Pray First Chris Hodges, 2022-12-27 Prayer is the lifeblood of the Christian faith—but many followers of Jesus still struggle to make prayer part of their daily lives. In *Pray First*, bestselling author and pastor Chris Hodges shows us how to make prayer a first response instead of a last resort. Why is it that so many Christians find it difficult to develop a vibrant and exciting prayer life? Even though prayer is foundational to the Christian life, many are intimidated or uncertain about how to talk to God. Prayer feels quaint and old-fashioned to some, sacred and uncomfortable to others. It's not a lack of inspiration--there's plenty of that. And it's not that we don't realize prayer is important--we know it is. So, what's the issue? Pastor Chris Hodges has spent years studying the prayers of the Bible and the models of prayer that the scriptures provide for Christians. Now, he shares the teachings and methods he's used to successfully help hundreds of thousands of people understand how to spend time in conversation with God--and enjoy every minute. *Pray First* will give you the tools you need to: Bring the joy

Out of the Cave Chris Hodges, 2021-05-25 Do you feel guilt and shame about negative thoughts and emotions and your inability to overcome them? Bestselling author and pastor Chris Hodges helps those struggling with depression find liberating solutions by drawing from the life of the prophet Elijah. You might be asking, Should a Christian even be having these struggles? Depression is the number one health issue in the world today, yet those who suffer are still sometimes stigmatized--especially followers of Jesus. Many assume God's peace, power, and protection should prevent us from ever feeling anxious, depressed, and afraid. But the Bible teaches otherwise, particularly in its depiction of the life of the Old Testament prophet Elijah. In Out of the Cave, Chris Hodges uses Elijah's life to show us that everyone is susceptible to depression. Even when we're walking closely with God, we can still stumble and get lost in the wilderness of tangled emotions. But we don't have to stay there, because we serve a God who meets us in the darkness. Out of the Cave helps us remove the stigma of depression and realize we're not alone; understand the ways our temperament and view of God affect the way we handle depression; and learn a comprehensive approach to wellness—mind, body, and soul—from Elijah's journey. With his trademark blend of Bible-based wisdom, practical application, and vulnerability in sharing his personal struggles, Hodges explores the causes of depression we can't change, the contributors we can conquer, and offers transformative hope and spiritual power to help us win the battle.

In Fresh Air, New York Times bestselling author Chris Hodges reveals how breath—the breath of God—is the essence of life as it's meant to be. Fueled by the breath of God, we are not only refreshed in spirit ourselves; we have the power to create a life-giving environment of freedom and joyful purpose around us. Bold and encouraging, Fresh Air offers “breathing lessons” for those who long for a cool breeze to resuscitate their spirit, bring them closer to God, and make them enthusiastic, contagious life-breathers to those around them. Four Cups What if God has had a plan for your life since the very beginning? Not just the beginning of your life, but from the foundations of faith itself? promises that God first spoke to His people in the Old Testament, and that are still at the core of his heart and his plans for you today. God wants to rescue you; to deliver you from whatever holds you back; for you to live out His plan for your life; and for you to be part of a family that is making a difference. Steeped in Jewish history and tradition, yet breathing the transforming hope of Christ on every page, Four Cups will help you move forward on your spiritual journey.
