## Rabbi Eric Weiss

The Weight of a Soul Laura Gilpin, 2008-10-01 The winner of the prestigious Walt Whitman award for her book *The Hocus Pocus of the Universe* completed her second book of poetry *The Weight of a Soul* while living in Fairhope, Alabama, just before her death. It reflects the values she embraced while working as a registered nurse.

Mishkan Aveilut Rabbi Eric Weiss, 2019-01-01 Grief often reweaves our lives into a different way of experiencing the world. *Mishkan Aveilut* is designed to complement the anchors of our tradition that contain, guide, and support us as we familiarize ourselves with and move through our terrain of grief. This beautiful companion to *Mishkan R'fuah: Where Healing Resides* offers readings, poems, and meditations to support the emotional and spiritual needs that naturally arise at a time of loss. With opportunities for nourishment, contemplation, and emotional renewal, the collection is meant to be used as a resource for spiritual leaders and individuals alike.

**Weekends with O'Keeffe** C. S. Merrill, 2013-01-30 Winner of the 2012 Zia Award from New Mexico Press Women In 1973 Georgia O'Keeffe employed C. S. Merrill to catalog her library for her estate. Merrill, a poet who was a graduate student at the University of New Mexico, was twenty-six years old and O'Keeffe was eighty-five, almost blind, but still painting. Over seven years, Merrill was called upon for secretarial assistance, cooking, and personal care for the artist. Merrill's journals reveal details of the daily life of a genius. The author describes how O'Keeffe stretched the canvas for her twenty-six-foot cloud painting and reports on O'Keeffe's favorite classical music and preferred performers. Merrill provided descriptions of nature when she and the artist went for walks; she read to O'Keeffe from her favorite books and helped keep her space in meticulous order. Throughout the book there are sketches of O'Keeffe's studio and an account of once assisting O'Keeffe at the easel. Jockeying for position among the helpers O'Keeffe relied upon was part of daily life at Abiquiu, where territorial chows guarded the property. Visitors came from far and wide, among them Eliot Porter and even Allen Ginsberg accompanied by Peter Orlovsky. All this is revealed in Merrill's straightforward and deeply respectful notes. Reading her book is like spending a weekend with O'Keeffe in the incomparable light and clear air of Northern New Mexico mountains and desert.

**Index of American Periodical Verse 2005** Català Rafael, 2007 Rafael Català and James Anderson have prepared this concise reference that provides access to poems from a broad cross section of poetry, literary, scholarly, popular, and

general magazines, journals, and reviews published in the United States, Canada, and the Caribbean. These periodicals are listed in the Periodicals Indexed section, together with names of editors, addresses, issues indexed in this volume, and subscription information. Selection of periodicals is the responsibility of the editors, based on recommendations of poets, librarians, literary scholars, and publishers. Publishers participate by supplying copies of all issues to the editors. Criteria for inclusion include the quality of poems, their presentation, and the status or reputation of poets. Within these very broad and subjective guidelines, the editors attempt to include a cross section of periodicals by type of publisher and publication, place of publication, language, and type of poetry. Periodicals published outside of North America are included only if they have North American editors. This thirty-fourth annual volume was produced with the cooperation of participating periodicals from Canada, the United States, and the Caribbean. A separate index provides access by title or first line. This volume includes poems published in 2005, plus earlier years when periodical issues were delayed in publication or were received late.
