**Mastering the Power of Your Emotions** Elisha O. Ogbonna, 2014-07-17 The Greek stoic philosopher Epictetus believed that what happened to an individual was not as important as how that individual reacted to it. Some two thousand years later, Aldous Huxley put it this way: Experience is not what happens to you; it's what you do with what happens to you. It is only when the events and obstacles of the world around us are mapped onto our emotional landscapes that they truly become part of us. To alter your emotional landscape, therefore, is to profoundly alter who you are and who you are capable of becoming. Elisha Ogbonna has spent years delving into the subject of emotions, recognizing that the ability to master your emotions is tantamount to controlling your experience and shaping the world around you. For Ogbonna, the Huxley observation could be fashioned into a simple yet profound goal: controlling what happens in you irrespective of what happens to you. In *Mastering the Power of Your Emotions* you will be presented with an instructive map of the emotional landscapes so many of us are forced to navigate. Furthermore, you will be introduced to Five Major Laws of Emotion and be afforded insights on how to command your emotions and break old patterns of behaviour and response. Don't live at the mercy of your emotions. Learn to harness your potential and shape your life into an experience worthy of you.

*Destroy the Destroyer* Charles Ofori Akrofi, 2017-04-26 The world is waiting for the manifestation of the children of God for their salvation. Bitterness is one of the ways by which the devil makes sure that this manifestation does not happen. God is love and so should his children be. Have you ever done something for somebody and expected a thank you and there was absolute silence? What about a false accusation? Were you abused as a child or are you still being abused, betrayed or rejected? Have you ever been a victim of rape? Dismissed from your job unjustifiably or undermined at the work place? How does it feel when it is a wife, a husband or a loved one? It hurts even the more. If you are hurting as a result of being bitter or you want to help someone Destroy the Destroyer will assist you. Destroy the Destroyer will take you through some of the causes of bitterness with examples from the bible, its deadly effects on the individuals and how some of them dealt with it

and how you can also deal with it. You will also find real interesting stories of people who lived in bitterness and how it affected their lives. Learn how to prevent bitterness from taking root in your life and free yourself from the prison of anger?

*Positive Thinking: Self help: Discover the Power of Positive Thinking and Change Your Mindset to Become an Optimist (Using The Power of Belief to Destroy Negativity)* Jerome Wise, Positive thinking is the best and most powerful tool you can have to achieve happiness and success. Research studies confirm that it brings about happiness, health, success, inner peace, improved relationships and longevity. It makes your life easier, richer and more fun. It is also contagious. People around positive people become positive themselves and very soon, the whole place is a great place. Unfortunately, many are not able to use this wonderful force because they are bogged down by negative thinking, which does the exact opposite. You need to change your mindset to positive if you want to experience and achieve happiness and success in your life. What do you usually do when you are bombarded with a lot of challenges in your life? Do you easily give up and stay in the corner cursing and blaming the universe for your problems? Do you depend on your vices just to cope up with the stress of it all? Or you simply shut other people out of your life and live in your own dark and dramatic world? When facing problems, do you then feel that there's no escape and you wish that you could magically be gone in an instant? If that's the case, then you seriously need to reboot yourself, start thinking positively and live life extraordinarily You are about to discover how to: Become a happier, more centered and positive person Reduce stress and anxiety Experience a period of calm that can open new doors to self-awareness each day Let go of the negative thoughts and emotions holding you back Become actively aware of your mental and emotional state Reject negative thoughts and emotions Much more... **Born to Wander** Michelle Van Loon, 2018-07-03 Why are we so restless? All of us have a little wanderlust—a desire for that next thing, that new place, but this competes with our longings for security, control, and safety. We don't like how it feels to be unsettled and uprooted. Whether we're navigating a season of transition, dealing with the fallout of broken relationships, or wrestling with a deep sense of restlessness, we are all experiencing some form of exile. And most of us do whatever we can to numb the feelings of unbelonging, powerlessness, and unsettledness that come with it. But the truth is that exile has a profound purpose if we can just learn to lean in. Over and over again Scripture tells us that the people of God are exiles and wanderers. And this is good news because exile is what transforms us into pilgrims. In Christ, we are no longer directionless wanderers, but pilgrim followers who have a clear purpose and a secure identity. In *Born to Wander*, Michelle Van Loon weaves together personal stories and keen insights on the biblical themes of pilgrimage and exile. She will help you embrace your own pilgrim identity and reorient your heart toward the God who leads you home. Engaging and thoughtful, enhanced with practical suggestions, prayers, and questions, *Born to Wander* will teach how to trust God even when you

don't understand what's happening around you and follow Him even when it hurts. If you keep chasing security, you'll never find it. Embrace the purpose behind the wandering and discover the freedom and safety of resting in God alone. "Every one of us carries a restlessness that runs as deep as the marrow of our born-again bones. Our relationships shift like tectonic plates. We change jobs. We switch churches. And our culture tells us the cure for our restlessness is to buy a new mattress, a new car, or a new tube of toothpaste."
