The Prince Niccolò Machiavelli,2014-05-25T00:00:00Z The Prince is a book that was controversial before it had even been sent to the printer. Written in vernacular Italian instead of Latin, dedicated to a member of one of the most powerful Italian families of the day, and only printed after Machiavelli's death, this treatise on how to tyrannize effectively was considered shocking even by his contemporaries. The discussion of its morality that continues to this day gives us the modern-day word Machiavellian. The book is organized into several sections, each one giving direction on the ruthless rule of principalities that Machiavelli based on both reading and personal experience. Despite its controversial nature, The Prince is often cited as one of the first examples of modern philosophical thought, and the "advice" contained within is still quoted as relevant today. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Queen Bee Amalie Howard,2023-12-26 A teen girl seeking retribution against her backstabbing former best friend finds her plans slightly derailed once she catches the eye of a familiar, handsome marquess. Bestselling author Amalie Howard delivers a delightful, anti-historical Regency-era romp that's Bridgerton meets The Count of Monte Cristo! Lady Ela Dalvi knows the exact moment her life was forever changed—when her best friend, Poppy, betrayed her without qualm over a boy, the son of a duke. She was sent away in disgrace, her reputation ruined. Nearly three years later, eighteen-year-old Ela is consumed with bitterness and a desire for . . . revenge. Her enemy is quickly joining the crème de la crème of high society while she withers away in the English countryside. With an audacious plan to get even, Ela disguises herself as a mysterious heiress and infiltrates London's elite. But when Ela reunites with the only boy she's ever loved, she begins to question whether vengeance is still her greatest desire. In this complicated game of real-life chess, Ela must choose her next move: Finally bring down the queen or capture the king's heart?

Radical Tragedy Jonathan Dollimore,2010-04-09 When it was first published, Radical Tragedy was hailed as a groundbreaking reassessment of the drama of Shakespeare and his contemporaries. An engaged reading of the past with compelling contemporary significance, Radical Tragedy remains a landmark study of Renaissance drama and a classic of cultural materialist criticism. The corrected and reissued third edition of this critically acclaimed work includes a candid new Preface by the author and features a Foreword by Terry Eagleton.

The Politics Book DK,2015-03-02 Politics affects us all and the same questions reverberate across history. Who should

rule? Is property theft? What's mightier - the bullet or the ballot? Discover 80 of the world's greatest thinkers and their political big ideas that continue to shape our lives today. Humankind has always asked profound questions about how we can best govern ourselves and how rulers should behave. The Politics Book charts the development of long-running themes, such as attitudes to democracy and violence, developed by thinkers from Confucius in ancient China to Mahatma Gandhi in 20th-century India. Justice goes hand in hand with politics, and in this comprehensive guide, you can explore the championing of people's rights from the Magna Carta to Thomas Jefferson's Bill of Rights and Malcolm X's call to arms. Ideologies inevitably clash and The Politics Book takes you through the big ideas such as capitalism, communism, and fascism exploring their beginnings and social contexts in step-by-step diagrams and illustrations, with clear explanations that cut through the jargon. Filled with thought-provoking quotes from great thinkers such as Nietzsche, Karl Marx, and Mao Zedong, The Politics Book is a thought-provoking and unmissable read for both students and everyone interested in how the world of government and power works. Series Overview: Big Ideas Simply Explained series uses creative design and innovative graphics along with straightforward and engaging writing to make complex subjects easier to understand. With over 7 million copies worldwide sold to date, these award-winning books provide just the information needed for students, families, or anyone interested in concise, thought-provoking refreshers on a single subject.

Routledge Handbook of Middle East Politics Larbi Sadiki, 2020-03-31 Drawing on various perspectives and analysis, the Handbook problematizes Middle East politics through an interdisciplinary prism, seeking a melioristic account of the field. Thematically organized, the chapters address political, social, and historical questions by showcasing both theoretical and empirical insights, all of which are represented in a style that ease readers into sophisticated induction in the Middle East. It positions the didactic at the centre of inquiry. Contributions by forty-four scholars, both veterans and newcomers, rethink knowledge frames, conceptual categories, and fieldwork praxis. Substantive themes include secularity and religion, gender, democracy, authoritarianism, and new borderline politics of the Middle East. Like any field of knowledge, the Middle East is constituted by texts, authors, and readers, but also by the cultural, spatial, and temporal contexts within which diverse intellectual inflections help construct (write-speak) academic meaning, knowing, and practice. By denaturalizing notions of singularity of authorship or scholarship, the Handbook plants a dialogic interplay animated by multi-vocality, multi-modality, and multi-disciplinarity. Targeting graduate students and young scholars of political and social sciences, the Handbook is significant for understanding how the Middle East is written and re-written, read and re-read (epistemology, methodology), and for how it comes to exist (ontology).

Finding Love in an Upside-Down World Patricia E. Flinn, 2024-07-17 Finding Love in an Upside-Down World is a memoir about the wacky, spontaneous, and humorous adventures of a bright, sassy, spirited girl living with her unconventional, loving family in a small gritty tenement in Hoboken, New Jersey during the 1950s and 60s. A motley cast of

zany characters including family members, teachers, neighbors and friends appear and disappear along the way as she travels through grammar, high school and college where she eventually meets, falls in love with her brilliant literature professor, and begins a whirlwind, unforgettable romance. They marry a year later in 1971, and buy an old farm house a short distance away from a theater owned by a colorful community of eccentric actors. The marriage lasts for forty-seven amazing, magical years until death separates them in 2016. Drawing parallels between the unpredictable nature of human existence and the subatomic world of Quantum Mechanics the memoir ends by satirizing how the best intentions of life often go awry. Or as John Lennon once said, "Life is what happens to you, when you're busy making other plans." Finding Love in an Upside Down Universe may make you think as well as laugh.

The Struggles of Johnny Cannon Isaiah Campbell, 2015-10-13 From Cuba to Cullman, Alabama, the dramatics continue in this follow-up to *The Troubles of Johnny Cannon*, an action-packed adventure that Booklist called "a book that addresses important historical events with tact and poignancy." Johnny Cannon is back, and he's still got problems. He's trying to find a happy ending with Martha Macker, whom he's accidentally told he loves like a sister. His best friend's Willie's family is being pressured to move out of Cullman to who knows where. A pregnant lady's shown up and claims she's carrying his deceased brother's baby. His Pa is still using the radio in the garage, calling himself and his two friends "the Three Caballeros." And to make matters worse, the Mafia has a price tag on Johnny's head twice the size of Cuba. Johnny Cannon is going to need all the help he can get.

See You On Venus! Geoffrey j Canavan, 2011-08 *See You on Venus!* is a book about learning to let go of your investment in self-imposed limitations so that you can dismantle the blocks you have created to your innate freedom, success, choice, happiness and completion. It is also a book about hope, observation and reconnecting with your lost self - the self of perfect success, happiness and harmony. Like a half-remembered song, each one of us carries a distant memory of how that perfection feels, but this memory is clouded by what we have learned on our journey through life. The message is simple: you have the power to bring together the parts of yourself that have become fragmented and to become one daring and truthful

realization of the perfect star you truly are. See You on Venus! shows that you can stop undermining yourself and that you can hold the belief of the truth of what you can be. Remember, never lose moments in your own time when a decision to make a new choice or to see the world in a new way can be so freeing. Whatever aspect of your life you want to focus on, however you define 'success' or 'happiness', wherever you want to take that inner perfection, it's really only a matter of realizing the unlimited resource that you already are (and always were) and reconnecting with what you have forgotten about your perfect self. We all start perfectly successful. We all start complete. We acquire failure. Real success is based on who we are within rather than anything we come by externally. The willingness to look at ourselves in a light of perfection, success, inclusion and completion provides a real opportunity to move forward in the true meaning of peace and happiness. In this book, Geoffrey Canavan explores the intrinsic nature of success and produces a universal road map for real life that can be tailored to corporate or individual needs. A must-read for business and individual decision-making. - Jerry Flynn, MD Sony Pictures There is a way of thinking that will bring peace and happiness into our life; that will free us to the memory of a perfectly whole, completely loving and forgotten Self. It is an awareness that mystics and philosophers through the ages have tried to explain and teach how to access. Geoffrey Canavan is a modern mystic with the unique ability of explaining why and how our lives function the way they do and- most importantly-in concepts we can relate to and using language we understand, showing us how to make choices that will change our self-perception, and then the world that it has made for us. In a world made from the belief that there is 'something wrong with me, ' See You On Venus, offers a refreshing and needed alternative to the beliefs that have made the ego's perception seem true. In a world given to finding better ways to defend ourselves and maintain the 'distance' between us, it offers a way to find real healing through forgiveness and joining. For anyone willing to be truly happy or to 'risk' finding the truth of who and what they really are, See You On Venus, will be a blessing and a joy! - Tom Carpenter, Author and founder of The Forgiveness Project More than ever, individuals, families, organizations, and governments need to create a vision for success that helps to deliver true happiness, abundance and freedom. Geoffrey Canavan shows us the way. - Robert Holden Ph.D author of Shift Happens, Happiness Now, Success Intelligence and Be Happy As things tighten up, the drive to succeed grows stronger. Widespread exploration of getting to the root and playing the inner game of succeeding in life - achieving results from the inside out - is fast gaining traction. Geoffrey Canavan presents as highly evolved, insightful and succinct a view as you'll get. World-class! - Stephen Russell, the Barefoot Doctor, author of Supercharged Taoist and 12 other titles

Every Man Sees You Naked: An Insider's Guide to How Men Think David M. Matthews,2015-06-18 Employing equal measures of wit and wisdom, Emmy Award-winning composer/writer/producer (The Young and the Restless, The Nanny, Half & Half) David M. Matthews leads you on an amusing yet highly informative journey through the seamy

underbelly of the male mind. Shameless in its honesty and lacking any pretext of political correctness, *Every Man Sees You Naked* explodes the myths about men and answers the questions you've been dying to ask but didn't quite know how. Among other things, this book will reveal: · The disconcerting truth about why guys ask you out · The surprising things men like and what they really hate · What men truly look for in a woman · What guys secretly want in bed · How to understand what a man is actually saying · What motivates guys to behave in the odd way they do · The 'dirty little secrets' the men in your life are keeping · Who 'man's best friend' really is (and no, it's not you, the dog, or the TV remote) · Why almost everything you believe to be true about men isn't Finally the truth is just a few page turns away. So, why are you still wasting time reading this description?

Billionaire's Love Brenda Pearson, 2016-08-02 Megan Harrison has already been burned once by billionaire Max Pierce. Burned badly. He was her first true love, and she'd given him everything she had to offer. She'd thought he loved her too - that is, until he ended their relationship by leaving her a casual note wishing her well. Now, after three years of licking her wounds, Megan finds herself unavoidably thrown into daily contact with Max when he enters into her professional life. But this time, things are different. No longer a naïve university student who believes in true love, Megan is in the driver's seat. Despite Max's protestations that leaving her was a mistake and that he is a changed man, Megan knows better. Max might seem to have everything else - power, success, looks - but he can't have her. No matter how much he says he loves her, no matter how much he is there for her, she can't let history repeat itself. Or can she?

Time to Depart Lindsey Davis, 2015-06-30 Petronius Longus, captain of the Aventine watch and Falco's oldest friend, has finally nailed one of Rome's top criminals. Under Roman law, citizens are not imprisoned but are allowed time to depart into exile outside the Empire. One dark and gloomy dawn, Petro and Falco put the evil Balbinus aboard a ship. But soon after, an outbreak of robbery and murder suggests a new criminal ring has moved into Balbinus's territory. Petro and Falco must descend into the underworld of Vespasian's Rome to investigate.

Imitating a Fae Queen Joanna Reeder, 2021-01-21 Aria Whisk has a cute boyfriend, amazing foster parents... and some missing memories. But she's happy. When Aria's boyfriend's brother, Tien (who happens to be a powerful fae captain) notices that she resembles their missing queen—like... an uncanny likeness—he asks her to travel through the portal to Faerie to save his precious Raven Court. Going to Faerie sounds about as fun as taking her midterms. Both make her stomach churn. She politely declines, but Tien, being the diligent fae captain he is, won't take no for an answer and kidnaps her. Tien promises Aria's captivity will be temporary if she can convince the kingdom she is their beloved queen, alive and well. But

faeries aren't all wings and pixie dust. Some lure you into their mounds to make you their dinner. Some want to drown you before they eat you. And some give you reasons that make you want to stay forever. Even if she succeeds at being a royal, Aria might never make it back home. ♦Imitating a Fae Queen is perfect for fans of The Iron King and The Vampire Diaries. If you love brooding fae captains, terrifying water horses, and best-friend romance, you'll love this page-turning fae fantasy. ♦Imitating a Fae Queen is Book One in the Raven Court Series by USA Today bestselling author, Joanna Reeder.

Israel's Crossing F. C. Hansen, 2008-12 Will Israel after promises delivered some four thousand years ago come together where the Messiah again speak to His people'. The temple remains to be build and the priestly garments find their place in the temple. My writing this book is to open towards the teaching that God has given us the Messiah, Yeshua is about to return to deliver on the promise delivered by the prophets. Israel's Crossing will provide with facts in History and bring Old and New covenant scripture where Jews and Gentiles cross the land to receive their Yeshua as their Messiah. Every believer should enhance their personal position on the word given first to the Jew and then to the Gentile. Author F.C. Hansen speak with rabbis and get their input on the importance of spiritual heritage based on covenants established more than four thousand years ago, these discussions together with Christian literature englobe a rich feature set where the Land on the other side represents purification from sin that will enable Jews to cross from an Old and perishable Covenant to a New and lasting Covenant.
