Charlie Brown's Christmas Miracle Michael Keane, 2023-10-17 Discover the inspiring, unknown, against-all-odds story of how the classic animated holiday special *A Charlie Brown Christmas* almost never made it on to television. Professor and cultural historian Michael Keane reveals much in this nostalgia-inducing book packed with original research and interviews. Keane compellingly shows that the ultimate broadcast of the Christmas special—given its incredibly tight five-month production schedule and the decidedly unfavorable reception it received by the skeptical network executives who first screened it—was nothing short of a miracle. Keane explains why the show, despite its technical shortcomings, has become an uplifting and enduring triumph embraced by millions of families every Christmas season, even more than fifty years after its premiere. This gripping and joyful behind-the-scenes story of how the creators of *A Charlie Brown Christmas* struggled to bring the program to life will also help readers (and loyal fans) understand how America's favorite Christmas special changed our popular culture forever. Keane masterfully weaves the momentous events of 1965 (the turbulent year of the program's production) into his story, providing critical context for a profound new understanding of the program's famous climactic scene, Linus's spot-lit soliloquy answering the question repeatedly posed by Charlie Brown—Isn't there anyone who knows what Christmas is all about?"

Charlie Brown's Christmas Stocking Charles Schulz, 2012-11-21 During his fifty-year career, ninety-nine percent of Charles Schulz's creative energies went into the daily *Peanuts* comic strip. But once in a while he would create a special something else on the side, and this adorable little package collects two of his best extras from the 1960s: two Christmas-themed stories written and drawn for national magazines. Created in 1963 (two years before the *Charlie Brown Christmas* TV special) as a supplement for *Good Housekeeping* magazine, *Charlie Brown's Christmas Stocking* comprises 15 original captioned vignettes featuring the entire *Peanuts* cast of the time — Charlie Brown, Snoopy, Lucy, Linus, Schroeder, Frieda, Violet, Shermy, and Sally — each with a joke or reflection about the season. The Christmas Story is an original tale created for *Woman's Day* in 1968, this one focusing just on Snoopy and the Van Pelt siblings, with Lucy and Linus each explaining the meaning of the holiday to Snoopy. I'm going to have to be careful, Snoopy reflects at the end of the story, resting on his doghouse next to his bone-decorated tree; all this theology could ruin my Christmas. The book also includes notes on the provenance of the stories and a pocket-sized biography of Schulz.

Kingdom Over Empire: Following Jesus in the American Empire Chris Kaufman,2020-03-02 Today the American evangelical church is in a crisis. Evangelical Christians make up only 25% of the population and that number is dropping all the time. Movements like the Exvangelical are becoming more popular in what used to be the dominant vein of Christianity. Those outside the Evangelical church see us as judgmental, hypocritical, and angry and not without good reason. Many Christians can quote John 3:16 from memory, but few are as familiar with the rest of Jesus' life and teachings. Amidst an ever-growing political divide in the country and the church, we need to again ask ourselves, what does it mean to follow the Jesus revealed in the Gospels in this Empire? Join Chris on this journey through the life of Jesus in the first century. Uncover with him the responsibilities of modern Christians in America. Sit in the tension of life in the Empire and the Kingdom and laugh at the terrible jokes along the way. What you learn may just surprise you.

My Living Will John Trautwein,2014-12-11 My Living Will is the story of former major league pitcher John Trautwein, and the unbelievable tragedy which befell him and his family when his fifteen-year-old son, Will, took his own life. There had been no warnings, no obvious signs of anxiety, depression, or unhappiness; nothing. A family and a community were left stunned as they pondered how a young man like Will Trautwein, a healthy, happy, popular, athletic, and musical teenager, who came from such a loving home, could lose the will to live. "John Trautwein writes straight from the heart. And his words will save lives. The story Trautwein shares in these pages--a remarkable journey of passion and purpose--will literally save lives." • Jeffrey Marx, Pulitzer Prize winner and author of *Season of Life* "John Trautwein's story inspires hope. It empowers people, and it gives its readers the 'hope for life.' The triumph that this story imparts arouses the goodness in everyone as it drives people toward action." • Joe Girardi, Manager, The New York Yankees "In my twenty-two years of broadcasting, I have told many stories of triumph over tragedy, but the story of Will Trautwein and his family has stayed with me. The loss of such a vibrant young man and the strength of his family to use their heartache to help has had an impact on how I parent my daughter, and how I report stories of teenage depression and suicide. This is a must-read if you have a teenager in your life." • Stephany Fisher, Anchor, CBS News, Atlanta "Ever wonder if a young person in your own home might be at risk? Read this book. In "My Living Will," John Trautwein takes the emotions of loss and turns them into a message of awareness and hope. A must read for parents and teenagers alike!" • Dan Shaughnessy, The Boston Globe
