Ready, Fire, Aim Philip Floor,2019-01-10 What are you searching for in life? Is there a void that you are desperately attempting to fill? Are you wondering what might be next? The job, relationship, salary, title, status, and so much more have been the focal point of so many explorations. These things are sought after in hopes of bringing ultimate and sustaining joy. However, they never do. Ready, Fire, Aim is about one person's journey to find sustainable joy by walking back into the one place he swore he would never return to. Through author Philip Floor's stories and the lessons he learned, you too can discover a way to fill the void that will never run empty again. Philip shows how there can be true and sustainable joy found in simply walking back into the local church and saying yes. If you want to make this life worth it—and if what you have been doing isn't working—open this book. If you are skeptical, remember these words. Expecting things to change, without being willing to change, will result in no change—because nothing changed. It's time to make a change. Philip's challenge to you is simple: return to the one place you don't want to go back to, say yes, and ask questions later. Ready, fire, aim.

The Whole Guitar Neck Steven Coco,2022-05-06 Please be sure you have read our introduction at www.TheWholeGuitarNeck.com. We've made our full method introduction available for free there; and it is an integral part of our complete method. Our method is a musically-complete method; and it is not limited to only the diagrams that you may see in the previews. Also: each book is available in right-handed and left-handed formats: be sure to select the correct format.

This book covers the Pentatonic Scale; and is for 6-String Guitar, and Left-Handed players (picking with the left; and fretting with the right hand). The Whole Guitar Neck is an authentic, and concise, guitar method; based only on musical rudiments, and an easy learning path. Primary components are large books of guitar neck charts; of various scales, in all chords, and all modes. Our method brings you a firm grasp, within any fingering on any diagram; along the whole neck. The book is in two parts; and is available for many scales. For the particular scale, the book includes a collection of dozens of large charts for that scale; and each one is given in all chords, and all modes for that scale. Every book also includes our complete method. Our method then gives you all of the musical components; and it will provide you with robust, and easy orientations. You will be able to confidently grip the neck from any position; and have orientation along any musical line of your own. You will gain the perspective of seeing all of the charts from the markers-out; and you will feel oriented at any position. Our musical method is also applied to your own music; in addition to any scales. Getting all the way down to the rudiments in our method, will reveal that the diagrams come second to the music; and, there's even a lot more than just one anchor in one diagram! They will all fall away, into your own music. Our easy rudiments-based method is musically sound, and that is what simply leads out to all of these shapes on the whole neck; and, our books have been designed to free up the whole neck. Our method is based only on the music; while still as easy to grasp as a simple looking diagram.

Before I Wake Robert J. Wiersema,2024-07-02 After an unthinkable tragedy happens, an unbelievable miracle begins. . . Three-year-old Sherry is the adored only child of Simon and Karen Barrett. When Sherry is critically injured in a hit-and-run accident, the fault lines in the Barretts's marriage begin to show. As her parents' marriage falls apart, it is discovered that Sherry--in her coma-like state--has miraculous healing powers. Meanwhile, the guilt-stricken driver of the truck attempts suicide--but is unable to die. Henry Denton instead finds himself in a place of darkness, somewhere between this world and the next, invisible to all but a group of mysterious and downtrodden men. Haunted by his shame, Henry struggles to understand this mysterious limbo, and what he must do to free himself. As word of Sherry's powers spread, her parents must decide how best to shelter their daughter and help the many sick and dying who are drawn to her side. At the same time, a larger battle is brewing-one that has been raging for close to two-thousand years, and one that might yet claim the lives of Sherry and her family. Robert J. Wiersema's brilliant debut novel sheds light on the inner lives of characters struggling against tragedy, who find each other and themselves in the darkness. Before I Wake reveals the power of forgiveness, and the true nature, and cost, of miracles. A stunning debut . . .original, thought-provoking, and downright wonderful. -Michael Connelly, New York Times #1 bestselling author of The Closers and Echo Park I wept over this book as I read it, and I'm still haunted by it . . . disturbingly powerful. -Gail Anderson-Dargatz, author of A Recipe for Bees A literary supernatural thriller that grips the reader in a chokehold and doesn't let go until the very last line. . . . It never shies away or backs down from its questioning of faith, theology, morality and mystery. . . a unique, spellbinding, and ultimately uplifting gem . -- The Globe and Mail Through a tale that is both intimate and profound, Robert J. Wiersema reminds us there is magic in truth, and truth in the fantastic. An edge-of-your-seat debut that is never faint of heart. -Ami McKay, author of The Birth House A wonder to behold. A deft fusion of intimate family story, suspense and religious exploration. One of those books you just don't put down until you've read to the last page. . . Magnificent. -- The Edmonton Journal Deceptively easy to read because it is so well written and so emotionally engaging. It will haunt you long after you've lent it to a friend. And lend it you will, because it is just too good not to share. -- National Post Before I Wake provocatively dances along the lines between faith and science, life and death. --Andrew Pyper, author of Lost Girls Engrossing and carefully plotted . . . Wiersema's compassion and sympathy

for his characters are genuine. . . he tells a cracking good tale. -- Quill & Quire
