Now You See Me Chris McGeorge,2019-09-03 The sole survivor of a boating accident is accused of murder in this “fiendish puzzle that will keep you turning the pages” (Claire McGowan, author of *What You Did* and *The Other Wife*). Six went in . . . only one came out. The Standedge Tunnel, the longest canal tunnel in England, has become one of the rural village of Marsden’s main tourist attractions. Now it’s also a crime scene. Six students went into the tunnel on a private boat. Two and a half hours later, the boat reappeared at the other end of the tunnel carrying only one of the students, Matthew. He had been knocked unconscious and has no memory of what took place in the tunnel. The police suspect he killed his friends, hid the bodies and later moved them to an undisclosed location. But sitting in a cell awaiting trial, Matthew maintains his innocence. When Matthew contacts a famous author asking him for help in return for information he claims to possess about the author’s long-lost wife, it’s an offer that can’t be refused. But before the author can prove Matthew’s innocence, he must first answer a far more unusual question: How did five bodies disappear into thin air? “Phenomenal. An utterly compelling and fiendishly clever read—it blew my mind ten times over. I can’t wait to see what McGeorge does next.” —Francesca Dorricott, author of *After the Eclipse* “Chris McGeorge has a knack for conjuring up the biggest of mysteries in the tightest of spaces. Dark and claustrophobic in all the right places.” —Robert Scragg, author of *End of the Line*

And I Quote Ashton Applewhite, Tripp Evans, Andrew Frothingham, 1992-01-15 Collection of quotes for the successful writer and speechmaker.

Endurance Unwavering Prophetess, 2023-11-14 Epic brilliance. A masterpiece designed to incite the very core of religionism and legalism within the Christian Church and expose it. In this sequel to *Unwavering: Stand Up or Die* by Prophetess of Lies, the author, Unwavering Prophetess raises public awareness about her diabolical encounters with dangerous religious zealots and reveals their evil plots to continuously destroy her and those associated with her. She exemplifies truth in embracing the dark side in times of crisis. The bravery of this author has a marked affect as she takes on the brutality of the religious system and tears it down piece by piece. Watch how this once tormented woman heals and gives glory and thanks to *The Satanic Bible* and Anton Szandor LaVey. Be amazed.

Now You See Her Cecelia Tishy, 2009-05-30 A suddenly psychic 40-something divorcée uses her newly acquired ability in this thrilling new series debut. Regina Cutter is the mother of two grown children and the victim of her husband's midlife

Pearls of Wisdom Mamutty Chola,2019-07-09 The book — Pearls of wisdom presents a historical and panoramic view of human civilization. It is a compilation of quotes /sayings of prophets, philosophers, thinkers, poets, emperors, politicians and business tycoons; on various aspects of human lives; be it religions, ethics, morals, business, principles of governance, evolution of science and technology, besides quotes on Nature, Earth, Soul, Love, Beauty, Human Minds, Human Hearts, and Eyes. There are quotes about the qualities of animals; like Dog, Horse, Lion and their influence on human lives. There are in all 26 sections chapters as reflected in the Index. On perusal of these quotes following facts emerge: 1) The human race loves

to live in peace. The religions, though was intended to achieve peace in society, have unfortunately been one of the main reasons for wars, crimes, destruction, and genocides because of the intolerance among the believers since faith is blind. Rationality had been and is the first casualty. 2) All the religions are the gifts of the East. The gifts of the west are communism and Atheism. 3) Things once considered as blasphemies have come to be accepted as truth. The example of Galileo Galilei is remarkable. 5)The governing principles have been evolutionary. There can never be a uniformed pattern of governance as peoples differ in their thinking and beliefs for that reasons there have been clashes of civilization down the ages. 6)The exploration of our solar systems is the result of endless and insatiable urge in man to unravel nature. The achievements of science and technology belong to the whole of humanity. I have tried to present a snapshot profile of March of human civilization through the voices of the great minds ever walked on mother earth. This compilation will serve as ready reckoner

Cunning Don Herzog,2006 With pointedly mischievous prose, Don Herzog explores what's alluring and what's revolting in cunning. He draws on a colorful range of sources: tales of Odysseus; texts from Machiavelli; pamphlets from early modern England; salesmen's newsletters; Christian apologetics; plays, sermons; philosophical treatises; detective novels; famous, infamous, and obscure historical cases; and more. The book is in three parts, bookended by two murderous churchmen. *Dilemmas* explores some canonical moments of cunning and introduces the distinction between knaves and fools as a time-honored but radically deficient scheme. *Appearances* assails conventional approaches to unmasking. *Surveying* ignorance and self-deception, *Despair?* deepens the case that you ought to be cunning - and then sees what we might say in response.--BOOK JACKET.

Forbidden Truth Deborah Olayinka Almaroof,2014-05-07 Have you ever heard a song or read a poem and thought, I wonder what made the artist sing/write these words? Whats the story behind that song? What does the message actually mean? What memory is the artist reflecting on? Maybe you read a metaphoric poem written by a legendary poet and

wondered what it really meant. Not the interpretations made by many over the years. With *Forbidden Truth*, poet and author Deborah Almaroof gives you her complete vision. She allows you to embark on the mental capacity at the time of each work's creation and gives insight into what each poem means. Deborah Almaroof began writing at a young age, love songs and short stories. At the age of 20, as a sophomore at North Carolina Agricultural and Technical State University, five hours away from her hometown; she found herself alone and unhappy being so far away from her family. She searched for a coping mechanism and one night began to write. It was then that she tapped into a gift she never knew she had; the ability to construct poetry. To her surprise what she initially thought nothing of turned into endless nights up, turning her deepest thoughts into amazing art. At the age of 21, she vowed that at the age of 25 she would release her first poetry book. Here she gives you a collection of her poems and personal quotes, teamed up with her life experiences that inspired them. It has been said that the richest place on earth is a graveyard. Many are buried with unshared riches, gifts, ideas and talents. With this project the author proclaims that no measurement of success comes from the external; critique nor praise compares to the magnitude of success inside these pages. To achieve this goal, first time author and poet Deborah Almaroof says this is her success. Reaching a goal in a world where many people never witness their biggest dreams transform into a reality. *Forbidden Truth* is truly one to sink your teeth into!

But Saskia's elaborate fantasies are soon upstaged by her real-life, long-lost father, who leads Saskia and her best friend Jane on a camping trip that turns into an epic adventure of love, sex, and lies.
