Elizabeth George

Young at Heart Kate Forgach, Roger Allan Young, 2015-06-30 Linnea Lindgren Young wrote a weekly column for 29 years for the Oakland Independent Newspaper. In a natural voice attuned to her audience, Linnea recalled life on a small farm in Eastern Nebraska. *Young at Heart* is a representative selection drawn from thousands of these columns, covering such topics as what people wore, how they ate, how they entertained themselves and much more. Young's memory was prodigious and her interests wide and varying. She'll take you back to the Nebraska of yesteryear, when lives were at once simpler and incredibly difficult.

Golden sayings for the young Golden sayings, 1870

Old in the Knees but Young at Heart Reza Noubary, 2021-06-10 As long as you have enthusiasm you radiate energy of young-hood. The story of our senior years is both interesting and fascinating. A lot can be said about the experiences we go through and the changes we observe. This book is a collection of short articles and essays about some aspects of life in general and old age in particular. Its goal is to delight readers and help them to see the positive aspects of the senior life. Topics included cover both serious and funny sides of growing old. Some topics are general, and others are basic lessons I learned while living in the Middle East, Europe, and North America. For the ease of reading, the articles are presented independently from one another whenever possible. Sources utilized are cited in the end of each article. Few related topics are also included for stimulation of worked-out minds.

Simple Sayings and Thoughts for the Mind, Heart and Soul Joe Cervantes, 2016-06-08 Wisdom, knowledge, and understanding are similar to finding a treasure chest full of diamonds and nuggets of gold. How can anyone not take advantage of such an abundance of wealth? In the midst of so much confusion, one needs to take the time to believe that there is wealth in the word of God and from his people to overcome such daily adversaries. We are challenged in our everyday lives, but may you take that first step of faith living for God and in helping others with love where there is failure. I know many books have been written with different opinions and advice by different writers about God and life. As the author of this book, I've tried to give some simple wisdom and understanding in so many areas of our lives, making it simple to understand, of course, with some sense of humor. As one who goes alone through the maze of life, sometimes it requires us to learn quickly in order to find the key to the cross. So where advice isn't available, we are tempted, get off course, and

learn the hard way, which gets more complicated if we become stubborn. Just like the whole armor of God protects every part of our spiritual and physical bodies, taking some good advice and motivation will help us progress as a child of God. For those who love to make things possible by taking advice, may this book help you to change your route and save you time. There are over six thousand thoughts of my personal sayings, which can be used as a text starter for a sermon or a conservation piece for inspiration. Please enjoy them; you've struck it rich with some great wisdom. Joe Cervantes.

Hard Sayings Of Jesus Joel C Seifert, 2015-07-01 What did Jesus mean when he said...? Why did Jesus say...? Many people in Jesus' day found certain things he said to be confusing or challenging. Perhaps you've run into some of these statements as well. While some of Jesus' words are indeed hard, understanding them is well worth the struggle! Whether you are new to the faith or have been a Christian your whole life, *Hard Sayings of Jesus* will clear up the confusion around difficult or controversial statements that Jesus made during his earthly ministry. It will also help you see what such words mean for you today. This book will help you understand and embrace all your Savior's words of life!

The Cottager's Friend, And Guide Of The Young. 1843 ,1843

Heart Words Connie Bertelsen Young, 2019-06-29 With over six thousand five hundred languages in the world, the following scripture pertains to every human being and their dialect. "For by your words you will be justified, and by your words you will be condemned" (Matthew 12:37 NKJV). That's a valid reason to learn the importance of our words in a society where many are deafeningly oblivious to the consequences of cursing and the importance of blessing. Although we aren't always aware of it, our lives have been affected by every word we've spoken, heard, or which entered our brains since the day we were born. Even while we were still in the womb, words had their impact on us. In fact, before the human race existed, words brought our fate. God simply uttered words and creation began. God made man and gave us the amazing gift of expressing ourselves. Unlike animals who cannot articulate and verbalize mind and heart, we were given speech and the command of our words. But sadly, our twenty-first-century world is blaring with the irresponsible use of words. There is widespread cursing, slander, lying, blaspheming, and evil speaking. *Heart Words* will show the need to use words prudently because of their profound influence. Readers will see how fulfillment, joy, prosperity, health, discontentment, depression, poverty, and sickness pertain to our words.

Powerful Sayings and Thoughts Joe Cervantes, 2022-04-26 When a powerful message comes from God's words or the power of His spirit, you'd be wise to pay attention. Joe Cervantes, pastor and teacher at The House of Prayer in Alice, Texas, shares more than 3,000 powerful sayings and thoughts rooted in Scripture in this book. They include: When compassion is gone, God's Word disappears. We can all move the small stones, but we need God's help to remove the great ones. Borrow

someone's poor heart before you speak. Wisdom refuses to be lazy, knowledge refuses to stay quiet, and understanding accepts the bright idea. A successful person must combine his or her determination with love to be successful. The sayings and thoughts in this book will help you see channels of love and hope that you did not know were there before. The author emphasizes that love is something that isn't created. It always was because "God is love." Get simple thoughts and sayings to enrich yourself as well as those around you as you ignite your faith and walk with the Lord.
