to raise awareness of social issues, challenge power structures and promote social change. Aravind Adiga and Chetan Bhagat are two such writers who have mirrored the true face of the modern society unveiling the core mindset of the youth. Both the writers are activists of the present age who highlight social issues concerning bribery, poverty, dishonesty, casteism, corruption and degeneration of values in the Indian contemporary society. Their novels are the amalgamation of fantasy and reality. They have portrayed a true face of modern Indian society by describing the change in social, cultural as well as political scenario through their imaginary characters.

*Postliberalization Indian Novels in English* Aysha Iqbal Viswamohan,2013-04-15 “Postliberalization Indian Novels in English: Politics of Global Reception and Awards” is a critical handbook that focuses on trends in contemporary Indian novels and discusses the global reception of these works. The volume provides a systematic approach to the study of Indian novelists that have not been (with certain exceptions) extensively examined.

**Indian Popular Fiction** Prem Kumari Srivastava,Mona Sinha,2021-11-24 The scholarly essays in this book open up experimental and novel spaces and genres beyond the traditional and the literary world of Indian Popular Fiction as it existed towards the end of the last millennium. They respond to the possibilities opened up by the technology-driven and internet-savvy reading and writing world of today. Contemporaneous and bold, most of the essays resonate with the racy and fast-paced milieu and social media space inhabited by today's youth. Combative in its drift, this book makes possible an attempt to disband hierarchies and dismantle categories that have engulfed the expansive landscape of Indian Popular Fiction for too long. It facilitates discussion on graphic novels, microfiction, popular-entertainment and political satire on television and celluloid, social media-driven romances existing in the domain of the 'real' rather than that of 'fantasy' and mythological readings against the backdrop of gender and politics. Aimed at facilitating further research by scholars and enthusiasts of Indian Popular Fiction, this book is also an ode to the current trends generated by social and internet media cosmos. This book is co-published with Aakar Books, New Delhi. Taylor & Francis does not sell or distribute the print versions of this book in India, Pakistan, Nepal, Bhutan, Bangladesh and Sri Lanka.

*A History of the Indian Novel in English* Ulka Anjaria, 2015-07-08 A History of the Indian Novel in English traces the development of the Indian novel from its beginnings in the late nineteenth century up until the present day. Beginning with an extensive introduction that charts important theoretical contributions to the field, this History includes extensive essays that shed light on the legacy of English in Indian writing. Organized thematically, these essays examine how English was 'made Indian' by writers who used the language to address specifically Indian concerns. Such concerns revolved around the question of what it means to be modern as well as how the novel could be used for anti-colonial activism. By the 1980s, the Indian novel in English was a global phenomenon, and India is now the third largest publisher of English-language books. Written by a host of leading scholars, this History invites readers to question conventional accounts of India's literary history.

**The Oxford Handbook of Modern Indian Literatures** Ulka Anjaria, Anjali Nerlekar, 2024 The Oxford Handbook of Modern Indian Literatures is a compilation of scholarship on Indian literature from the 19th century to the present in a range of Indian languages. On one hand, because of reasons associated with national academic structures, publishing resources, and global visibility, English writing gets privileged over all the other linguistic traditions in the scholarship on Indian literatures. On the other hand, within the scholarship on regional language literary productions (in Hindi, Marathi, Bengali, etc.), the critical works and the surveys focus only on that particular language and therefore frequently suffer from a lack of comparative breadth and/or global access. Both reflect the paradigm of monolingualism within which much literary scholarship on Indian literature takes place. This handbook instead focuses on the multilingual pathways through which modern Indian literature gets constituted. It features cutting-edge literary criticism from at least seventeen languages, and on traditional literary genres as well as more recent ones like graphic novels. It shows the deep connections and collaborations across genres, languages, nations, and regions that produce a literature of diverse contact zones, generating innovations on form, aesthetics, and technique. Foregrounding themes such as modernity and modernism, gender, caste, diaspora, and political resistance, the book collects an array of perspectives on this vast topic--

**Indian English Novel: Styles & Motives** Dipak Giri, 2018-04-30 About the book: The book Indian English Novel: Styles and Motives is an anthology of twenty two well explored research articles. It presents diverse facets of motive and stylistic approach adopted by the eminent Indian English novelists from time to time. Authors have tried to bring into surface many new ideas related to Indian English novel. Works and authors taken into consideration are made worthy to be discussed in this anthology and the main focus of this anthology lies in throwing light upon the style and the motive of Indian English novel written by both native and diasporic writers. Works of almost all the Indian novelists from late Indian writer Rabindranath Tagore to recent Indian writer Chetan Bhagat are taken into focal point of discussion and the anthology has hardly missed any important master of fiction and his or her important work of art as regards Indian English novel. In addition to content, the introductory note of this anthology is very resourceful to understand the changing trend of style and

motif of Indian English novel. The book will be helpful for both academic and research purposes. About the Editor: Dipak Giri- M.A. (Double), B.Ed. - is a Ph. D. **Indian Popular Fiction** Gitanjali Chawla, Sangeeta Mittal, 2021-10-14 This anthology explores and validates the nuances of Indian popular fiction which has hitherto been hounded by its ubiquitous 'commercial' success. It uncovers popular in its socio-political and cultural contexts. Furthermore, it investigates the vitality embedded in theory and praxis of popular forms and their insurrections in mutants and new age oeuvres and looks to examine the symbiotic bonds between the reader and the author, as the latter articulates and perpetuates the needs of the former whose demands need continual fulfilment. This constant metamorphosis of the popular fueled by neoliberalism and postmodernity along with the shifts in the publishing industry to more democratic 'reader' driven genres is taken up here along with the millennial's fetish for romance, humanized mythical retellings and the evergreen whodunnits. As its natural soulmates, the anthology delves into the interstices of Indian Popular with desi (local) traditions, folk lore, community consciousness and nation building. Please note: This title is co-published with Aakar Books, New Delhi. Taylor & Francis does not sell or distribute the Hardback in India, Pakistan, Nepal, Bhutan, Bangladesh and Sri Lanka.
