The Last Full Measure (Divided We Fall, Book 3) Trent Reedy,2016-04-26 Trent Reedy brings his action-packed, provocative trilogy about the second American Civil War to a stunning and stirring close in *The Last Full Measure*. In a YA trilogy like no other, Trent Reedy has raised the most primal questions of our national existence: Do we owe our greatest loyalty to our friends? Our state? Our country? Our party? How do we reconcile our individual rights and common needs? What keeps us all united -- and what happens if we fall apart?Now, in this third book, the Second Civil War has come to an end in Idaho. The Feds have taken the fight to other fronts, and Danny and his friends are free of US dominance. But that freedom comes with considerable costs, from Danny's disturbing flashbacks to the war, to the Brotherhood of the White Eagle, whose security for Freedom Lake looks more like outright thuggery. After Danny makes a shocking discovery about the Brotherhood's final aims, he and his friends lead a group of townspeople on a dangerous journey across a ravaged Idaho, hoping to build a better society of their own, and fulfill the dreams they had in what once was the United States.

YES...1st Book of Poetry Thomas Marshall Penick, 2011-01-11 I lovingly, fondly, affectionately, and respectfully dedicate Y E S . . . my 1st Book of Poetry to my Mother and to my Father, Mario Hilton Penick. Of all the stars in the Universe of God's creations, my Mother and Father are at the pinnacle of the brightest shining stars. I cannot imagine anyone more deserving of praise and a justified sleep than my parents who stood by me through thick and through thin, nor my outstanding group of 4 Film Editors who taught me much of what I needed in order to begin my illustrious career in the

swarming sea of life of the motion picture business in the United States. I worked with 4 Academy Award Winners in the Film Editing profession on multiple assignments: Henry Berman, Ralph E. Winters, Michael Kahn, and Evan Lottman. I was fortunate to have known them as they were quite blessed to have known me. An abundance of blessings continues to cascade on me and around me as the years roll by. The enviable opportunity to work on a Paddy Chayefsky, Ken Russell of England picture, *Altered States*, was superseded by highly enjoyable moments spent in the company of Gordon Parks, Sr. on *Leadbelly* for Paramount Pictures, and the aptly named cult classic masterpiece, *The Spook Who Sat by the Door*, directed by the warm welcoming genius of Ivan Dixon. Life could not get much better than that, one would think. However, the years continue to roll aces and diamonds as I experience even greater satisfactions, from time to time, as an English tutor of adorable South Korean elementary, high school, and college students as a Saturday Book Discussion Leader. The names of Estee, Eun Hye, Ha Yeon, Joo Young, Jenny, Johnny of South Pasadena, as well as all of the other eager students will always remain with me as the moments of yesterday turn into the signposts of today, smoothly segueing into the milestones of tomorrow via the International Performing Arts Academy, founded by the legendary pianist Yeon Chang. Consequently, I have no choice but to say it simply, loudly, firmly, and clearly. My objective is to win the Pulitzer Prize in Letters: Poetry for the year 2012. My plan is to win the Nobel Prize in Literature for 4 straight years starting from 2012-2015. Thomas Penick's Review: Thom, I'm surprised on many levels. First, you did what said you would do and that was to publish by the end of the year. You are a man of many gifts. To do what you did in that time span takes a prodigious amount of talent and concentration. You put together a collection of unique works that are mostly biographical that presents a portrait of you and your family and all who are close to you. They are all original pieces that are rich and revealing. They make for good reading and the book should be in everyone's library. Best, Charles Burnett

Cases of Circumstantial Evidence Janet Lewis,2013-08-27 This is the first digital version of *Cases of Circumstantial Evidence*, a collection of three historical novels by noted American writer Janet Lewis. For the first time, these works have been brought together in a single edition, each with a new introduction by Kevin Haworth: *The Wife of Martin Guerre* Based on a notorious trial in sixteenth-century France, *The Wife of Martin Guerre* follows Bertrande de Rois and her lost-and-returned husband through a tale of impersonation, conspiracy, and small-town intrigue. Their fascinating story has also inspired a bestselling historical study and two films, including *The Return of Martin Guerre*. *The Trial of Sören Qvist* Although set in seventeenth-century Denmark, *The Trial of Sören Qvist* has a contemporary feel and has been praised for its

intriguing plot and for Lewis's powerful writing. In this second novel in the Cases of Circumstantial Evidence, Lewis recounts the story of a murder, an investigation, and a pious town pastor who confesses to the crime, driven perhaps more by a recognition of his own moral flaws than by guilt for the acts of which he stood accused. The Ghost of Monsieur Scarron The court of Louis XIV and a modest Paris street provide the incongruous settings for this tale of a humble bookbinder, his wife, and the young craftsman who seduces her and blackmails her husband into covering up a terrible crime. This third and last case of circumstantial evidence bristles with character, the smell of blood, and considerable suspense against a backdrop of national political unrest in the cruel and dingy Paris of the seventeenth century.
