The House of You Connie Bertelsen Young,2020-10-12 BIBLE STUDY FOR SMALL GROUPS Due to the recent Corona Virus pandemic, we were repeatedly advised to wash our hands. But in those emergency announcements, they failed to mention the urgency of washing our hearts, which is where the root of our problems begins. We live in a fallen world and see injustice, sickness, discord, natural disasters and varied heartaches and pains. Even if we are committed believers, we may become dazed by many troubles. When this happens, we turn to Bible answers to be renewed and cleansed from the accumulated grime of the world, whether it is from our own doing or from something else. Connie Bertelsen Young encourages small group participants to ponder some basic issues. She brings a unique approach, comparing one's bodily residence of heart and soul to a house that must be kept clean and orderly. Using everyday household items (from cleaning rags to measuring cups) and common homeowner needs (from grocery shopping to security systems) to explain the heart and soul needs of every person. Those who ache for a personal renovation, need clean up, or want a little change in decorating, can find refreshment. Questions pertaining to the condition of a believer's "house," follow the end of each chapter, gently prompting Christians to penitence and revival. Readers will be reminded how to dwell in peace through obedience to Jesus Christ so that they may shine like a house after a good spring cleaning.

The Unexpected Joy of the Ordinary Catherine Gray, 2019-12-26 **FROM THE SUNDAY TIMES BESTSELLING AUTHOR** 'Life-affirming' - THE TELEGRAPH 'Wonderful' - INDEPENDENT 'She made it her mission to learn how to be default happy rather than default disgruntled' - RADIO 4 - WOMAN'S HOUR 'Take a leaf out of Gray's book and be kinder to yourself by appreciating life just as it is' - IRISH TIMES 'This book came to me in an hour of need - during lockdown when I had to focus on the positive, appreciate simple things, not lose my shit, and value each day. It was a pure joy for me and held my hand' - SADIE FROST 'Interesting and joyful. Lights a path that could help us to build resilience against society's urging to compare life milestones with peers' - LANCET PSYCHIATRY Underwhelmed by your ordinary existence? Disillusioned with your middlin' wage, average body, 'bijou' living situation and imperfect loved ones? Welcome to the club. There are billions of us. The 'default disenchanted'. But, it's not us being brats. Two deeply inconvenient psychological phenomena conspire against our satisfaction. We have negatively-biased brains, which zoom like doom-drones in on what's wrong with our day, rather than what's right. (Back in the mists of time, this negative bias saved our skins, but now it just makes us anxious). Also, something called the 'hedonic treadmill' means we eternally quest for better, faster, more, like someone stuck on a dystopian, never-ending treadmill. Thankfully, there are scientifically-proven ways in which we can train our brains to be more positive-seeking. And to take a rest from this tireless pursuit. Whew. Catherine Gray knits together illuminating science and hilarious storytelling, unveiling captivating research showing that big bucks don't mean big happiness, extraordinary experiences have a 'comedown' and budget weddings predict a lower chance of divorce. She reminds us what an average body actually is, reveals that exercising for weight loss means we do less exercise, and explores the modern tendency to not just try to keep up with the Murphys, but keep up with the Mega-Murphies (see: the social media elite). Come on in to this soulful and life-affirming read, to discover why an ordinary life may well be the most satisfying one of all.

relatable, bite-sized chunks that the busy working family can instantly apply to start living a more balanced life. This is the long-awaited book version of the Pillars of Life poster (acclaimed by Sr. Bishop Emery Lindsay of the Holiness Church). This transformational guide takes the guesswork out of understanding the major truths (The Virtues, the Armor of God, the Fruit of the Spirit, and more) scattered throughout the Bible. We now have all the values God intended for us to have... right at our fingertips. The values are structured into five pivotal elements of existence - Spirit, Mind, Love, Body, and Work. This catalyst for change presents a comprehensive pathway to holistic leadership, steering readers to discover their divine connection, harness their emotional intelligence, embrace unconditional love, honor their physical needs, and align their work with their purpose. Twenty years of deacon leadership and being married with three radiant children, has revealed concepts of balance others yearn for and truly appreciate. Each pillar is therefore organized into Biblical and modern illustrations, reflections, quotes, prayers, practical applications, individual reflection questions, and even group discussion questions. This makes The Pillars of Life appealing to both working families and individuals looking to build a biblically based, well-balanced home in the midst of a confusing world.
