The Illuminati Mark Dice, 2009 Secret societies have both fascinated and frightened people for hundreds of years. Often the infamous Illuminati is mentioned as the core of conspiracies which span the globe. The Illuminati is actually a historical secret society which had goals of revolutions and world domination dating back to the 1770s. Since then, rumors and conspiracy theories involving the Illuminati continue to spread, sometimes finding their way into popular novels like Dan Brown's Angels & Demons and Hollywood movies like Lara Croft: Tomb Raider. Some men have even come forward claiming to be former members, offering details of what they allege are the inner workings of the organization. When you sift through all of the information available on the subject, you may be surprised that the truth is stranger than fiction. In The Illuminati:

The Second Coming and I: a Reading for Leanne Long John Kordupel,2018-07-03 No soul shall bear another's burden. The Koran as translated by N. J. Darwood. That being the case, you cannot inherit an illness from your parents. In her previous

life, Cherryl, my wife, was Mary Magdalene. When I told her that I was the Second Coming, the soul said Shit. Here we go again. Mary Magdalenes emotional baggage resulting from the crucifixion came off the cosmic shelf, and Cher came down with scleroderma, which would be the cause of her death. So began my odyssey how do you cure a dis-ease that had its genesis in a previous lifetime. In order to break your chain of rebirth, that is what you need to do. A spiritual master can be defined as someone who has broken their chain of rebirth.
