The Case of the Animals versus Man Before the King of the Jinn Lenn E. Goodman,Richard McGregor,2012-01-26 This is a new English translation of a classic of medieval Islamic learning, which illuminates the intellectual debates of its age and speaks vividly to the concerns of our own. It is the most famous work of the Brethren of Purity, a tenth-century esoteric fraternity based in Basra and Baghdad. In this rich allegorical fable the exploited and oppressed animals pursue a case against humanity. They are granted the gift of speech and presented as subjects with views and interests of their own. Over the course of the hearing they rebuke and criticise human weakness, deny man's superiority, and make powerful demands for greater justice and respect for animals. This sophisticated moral allegory combines elements of satire with a thought-provoking thesis on animal welfare. Goodman and McGregor accompany their translation with an introduction and annotations that explore the rich historical and cultural context to the work.

Willie the Frog Learns to Fly Thomas the Toad,2009-05 Willie The Frog Learns To Fly is a children's book for all ages. Adults will take pleasure in reading the story as much as the young ones listening. The story is about a small frog that has a life long dream to fly like the birds and insects around him. He spends his short life trying to achieve that goal. He does actually accomplish the goal but one must read the story to find the solution. The story teaches many virtues such as self-discipline, compassion, responsibility, work, courage, and faith. The reader will be able to follow Willie through his life and recognize the many virtues that the tiny frog possesses. This story also teaches children that we can reach life's goals, if we never give up trying. Willie The Frog Learns To Fly contains the translations of tracks, which are really messages, made by the little animals. The Frog Tracks Translated are expressions of wisdom, humor, and knowledge that are sent to us by the footprints that the animals leave in the sand. Everyone, children and adults will enjoy the translations of the messages left to us humans by these tiny animals. Other Children's Books by Dean W. MUSINGS IN THE UK Benjamin Usakule Garba,2025-06-22 Sometimes we hear a quote attributed to St Irenaeus: "The

glory of God is man fully alive” which leaves out the second part: “and the life of man consists in beholding God.” It is this full quote that I would apply to Benjamin Garba Usakule’s volume of poems entitled *Musings* in the UK because, through his poems, he sees everything –from Creation, as in his delightful description of a busy bee, to wider social issues – through the lens of a life rooted in God. He himself confirms this in his opening acknowledgement: “I would like to thank God, the source of all inspiration, for guiding my thoughts and sparking my creativity throughout the creation of this collection of poetry.” The poems range from deeply thoughtful to light and humorous, such as the observant and very logical *Of Irregular English Verbs*, poking fun at the English language; but the light of God’s love animates each one, even those tackling troubling topics as in *Migrants*. Barbara Reed Mason Catholic Author and Catechist

God is Closer Than You Think John Ortberg, 2005 *God is closer than you think* shows how you can enjoy a vibrant, moment-by-moment relationship with your heavenly Father. Not some abstract theological concept, but the real deal-intimate connection with a deeply personal God.

The Lord's Prayer Daniel T.T. Thompson, 2014-06-30 In this book, Daniel Thompson shares his life experiences and how he relates them to developing a richer, fuller relationship with Jesus Christ, God, and the Holy Spirit. Biblical quotes are included, to be studied and applied to your own life experiences. It is his desire as you read his book that you will understand your own life challenges and how you can relate them to deepening your own relationship with our personal Lord and Savior, Jesus Christ. Jesus Christ gave us the words in the Lord's Prayer, and it is up to us to incorporate them into our own lives. Daniel encourages you to write your own words in this book and leave your own legacy to your family. Most importantly, when you put your own personal feelings in writing, you show God you are doing more than merely reciting words. You are defining your own personal relationship with God, and you are showing Him you are looking forward to spending eternity in His heavenly kingdom. Thoroughly enjoyed learning more about the Lord's Prayer through the life, testimony, and practical direction that Thompson gives us in this work. Excellent read and workbook for someone wanting to not only learn more on how to pray the Lord's Prayer, but to live it. And as his pastor, I can certainly say he lives it. -Dr. Randall T. Hahn, Sr. Pastor, Colonial Heights Baptist Church, Virginia
