Let It Bleed Pamela Des Barres, 2017-04-18 Author of the international bestseller *I'm with the Band: Confessions of a Groupie*, Pamela Des Barres shares with women the art of memoir writing. For the last fourteen years, Pamela Des Barres has been teaching an eight-week women's femoir writing workshop. She found that the music-loving ladies who showed up at her door had pent-up stories to tell. Many of them had read her two memoirs, which were wildly personal and deeply confessional, and felt comfortable opening up and experiencing that same freedom of expression. In this book, Des Barres guides women through the process of writing their memoirs. She has developed exercises to help her dolls recall, remember, relive, and reveal their memories, transgressions, temptations, their sleepless nights and brilliant afternoons, loves and losses, fears and regrets, secrets, sins, and sorrows. The assignments in *Femoir* have proven incredibly cathartic for her students. Just as intimate as one of her in-person workshops, this book includes some of Des Barres's own stories, as well as those of the women she's taught. Every person has an incredible story to tell—they just need to figure out how to tell it. By understanding themselves better through these writing exercises, women learn to be more fearless, free-spirited, and willing to try something new.

Life in Motion Misty Copeland, Brandy Colbert, 2022-11-08 Determination meets dance in this middle grade adaptation of the New York Times bestselling memoir by the first female African-American principal dancer in American Ballet Theatre history, Misty Copeland. Misty Copeland has been breaking down all kinds of barriers in the world of dance, becoming the first African-American principal dancer at the American Ballet Theatre. But when she first started dancing--at the late age of

thirteen--no one would have guessed the shy, underprivileged girl would one day make history in her field. Her road to excellence was not easy. A challenging home life was a stark contrast to the control and comfort she found on stage. And when her home life and incredible dance promise began to clash, Misty had to learn to stand up for herself and navigate complex relationships with her family and the dance world, while pursuing her ballet dreams. *Life in Motion* is a story for all the kids who dare to be different, dream bigger, and aspire to break stereotypes in whatever they do.

If I'd Known Then Ellyn Spragins, 2010-06 Spragins's ingenious book is the rare self-help volume that young women would elect to read and decidedly enjoy. The author profiles 35 highly accomplished women and asks them to write a letter of counsel or encouragement addressed to their younger selves. The result is a collection of life directives that are highly personal and disarmingly honest. The contributors who include actress Jessica Alba, activist Zainab Salbi and comic book artist Ariel Schrag are stars in their own right, but their letters reveal that even winners have problems—the same fears, concerns and shortcomings as anyone else. And in many cases they are still struggling—which raises the question: how wise can women in their 20s and 30s (no matter how accomplished) be? Very, it turns out. These artists, athletes and entrepreneurs compassionately address bad relationships, bullies, eating disorders and crises of faith without ever sounding jaded or condescending. This book offers sound advice and is highly recommended for women just starting out.

In *Black Woman Redefined*, Nelson sets out to change this cultural perception, taking readers on a no-holds-barred journey into the hearts and minds of accomplished black women to reveal truths, tribulations, and insights like never before. Writings on the Wall Kareem Abdul-Jabbar, Raymond Obstfeld, 2016-08-23 A New York Times and Washington Post Bestseller Bestselling author, basketball legend and cultural commentator Kareem Abdul-Jabbar explores the heart of issues that affect Americans today. Since retiring from professional basketball as the NBA's all-time leading scorer, six-time MVP, and Hall of Fame inductee, Kareem Abdul-Jabbar has become a lauded observer of culture and society, a New York Times bestselling author, and a regular contributor to The Washington Post, TIME magazine and TIME.com. He now brings that keen insight to the fore in *Writings on the Wall: Searching for a New Equality Beyond Black and White*, his most incisive and important work of non-fiction in years. He uses his unique blend of erudition, street smarts and authentic experience in essays on the country's seemingly irreconcilable partisan divide - both racial and political, parenthood, and his own experiences as an athlete, African-American, and a Muslim. The book is not just a collection of expositions; he also offers keen assessments of and solutions to problems such as racism in sports while speaking candidly about his experiences on the court and off. Timed for publication as the nation debates whom to send to the White House, the combination of plain talk on issues, life lessons, and personal stories places *Writings on the Wall* squarely in the middle of the conversation, as many of Abdul-Jabbar's topics are at the top of the national agenda. Whether it is sparring with Donald Trump, within the pages of TIME magazine, or full-length features in the The New York Times Magazine, writers, critics, and readers have come to agree on what The Washington Post observed: Abdul-Jabbar has become a vital, dynamic and unorthodox cultural voice.
