“My People, What Have I Done to You?”: The Good Friday Popule meus Verses in Chant and Exegesis, c. 380-880 Armin Karim, 2014-04-04 The Roman Catholic Good Friday liturgy includes a series of chants known today as the Improperia (Reproaches) beginning with the following text: Popule meus, quid feci tibi? aut in quo contristavi te? responde mihi. Quia eduxi te de terra Egypti, parasti crucem Salvatori tuo (My people, what have I done to you, or in what have I grieved you? Answer me. Because I led you out of the land of Egypt, you prepared a cross for your Savior). The earliest witness to the chants is a Carolingian liturgical book from around 880, but it is agreed among scholars that their history extends back farther than this. Employing comparative analysis of Biblical exegesis, chant texts, and chant melodies, this study suggests that the initial chant verse, Micah 6:3-4a plus a Christianizing addendum (My people... you prepared...), originated in northwestern Italy between the end of the 4th century and the end of the 7th century and carried associations of the Last Judgment, the Passion, and Christian works, penitence, and forgiveness. Although previous scholarship has sometimes pointed to the Reproaches as a key text of Christian anti-Jewish history, it is clear that the initial three verses, the Popule meus verses, originally held allegorical rather than literal meanings. The fact that there are several preserved Popule meus chants across various liturgical repertoires and, moreover, several sets of Popule meus verses in a smaller subset of these repertoires--in northern Italy, southern France, and the Spanish March--bespeaks the pre-Carolingian origins of the Popule meus verses and raises the question of why the verses appear in the Carolingian liturgy when they do. This study proposes that the Popule meus verses were incorporated into the Carolingian liturgy at the Abbey of Saint-Denis under the abbacy of Charles the Bald (867-77). In the Adoration of the Cross ceremony adopted from Rome, paired with the Greek Trisagion, and carrying Gallican melody and meaning, the Carolingian Popule meus verses would have been an ecumenical declaration, as they spread, of the expediency of the crucified Christ and a penitent people, even in the face of impending political disintegration.

The Easter Jesus and the Good Friday Church Gregory S. Athnos, 2023-05-26 Is the turning point of human history the Jesus of the cross or the Christ of the resurrection? We live on this side of the resurrection, yet we act as if we are on the far side of the crucifixion. Staring into the cross from the Good Friday perspective makes it difficult to see beyond it. It consumes us. It blocks our vision. Even though we understand in our minds there was a Sunday we continue to stand in our

hearts on Friday. Are we missing life in the brilliant light of the resurrection? Try to imagine the profound transformation from the disciples' broken spirit on Friday to their heart-stopping joy on Sunday evening. Transformation was truly so wrenching there could never be a return to their pre-resurrection world. They began to see the cross through the lens of the resurrection, every time. The risen Lord became their launching pad for faith, and from that glorious platform they reached back and embraced his crucifixion. It should be the same for us!

Good Friday's Good News Eric W. Gritsch, 2014-07-23 This book is a collection of seven Good Friday homilies by the late Rev. Dr. Eric W. Gritsch. Due to the fact that this respected historian, writer, teacher, and preacher rarely wrote his sermons, this book of printed meditations will be a treasured addition to any library. Here Gritsch captures the essence of Christian theology, highlighting the concepts with his understanding of human history and human foibles. The insights and wit for which this beloved teacher is known abound in this small volume. In this collection, the seven last words of Christ from the cross are made relevant for those in the twenty-first century who live the daily experiences of their lives trying at all times to be faithful Christians. Page by page the good news of Good Friday is made real!

Micah in Ancient Christianity Riemer Roukema, 2019-09-02 What happened when the writing of the Old Testament prophet Micah from the 8th century BCE was read and interpreted by Christians in the 1st to 5th century BCE? This research meticulously describes data from patristic commentaries and other ancient Christian works in Greek and Latin, as well as the remains of Gnostic receptions of Micah, and it analyses the interpretative strategies that were adopted. Attention is paid to the partial retrieval of Origen's Commentary on Micah, which is lost nowadays, but was used by later Christian authors, especially Jerome. This work includes the ancient delimitation of the Septuagint version and patristic observations on the meaning of particular terms. Other aspects are the liturgical readings from Micah's book up to the Middle Ages, its use in Christ's complaints about Israel on Good Friday (the Improperia), and a rabbinic tradition about Jesus quoting Micah. It is noted whenever patristic authors implicitly use or explicitly quote Jewish interpretations, many of which are supplied with parallels in contemporaneous or medieval Jewish works. This first comprehensive survey of the ancient Christian reception and interpretation of Micah is a valuable tool for Biblical scholars and historians.

The High Middle Ages Kari Elisabeth Børresen, Adriana Valerio, 2015-11-20 An international collection of ecumenical, gender-sensitive interpretations The latest volume in the Bible and Women series examines the relationship between women and the Bible's reception in the centuries of the High and Late Middle Ages in Europe. Contributors bring a variety of new insights to questions of how women of the Bible were treated in literary, mystical, and doctrinal texts as well as in art and music. Though the Bible was used to legitimize the subordination of women to men and to exclude them from power, during this period women produced works of theology and biblical interpretation. Contributors include Gemma Avenozza, Marina Benedetti, Dinora Corsi, Maria Laura Giordano, Elisabeth Gössmann, Maria Leticia Sánchez Hernández, Hildegund Keul, Linda Maria Koldau, Martina Kreidler-Kos, Rita Librandi, Gary Macy, Constant J. Mews, Magda Motté, Rosa María Parrinello, María Isabel Toro Pascua, Claudia Poggi, Carmel Posa, Marina Santini, Valeria Ferrari Schiefer, Andrea Taschl-Erber, Adriana Valerio, and Paola Vitolo. Features Essays on the treatment of women in commentaries and didactic moral literature written by men Close study of women as scholars and interpreters of the Bible from the twelfth through the fifteenth centuries Twenty-one essays from twenty-three scholars from around the world

The Medicine-Men of the Apache John G. Bourke,2023-12-14 In *The Medicine-Men of the Apache*, John G. Bourke offers a groundbreaking ethnographic exploration of the spiritual and healing practices among the Apache tribes of the American Southwest during the late 19th century. Bourke's narrative blends meticulous fieldwork with a rich tapestry of native lore, utilizing a vivid and descriptive literary style that reflects both reverence and curiosity for Apache culture. This work is situated in the context of the burgeoning interest in indigenous studies during a time when the dislocation of Native American communities prompted a critical reevaluation of their traditions and beliefs. John G. Bourke, a military officer in the U.S. Army, forged his understanding of native cultures through his interactions with the Apache people during his service in the territory. His firsthand experiences and his extensive research serve as a lens through which the complex roles of medicine men, their rituals, and their significance within Apache society are artfully unveiled. Bourke's commitment to documenting their practices stems from his belief in the importance of preserving indigenous wisdom and the profound impact of cultural encounters in shaping American history. This compelling account is not just an academic treatment but a heartfelt plea for understanding and respecting indigenous practices. Students and scholars of anthropology, history, and indigenous studies will find *The Medicine-Men of the Apache* enlightening, as it grants readers a unique glimpse into the intricate relationship between spirituality and healing within Apache culture, making it an essential read for anyone interested in the intersection of medicine and anthropology.

Journey of Stones Steven Molin, 2002 This sermon series for Lent and Easter draws on the rich imagery of rocks and stones in scripture. These powerful messages center around the compelling metaphor of stones (and our willingness to throw them) as representative of our sins. As worshipers enter the sanctuary they are invited to pick up stones as a concrete symbol of each sermon's theme; then as the message concludes the stones are placed at the foot of the cross. When the stones disappear on Easter (just like the stone sealing Jesus' tomb), it's a vivid illustration of how the Lord also removes our stones of sin. Each chapter includes several thought-provoking discussion questions to spur further reflection. With messages for Ash Wednesday, five weeks of Lent, Maundy Thursday, Good Friday, and Easter Sunday, this is an excellent resource for Lenten midweek programming. Molin takes us on a journey of prayerful and honest repentance -- a powerful and life-changing journey of celebration, of grace, of awe at the miracle of the empty tomb and the promise of life.... Pastor Molin is one of the best sermon story-tellers I've heard. But each sermon and every story also teaches a biblical text. These sermons are grounded in the living Word of God... (from the Foreword) -- Glenndy L. Sculley, Bishop's Associate, Minneapolis Area Synod, Evangelical Lutheran Church in America We used the *Journey of Stones* as a Sunday Morning preaching series with some modifications. The book and series was a wonderful way to remind all of us that although we are weighed down with our own sins, as represented by the stones each week, Christ rolled away the stone that separates us from God at the resurrection and took the weight of our sin upon Himself. He took our burden on Himself and give us new life. Thanks for being willing to offer such an inspirational book.-- Pastor Jerry Van Auken Steven Molin is the senior pastor of Our Savior's Lutheran Church (ELCA) in Stillwater, Minnesota. He has also served parishes in Oregon and South Dakota, and been an area director for the youth ministry organization Young Life. Molin is a graduate of Concordia University (St. Paul, Minnesota) and Luther Theological Seminary.
