Finding Love Everywhere Robert Holden, 2020-09-01 May Robert's wonderful life and work and heart keep helping others to know that inherent in life . . . is Love. - from the foreword by Daniel Ladinsky I didn't have much time for poetry when I was young, Robert Holden writes in the introduction to this elegant and inspiring book. Maybe I was in too much of a hurry. . . . Fortunately for me, one poem after another found their way through my defenses and came to my rescue. Slowly, but surely, I began to see that inside each poem there was a gift waiting for me. A gift to help open up something inside of me - a new awareness, an epiphany, a cure for loneliness, renewed courage, and a call to action. *Finding Love Everywhere* offers that same gift to you. A luminous collection of original poetry set within a framework of deep wisdom from an acclaimed teacher, it invites you on a journey that will move you and transform you as you awaken to the awareness of love's presence all around you. The 66½ poems in these pages are meditations with lyrics, Robert explains. They invite you to be wise, to choose love, and to live your most authentic life.

Momentum: Letting Love Lead John-Roger, Paul Kaye, 2002-11-01 This guide advocates creating spiritual calm by following rather than fighting the rhythms of daily life. The feeling of being out of balance is a sign that there is movement in

one's life, and the best thing to do is to follow that motion and to let natural flows take over. Simple habits and exercises, designed to locate love in each moment and to ease anxiety, are taught with humor and gentleness. Structured in an accessible and direct manner, these inspirational quotes are followed with specific steps for achieving calm and contentment.

**Love Changes Everything** Micah Berteau, 2019-09-03 We all crave love. We try to fill the void inside with any number of poor substitutes. We seek validation from empty outlets. We're thirsty for compliments. We change who we are to impress people who aren't looking and don't care. Yet, we are still desperately searching for a love that changes everything for us, a love that doesn't fade and doesn't fail--even when we do. That's the kind of love God shows that he has for us through the remarkable story of Hosea and Gomer. Unpacking this powerful love story from the Old Testament in a way you have never heard, pastor Micah Berteau releases us from the fears, hurts, insecurities, and anxieties of life by showing us just how extravagantly we are loved--in spite of our faults, our failures, and our sins. If you're tired of trying so hard to be worthy of someone else's love, lost in what's fake, or drawn to live in the temporary, Micah Berteau has good news for you--there is a better way to live and love. Foreword by Jentezen Franklin.

Poetry of Tomorrow Tiff any Lynn Peppers, 2007-05-17 Life and love can be profoundly expressed in so many ways. And when that love is gone it can be expressed in a deep soulful way. It can put a thought on your mind that you're thinking about all day. It can make you want to cry a river or bay. Sadness can touch your heart and penetrate it until you cry. It can make you say: why oh why'. And it can make you sigh. Maybe it can even make you wonder if you're letting life pass you by. Joy can put a giant smile on your face, and lift your spirits high. When touched by inspiration it can stimulate you to change your outlook in life, or just the art of poetry can be a delightful form of entertainment. Laughter can put enchantment in to your heart when it encompasses you. Love can be expressed in so many ways. And when that love is gone it can make you cry for

days, and days. Love isn't just something you feel. It's something you show. And as the years go by you watch it grow. Love can blind you or show you the way. That's what I heard someone say. Inspiration is something you can never get enough of. It's sort of like love. When you're sad, and when you're melancholy and blue, inspiration can be your glue. Sadness can be so profound. It can be expressed in ways that show how you feel down. Tears and fears can cause sorrow. It can make you ask someone for joy you can borrow. When you're low, and when you're down only your heart can feel how sad you see yourself as. It leaves you wondering if the feeling will pass. Opening this book is your journey down that road.

**The Complete Master Key System** William Gladstone, Richard Greninger, John Selby, 2014-09-04 The Complete Master Key System builds on the classic work of Charles Haanel to teach contemporary audiences how to tap into their personal potential and manifest harmony, abundance, and fulfillment. Published in 1912, The Master Key System went on to influence Ernest Holmes, Napoleon Hill, and many others who sought to use mental power as a means of attaining success. In The Complete Master Key System, William Gladstone, Richard Greninger, and John Selby hark back to Charles Haanel's original text, and develop exercises that heighten readers' ability to implement Haanel's core principles. Their Daily Manifestation Sessions incorporate the most effective focusing methods used today and integrate ancient meditative techniques with new insights in cognitive psychology. The Complete Master Key System is packaged with Haanel's original Master Key System in the appendix and includes a foreword by Mark Victor Hansen and an afterword by Jack Canfield.

Love Stories of Later Life Amanda Smith Barusch, 2008-03-13 Even with baby boomers retiring and greater media and research attention being lavished on older people, most gerontologists have studiously avoided examining romance among the elderly. Love Stories of Later Life is an appealing and eye-opening remedy to this neglect, as leading gerontologist Amanda Smith Barusch presents original research into what love and romance mean in seniors' lives. The result is a glimpse into a world many people didn't know existed - that of romantic love in later life. Unlike superficial guidebooks that purport to help seniors find a new mate, Love Stories of Later Life integrates theory and the latest research on love and the aging process. Drawing on a wealth of personal narratives collected during a landmark five-year study, the book presents the lived experiences of older adults from all walks of life. It addresses the impact of common age-related changes, both emotional and physical, on romantic relationships, and argues that love continues to sculpt our personalities and our lives, even in life's later decades. Each chapter includes practical tools for the serious student of love, including exercises designed to increase self-awareness and relationship-building as well as annotated lists of suggested reading that are at once comprehensive and accessible. Barusch's fresh perspective, engaging voice, and in-depth qualitative research make Love Stories of Later Life an important contribution to the study of individual lives and the aging process. This book will guide gerontologists, social workers, and counselors as they in turn help their older clients navigate love's challenges. But can you help someone who doesn't think she wants it? "An Unlikely Angel" is the story of a very successful lawyer who believes he's
