John R. W. Stott, John Stott

The Cross of Christ John R. W. Stott, John Stott, 2006 In this thoughtful, comprehensive study of Scripture, tradition and the modern world, John R. W. Stott brings readers face to face with the centrality of the cross in God's plan of redemption.

The Cross of Christ John Stott, 2006-08-31 Why should the cross--an object of Roman distaste and Jewish disgust--be the emblem of our worship and the axiom of our faith? And what does it mean for us today? In this thoughtful, comprehensive study of Scripture, tradition and the modern world, John R. W. Stott brings you face to face with the centrality of the cross in God's plan of redemption.

The Cross of Christ John Stott, 2021-04-13 The Cross is the universal symbol of the Christian faith. But what does the Cross mean? Why did Jesus have to die? In this magisterial and best-selling book, John Stott unpacks the significance of Christ's cross and answers objections commonly brought against biblical teaching on the atonement. Stott will help you discover how Jesus himself understood the cross, and how 'Christ in our place' is at the heart of its meaning. Understand what the cross achieved, and learn what it means to live under the cross. This modern classic combines excellent biblical exposition, and a characteristically thoughtful study of Christian belief, with a searching call to the church to live under the cross.

The Cross John Stott, 2009-01-16 John Stott presents Bible studies based on his book *The Cross of Christ* on the meaning and purpose of the cross in our lives. These thirteen-session LifeGuide® Bible Study provide the ever-increasing understanding of the cross needed by every believer.

Basic Christianity John Stott, Rick Warren, 2006-11-30 In 2006, Christianity Today voted this title to be one of the top 50 books that have shaped evangelicals! Who is Jesus? If Jesus was not God in human flesh, Christianity is exploded, writes John Stott. We are left with just another religion with some beautiful ideas and noble ethics; its unique distinction has gone. If Jesus is not who he said he was, and if he did not do what he said he had come to do, the whole superstructure of Christianity crumbles in ruins to the ground. Is it plausible that Jesus was truly divine? And what might this mean for us? John Stott's clear, classic statement examines the historical facts on which Christianity stands. Here is a sound, sensible guide for all who seek an intellectually satisfying explanation of the Christian faith.

Becoming a Christian John Stott, 2016-04-11 Written by John R. W. Stott, a Christian leader known worldwide for addressing the hearts and minds of contemporary men and women, this updated booklet describes the fundamental human problem, outlines the Christian answer to it and shows readers how to respond to God's truth.

The Cross of Christ George R. Knight, 2008 It is basic to the Christian understanding of theology, history, and every other field of knowledge. Indeed, it is an issue so vast and significant that few books even attempt to span the broad spectrum of topics it raises.

The Cross Rod Parsley, 2013-11-26 Rediscovering the Beautiful, Scandalous Cross of Jesus Christ The cross is the hinge-point of human history. It is the fulcrum of God's grand, brilliant, lever--four thousand years in the crafting--that in a single day pried a fallen world from Satan's grasp. The centrality of the cross is the hallmark of an authentic, life-giving gospel. But today we stand at an intersection, a literal crossroads of history, in which for many, even those with a genuine love for God and His Word, the cross has lost its importance. In *The Cross* Rod Parsley takes you deep into the mysterious territories of what the Bible calls the foolishness of the cross and the scandal of Jesus's sacrifice to explore the significance of the cross in the unfailing light of Scripture. It is at the foot of the cross, and there alone, that we can look with wonder upon the raw ferocity of God's love for us. To accept it and glory in it, this is the only truly rational response. Come along as we rediscover the power, majesty, and beauty of the cross and learn anew how to claim that power for your life.

The Cross Bob Sorge, 2021-02-12 Kneel again in blood and water, and revisit the hill where the two of you first met. Understand the great paradox of the cross—He suffered so we never have to, and He suffered to show us how. His cross will make sense of your sufferings. Your faith will be strengthened as you believe God for your own resurrection! This is the most profound writing on the cross I have ever read. The magnitude of this book is almost beyond my ability to describe—it's a treasure of truth. Don Wilkerson Co-Founder, Teen Challenge

The Cross Is Not Enough Ross Clifford, Philip Johnson, 2012-01-01 If Christ had not risen from the dead, if God's plan for redemption had ended at the cross, what would our faith look like? Have we become so fixated on the cross that we have

lost an understanding of the centrality of the resurrection? And if we ignore the resurrection, what effect does that have on our worldview, our evangelism, and our Christian practice? In *The Cross Is Not Enough*, Ross Clifford and Philip Johnson explore how the resurrection of Christ has been understood in times past and restore this lynchpin doctrine to its rightful place as the basis of our hope, our worldview, and the way we live our lives. They compare Christianity's unique understanding of resurrection to other world religions and explore why the resurrection connects so readily with the human psyche. Pastors, teachers, students, and anyone involved in ministry will benefit from this insightful and engaging treatment of Christianity's most important doctrine.
