**Viva la Virgen de Cortes!** Miguel Ángel Jover Bellod,1980

**Apariciones marianas y ovnis** Francisco Renedo Carrandi,2019-12-23 Si los hombres y mujeres de hoy quedan aún maravillados ante la contemplación de una convencional aeronave surcando los cielos, imaginémonos en tiempos pretéritos, muy pretéritos. Aquellos primitivos parientes nuestros (y no tan primitivos) tomarían estas anomalías aéreas, si las hubieran presenciado, como señales espirituales o como sus mismos dioses que los visitaban, idealizándolos según las formas de los aparatos volantes en los que aparecían. Desde los albores de la humanidad, los líderes espirituales de las distintas civilizaciones nos han inculcado fervorosamente la adoración e incluso el temor hacia unos dioses todopoderosos, con la intención de adoctrinar y poseer a las masas. Para ello argumentaban el poder de la fe: una manera de creer ciegamente sin distintos razonamientos ni objeciones. Pero, ¿es en realidad fe o pura credulidad? Renedo Carrandi desmenuza en esta obra la Hipótesis, con la que podremos imaginar otras teorías y desenlaces diferentes sobre estos entes divinizados y su relación con el hombre a través de los tiempos.

**Alcaraz** Aurelio Pretel Marín,2013

**Diario de un médico argentino en la guerra de España (1936-1939)** Héctor Colmegna,2020-01-24 Nochebuena de 1938. El cielo estaba hermoso. Las estrellas brillaban en todo su esplendor. De rodillas pedí al Recién Nacido que en aquel instante sagrado velase el sueño de los soldados de España y poblase su imaginación con todos los recuerdos venturosos de su infancia, cuando la Nochebuena transcurría para ellos en el calor del hogar paterno y en la atmósfera cordial de la familia.

\*\*\* Muchos y famosos fueron los visitantes extranjeros que acudieron a la España republicana en guerra, bien para combatir, bien para narrarla. Menos conocidos pero acaso igual de numerosos fueron los personajes que eligieron venir al bando nacional guiados por los mismos móviles que aquellos. Los franceses Albert-Louis Deschamps, Brasillach y Bardeche o

el decepcionado George Bernanos; el soberbio poeta sudafricano Roy Campbell; los militares ingleses Peter Kemp y John F.C. Fuller; el ilustrador boliviano Arturo Reque Meruvia, Kemer, o el cineasta norteamericano Russell Palmer son prueba de ello. Héctor Colmegna, médico argentino, se enroló muy pronto como voluntario a las Brigadas Navarras, con las que hizo toda la guerra desde el frente del Norte hasta la caída de Barcelona. Unidades formadas en su origen por milicianos del Requeté o la Falange, las Brigadas Navarras formaron parte muy principal en la masa de maniobra del Ejército de Franco, lugar natural elegido por un católico convencido como era Colmegna para prestar sus servicios asistenciales. Este libro es su diario de combate, relato vívido de la Guerra Civil a ras de trinchera, plagado de jugosas anécdotas, interesantes reflexiones sobre la sanidad militar y juicios de valor sobre una contienda luchada por ambos bandos con un extraordinario fervor ideológico y espiritual.

*La medicina en la Edad Moderna desde el prisma de las Humanidades* Rafael Massanet Rodríguez,2023-08-21

Throughout the Modern Age – marked by plagues, epidemics and death – the study of disease resulted in numerous manuals, treatises and books that attempted to provide answers to the unknown. The purpose of this volume is to understand the evolution of medicine in the Hispanic Modern Age beyond the strictly scientific field, and its relationship with the humanistic disciplines of the time.

**The Living Image in the Middle Ages and Beyond** Kamil Kopania,Henning Lauferud,Zuzanna Sarnecka,2025-02-25

This edited volume discusses images that bleed, speak, cry, move, and behave in ways we usually attribute to living creatures. Living images have been the object of devotion as well as targets of destruction, and they have been marginalised in both culture and cultural studies for their ambivalence as well as their transgressive nature. But what is it that makes images the loci of such powerful properties? The present volume is an attempt to recuperate the living image, draw it from the margins, and re-illuminate its importance for cultural history. The title of this book reflects the ambition of the contributions to navigate between the Middle Ages of the past and the Middle Ages of the present. Our aim is to provide new theoretical reflections and methodologies concerning the study of material agency and “living images” both historically and today. The chapters include close examination of surviving objects and archival research, as well as theoretical reflections, and span chronologically and geographically across Europe from North to South, medieval to modern. The book will be of interest to scholars working in art history, medieval studies, material culture, theatre studies, and religious history.

**El fuero de Alcaraz** Aurelio Pretel Marín,2008

*Mary in Our Life* Nicholas Joseph Santoro,2011-08-12 Mary In Our Life: An Atlas of the Names and Titles of Mary, The Mother of Jesus, and Their Place in Marian Devotion presents the 1,969 names, titles, and appellations used to identify the Blessed Virgin Mary over the centuries in terms of their history and related events. Within these titles and their history can be seen the official and private attitudes and prejudices of the times; government pressures, conflicts, and interdictions;

internal problems within the Catholic Church; and startling examples of dedication, devotion, and piety. Taken together, Marian titles are a real-life story of the Catholic faith.

Religious Pilgrimages in the Mediterranean World Antón M. Pazos,2023-02-01 Religious Pilgrimages in the Mediterranean World examines the evolution of recent theoretical and methodological trends in pilgrimage studies. It outlines key themes of research, including historical, anthropological, sociological and cultural approaches, to provide a comprehensive and interdisciplinary overview of the subject. Charting pilgrimages from 1500 through to the current day, the volume traces the recent research of Jewish, Muslim and Christian pilgrimages in the Mediterranean while also exploring avenues for future studies that go beyond the limitations of the past. Chapters also engage with travel literature, tourism and nationalism in relation to pilgrimage in this cutting-edge volume. Featuring essays from leading scholars in the fields of religious studies, geography and anthropology, this book is cross-cultural in focus and critical in approach, making it an essential read for all researchers of pilgrimage, religious history, religious tourism and anthropology
