

Mcbrooms Wonderful One Acre Farm

Hussin A.Rothana

Write Your Own Tall Tale Natalie M. Rosinsky, 2007-09 Discusses how to write a tall tale, from how to get started to learning the tricks of the trade.

Rhapsody in Green: A Writer, an Obsession, a Laughably Small Excuse for a Vegetable Garden Charlotte Mendelson, 2021-03-25 'Excellent book.' Nigella Lawson 'Charming, inspiring, uplifting... pure lovely.' Marian Keyes 'Read Rhapsody in Green. A novelist's beautiful, useful essays about her tiny garden.' India Knight 'Glorious...for anyone who loves fruit, vegetables, herbs and language. It makes you see them with new eyes.' Diana Henry 'A witty account of 'extreme allotmenting' for all obsessive gardeners' Mail on Sunday 'An extremely entertaining and inspiring story of one woman's passionate transformation of a small, irregular shaped urban garden into a bountiful source of food.' Woman & Home 'A gardening book like no other, this is the author's 'love letter' to her garden. She relays warm and witty stories about the trials and tribulations throughout her gardening year.' Garden News '...this inspirational, funny book, written by someone who hankers after a homesteader's lifestyle, will make you look at even your window box in a new, more productive light.' The Simple Things 'Gardening is not a hobby but a passion: a mess of excitement and compulsion and urgency and desire. Those who practise it are botanists, evangelists, freedom fighters, midwives and saboteurs; we kill; we bleed. No, I can't drop everything to come in for dinner; it's a matter of life and death out here.' Novelist Charlotte Mendelson has a secret life. Despite owning only six square metres of urban soil and a few pots, she is an extreme gardener; the creator of a tiny but bountiful edible jungle. And like all enthusiasts, she will not rest until you share her obsession. This is the story of an amateur gardener's journey to addiction: her attempts to buy lion dung from London Zoo and to build her own cold frame; her disinhibited composting and creative approach to design; her prejudices (roses, purple flowers, people with orchards); and her passions: quinces, salad-leaves, herbs, Japanese greens and ancient British apples. It is a story of where fantasy meets reality, of the slow onset of a consuming love and, most of all, of how gardening, however peculiar, can save your life.

Adventuring with Books Julie M. Jensen,Nancy Roser,1993 Designed to help teachers, librarians, and parents introduce books of exceptional literary and artistic merit, accuracy, and appeal to preschool through sixth grade children, this annotated bibliography presents nearly 1,800 annotations of approximately 2,000 books (2 or more books in a series appear in a single review) published between 1988 and 1992. Annotations are grouped under 13 headings: Biography; Books for Young Children; Celebrations; Classics; Contemporary Realistic Fiction; Fantasy; Fine Arts; Historical Fiction; Language and Reading; Poetry; Sciences and Mathematics, Social Studies; and Traditional Literature. In addition to the author and title, each annotation lists illustrators where applicable and the recommended age range of potential readers. A selected list of literary awards given to children's books published between 1988 and 1992; a description of popular booklists; author, illustrator, subject, and title indexes; and a directory of publishers are attached. (RS).
