The Case of Dr. Sachs Martin Winckler,2011-01-04 Bruno Sachs is a country doctor who makes house calls and feels deeply for his patients. There are broken bones, unwanted pregnancies, people without the will to live, a friend dying of cancer. His pity for his fellow creatures is both his motivating force and his own untreatable condition. Among the deaths, love affairs, and small town gossip, a love story emerges at the heart of the novel-between Dr. Sachs and a young woman upon whom he once performed an abortion. The Case of Dr. Sachs is a novel filled with voices of silent suffering and arias of quiet joy, and one dedicated to the notion that literature, like medicine, can save lives.

Apportionment of Blame Keith Redfern,2014-04-21 When Joyce Hetherington loses her half-sister in a tragic and mysterious railway accident, she calls on her old school friend, Greg Mason, to investigate. Greg has recently begun his own private detective agency and, together, the two uncover secret after secret about her past and the strange set of circumstances surrounding Helen's death, including details about the inheritance that she was set to receive from her grandmother - an inheritance that was granted instead to an unknown beneficiary. As they sink deeper and deeper into the case, Greg and Joyce begin to realise that not everything is as it seems, and certain seemingly unrelated threads in her family story - some stretching as far back as World War II - have the potential to weave a web with far greater implications than either of them could have ever imagined.

You Deserve Nothing Alexander Maksik,2011-08-30 Set in Paris, at an international high school catering to the sons and daughters of wealthy families, You Deserve Nothing is a gripping story of power, idealism, and morality. William Silver is a talented and charismatic young teacher whose unconventional methods raise eyebrows among his colleagues and superiors. His students, however, are devoted to him. His teaching of Camus, Faulkner, Sartre, Keats and other kindred souls breathe life into their sense of social justice and their capacities for philosophical and ethical thought. But unbeknownst to his adoring pupils, Silver proves incapable of living up to the ideals he encourages in others. Emotionally scarred by failures in his personal life and driven to distraction by the City of Light's overpowering carnality and beauty, Silver succumbs to a temptation that will change the course of his life. His fall will render him a criminal in the eyes of some, and all too human in the eyes of others. In Maksik's stylish prose, Paris is sensual, dazzling and dangerously seductive. It serves as a fitting backdrop for a dramatic tale about the tension between desire and action, and about the complex relationship that exists

between our public and private selves.

The Baby Of Belleville Anne Marsella,2011-07-07 Every new mother has a story to tell - and this is Jane de la Rochefoucault's. It's a story that contains all the familiar yet magical landmarks of feeding, teething, toddling, and measuring stuff in and out of Tupperware. But, as an expat living in Paris, Jane also faces some challenges they never mention in the handbooks. Such as, how to juggle a new baby with the demands of an aristocratic husband, a competitive nursing circle, an artisan plumber, and a formidably French (and possibly law-breaking) mother-in-law... Swiftly plotted, linguistically playful and sparkling with wit, *The Baby of Belleville* will draw you into its unique imaginative universe and make you reluctant to leave.

Paris Médical ,1911 Each half-year consists of two volumes, Partie médicale and Partie paramédicale.

All the Clouds Michael Barnes Selvin,2016-03-02 This novel is based on first-hand accounts of life during WW2 in southern France. The genesis and principal events of the novel were recounted some seventy years after the fact by a close friend: architect, scholar, father, government official, musician. When the occupation began, he joined the Résistance, helping people escape France. As the war continued, he became dangerously caught up in resistance, transporting charcoal from Spain. In March 1943, the Gestapo arrested him following an all-night jam session with Django Reinhardt and Georges Ulmer (neither arrested). The Americans liberated him from Buchenwald in April 1945. As a recipient of the Légion d'Honneur, among numerous other decorations, his story lies at the heart of this novel. He spent hours recounting his life during the war, literally with great pain. Although making this exception, his war-time experience never left his mind a single day of his long life.

The Acquisition of Tense and Agreement Vicenç Torrens,2020-06-04 This book presents research on the acquisition of Tense and Agreement in Spanish and Catalan, describing the different theoretical explanations of this process. Its theory is drawn from the Minimalism Program, which proposes Universal Principles for all languages and the existence of parameters that can take different values in particular languages. The study describes the acquisition of root infinitives, subject-verb agreement, the position of clitic pronouns with respect to finite and non-finite verbs, the placement of negation, the position of subjects, and the acquisition of personal pronouns. The book argues that children acquiring Spanish and Catalan have the functional categories of Tense and Agreement at a very early stage. It will be a useful reference for linguists, psycholinguists and psychologists who are interested in language acquisition.

To Play Again Carol Rosenberger,2025-07-30 At age twenty-one, while she was working with the legendary Nadia Boulanger in France, concert pianist Carol Rosenberger was stricken with paralytic polio—a condition that knocked out the very muscles she needed in order to play. But Rosenberger refused to give up. Over the next ten years, against all medical

advice, she struggled to rebuild her technique and regain her life as a musician—and went on to not only play again, but to receive critical acclaim for her performances and recordings. Beautifully written and deeply inspiring, *To Play Again* is Rosenberger's chronicle of making possible the seemingly impossible: overcoming career-ending hardships to perform again.

Departures Paul Zweig, 2011-03-15 *Departures* is Paul Zweig's celebration of life and love. Zweig thought of himself as a sojourner, a contemporary Wandering Jew, a man with "a loose wire in his genes." He led a number of distinct lives: as a Jewish child in Brooklyn and on a farm in the Catskills; as a literature student at Columbia; as a young exile who spent a decade in Paris transforming himself into a French intellectual, absorbing the language, sex, culture, and leftist politics; and as an American man-of-letters who produced a steady stream of poems, essays, and wide-ranging works of literary scholarship and criticism. In 1978, at the age of forty-three, he abruptly entered a new life—"the life of the dying"—which he inhabited for the next six years. His writing was guided by a steely determination to hold the more pressing and distorting sentiments—self-pity, regret, anger, fear—at bay for the sake of his lucidity, which became his way through the world of cancer. This memoir stands as a testament to the passion and spirit with which Zweig lived and to the dignity that he brought to his final years.

32 Yolks Eric Ripert,Veronica Chambers,2017-03-21 NEW YORK TIMES BESTSELLER • Hailed by Anthony Bourdain as “heartbreaking, horrifying, poignant, and inspiring,” 32 Yolks is the brave and affecting coming-of-age story about the making of a French chef, from the culinary icon behind the renowned New York City restaurant Le Bernardin. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR In an industry where celebrity chefs are known as much for their salty talk and quick tempers as their food, Eric Ripert stands out. The winner of four James Beard Awards, co-owner and chef of a world-renowned restaurant, and recipient of countless Michelin stars, Ripert embodies elegance and culinary perfection. But before the accolades, before he even knew how to make a proper hollandaise sauce, Eric Ripert was a lonely young boy in the south of France whose life was falling apart. Ripert’s parents divorced when he was six, separating him from the father he idolized and replacing him with a cold, bullying stepfather who insisted that Ripert be sent away to boarding school. A few years later, Ripert’s father died on a hiking trip. Through these tough times, the one thing that gave Ripert comfort was food. Told that boys had no place in the kitchen, Ripert would instead watch from the doorway as his mother rolled couscous by hand or his grandmother pressed out the buttery dough for the treat he loved above all others, tarte aux pommes. When an eccentric local chef took him under his wing, an eleven-year-old Ripert realized that food was more than just an escape: It was his calling. That passion would carry him through the drudgery of culinary school and into the high-pressure world of Paris’s most elite restaurants, where Ripert discovered that learning to cook was the easy part—surviving the line was the battle. Taking us from Eric Ripert’s childhood in the south of France and the mountains of Andorra into the demanding kitchens of such legendary Parisian chefs as Joël Robuchon and Dominique Bouchet, until, at the age of twenty-four, Ripert made his way to the United States, 32 Yolks is the tender and richly told story of how one of our greatest living chefs found himself—and his home—in the kitchen. Praise for 32 Yolks “Passionate, poetical . . . What makes 32 Yolks compelling is the honesty and laudable humility Ripert brings to the telling.”—Chicago Tribune “With a vulnerability and honesty that is breathtaking . . . Ripert takes us into the mind of a boy with thoughts so sweet they will cause you to weep.”—The Wall Street Journal

The Guermantes Way Marcel Proust,2018-11-01 An authoritative new edition of the third volume in Marcel Proust’s epic masterwork, In Search of Lost Time Marcel Proust’s monumental seven-part novel In Search of Lost Time is considered by many to be the greatest novel of the twentieth century. This edition of volume three, The Guermantes Way, is edited and annotated by noted Proust scholar William C. Carter, who endeavors to bring the classic C. K. Scott Moncrieff translation closer to the spirit and style of the author’s original text. Continuing the story begun in Swann’s Way and In the Shadow of

Young Girls in Flower, The Guermentes Way follows Proust's young protagonist as he advances through aristocratic French society in late-nineteenth-century Paris. A departure from the intimacy of the sprawling novel's previous two installments, part three unfolds against a colorful backdrop of Parisian life, moving from literary salon to opulent social gathering to provide a biting and satirical commentary on culture, human foibles, the ways of the world, and the irretrievable loss of time.

Insatiable Gael Greene, 2006-04-04 Acclaimed restaurant critic Gael Greene dishes up a delectable memoir-complete with her favorite recipes-from a lifelong love affair with food, men, and wine. In 1968, Gael Greene became the restaurant critic of the fledgling New York magazine. Before taking the job, she'd never written a restaurant review in her life. But she was a passionate foodie, and dining in the world's great restaurants on someone else's dime was too enticing to resist. Thus began a remarkable career charting the restaurants that changed the way Americans ate, the chefs who turned cooking into an art form, and the food and wines that launched a culinary revolution. Throughout it all, Gael is convinced that food and sex are inextricably linked, and in this exuberant account of her adventures in sensuous excess, she takes readers on a joyride from the world's best tables, to al fresco lunch with Julia Child and naughty dinners with Craig Claiborne and then to bed with the men she couldn't resist-including a porn star and two Hollywood titans. The recipes she includes reflect the decades, from childhood macaroni-and-cheese to Chocolate Wickedness. Greene's tale of pleasure and heartbreak will make you laugh. It may make you cry. It will certainly make you hungry.
