The Prayer Celine Dion, Andrea Bocelli, 1998-12 Includes Italian lyrics.

Prayer as Transgression? Sheryl Reimer-Kirkham, Sonya Sharma, Rachel Brown, Melania Calestani, 2020-09-23 Healthcare settings are notoriously complex places where life and death co-exist, and where suffering is an everyday occurrence, giving rise to existential questions. The full range of society's diversity is reflected in patients and staff. Increasing religious and ethnic plurality, alongside decades of secularizing trends, is bringing new attention to how religion and nonreligion are expressed in public spaces. Through critical ethnographic research in Vancouver and London, *Prayer as Transgression?* reveals how prayer occurs in hospitals, long-term care facilities, and community-based clinics in a variety of forms and circumstances. Prayer occurs quietly on the edges of day-to-day healthcare provision and in designated sacred spaces. Some requests for prayer, however, interrupt and transgress the clinical machinery of a hospital, such as when a patient asks for prayer from the chaplain while the operating room waits. With contributions by researchers, healthcare practitioners, and chaplains, the authors consider how prayer transgresses the clinical priorities that mark healthcare, opening up ways to think differently about institutional norms and social structures. They show how prayer highlights trends of secularization and sacralization in healthcare settings. They also consider the ambivalences about prayer arising from staff and patients' varied views on religion and spirituality, and their associated ethical concerns amidst clinical and workload demands. A window onto religion in the public sphere, *Prayer as Transgression?* tells much about how people live well together, even in the face of personal crises and fragilities, suffering, diversity, and social change.

Behind The Voice Anthony Callea, 2023-04-05 An honest and candid memoir from one of Australia's most phenomenal voices. A story of determination, humility and self-discovery. Top 10, Booktopia's FAB Award All Anthony Callea wanted was to sing. From his first memories of singing for his family, Anthony knew that he wanted to share his voice with the world. He had a strongly held dream but was as surprised as anyone when his breakout moment (his heart-stopping rendition of 'The Prayer' on Australian Idol) turned him into a household name overnight. Now, in his own words, Anthony shares the joys and

challenges of becoming celebrated for his voice, all while navigating the twists and turns of life. It's a story of a kid from the working-class western suburbs of Melbourne with a big dream and an even bigger voice, who had to finish growing up in the spotlight. Anthony's 20-year career has spanned stage, arena, and screen, and he now invites you backstage to share his journey. One day you are working at a suburban shopping centre as a Freddo Frog mascot, the next you are topping charts, winning awards and sharing stages with Celine Dion, Mariah Carey and Whitney Houston. These candid, courageous and, at times, very amusing anecdotes take us beyond the slick facade of showbiz, to the hard work, blood, sweat, and tears that it takes to become one of Australia's most enduring and beloved entertainers.
