Golden Eclipse Tarot Guidebook Marie Satori, 2023-08-24 Golden Eclipse® Tarot Guidebook is the companion guidebook to psychic medium and astrologer Marie Satori's inaugural tarot deck. Along with descriptions and insights into the ancient form of storytelling known as tarot, it provides a deeper look into the parallel universal movements in Astrology and the corresponding inner process of spiritual awakening. All are interconnected, and The Golden Eclipse provides the symbolic

understanding necessary to harness the universe's energetic momentum as you recognize obstacles and learn karmic lessons, teaching you to transmute them into personal growth. Named after the merging of polar energies that catalyzes a Kundalini awakening, the unfoldment of this psycho-spiritual process within is what provides the archetypal context for the Fool's Journey. This allegory, as told through the cards and elaborated upon by the various modalities that informed the creation of this deck, provides you with invaluable insights - and tools - along the way. Follow along on The Fool's Journey into consciousness and towards enlightenment as depicted by the cards of the Major and Minor Arcana, including the astrological placement and transit whose energy corresponds to the meaning of each tarot card. Whether you are a seasoned tarot reader or a young, witchy newcomer to the field of esoterica, these time-honored tools for spiritual seekers activate the conscious recognition of the sacred process undergone between Spirit and Ego, immersing you in unity consciousness through cosmic reflections. As above, so below. As within, so without. As the universe, so the soul.
