So You Want to Talk About Race Ijeoma Oluo,2019-09-24 In this #1 New York Times bestseller, Ijeoma Oluo offers a revelatory examination of race in America. Protests against racial injustice and white supremacy have galvanized millions around the world. The stakes for transformative conversations about race could not be higher. Still, the task ahead seems daunting, and it's hard to know where to start. How do you tell your boss her jokes are racist? Why did your sister-in-law hang up on you when you had questions about police reform? How do you explain white privilege to your white, privileged friend? In *So You Want to Talk About Race*, Ijeoma Oluo guides readers of all races through subjects ranging from police brutality and cultural appropriation to the model minority myth in an attempt to make the seemingly impossible possible: honest conversations about race, and about how racism infects every aspect of American life. Simply put: Ijeoma Oluo is a necessary voice and intellectual for these times, and any time, truth be told. —Phoebe Robinson, New York Times bestselling author of *You Can't Touch My Hair*

Get Free Tricia Ebarvia,2023-09-23 --School Library Journal, starred review What would it mean to truly get free as an educator? How can we identify and challenge bias in our reading and writing curriculum and instruction? How can we support students in becoming empathetic, engaged individuals who can communicate with the world through reading and writing skills developed with compassion and critical thinking? Answering these questions requires deep personal reflection and intentional daily practice — and it's crucial today more than ever, when students are overwhelmed with misinformation and disinformation. Drawn from decades of classroom experience and founded on the scholarship of social justice educators, Tricia Ebarvia provides a framework that can help teachers implement transformative, anti-bias literacy instruction in middle- and high school classrooms. *Get Free* offers educators strategies for scaffolding literacy instruction in ways that center students' identities and experiences, and help them develop a more inclusive understanding of literature and writing. Classroom structures and routines that support critical listening and open, authentic conversation and writing responses. Invitations for teachers to re-examine curriculum and instructional practices, based on a deeper sense of who we are and what we bring to every reading and writing experience. To develop stronger reading, writing, and critical thinking skills, anti-bias literacy instruction is essential. This is the book for teachers, new and experienced, who know that classrooms can be transformative, liberatory spaces where students better understand themselves, others, and the world. Imagine the

possibilities if we could just get free...

Critical Dilemma Neil Shenvi, Pat Sawyer, 2023-10-03 World Magazine 2023 Book of the Year Where Are Critical Theory and the Social Justice Movement Taking Us? Critical theory and its expression in fields such as critical race theory, critical pedagogy, and queer theory are having a profound impact on our culture. Contemporary critical theory's ideas about race, class, gender, identity, and justice have dramatically shaped how people think, act, and view one another—in Christian and secular spheres alike. In *Critical Dilemma*, authors Neil Shenvi and Pat Sawyer illuminate the origins and influences of contemporary critical theory, considering it in the light of clear reason and biblical orthodoxy. While acknowledging that it can provide some legitimate insights regarding race, class, and gender, *Critical Dilemma* exposes the false assumptions at the heart of critical theory, arguing that it poses a serious threat to both the church and society at large. Drawing on exhaustive research and careful analysis, Shenvi and Sawyer condemn racism, urge Christians to seek justice, and offer a path forward for racial healing and unity while also opposing critical theory's manifold errors.

Let's Talk Race Fern L. Johnson, Marlene G. Fine, 2023-05-16 Real conversations about racism need to start now Let's Talk Race confronts why white people struggle to talk about race, why we need to own this problem, and how we can learn to do the work ourselves and stop expecting Black people to do it for us. Written by two specialists in race relations and parents of two adopted African American sons, the book provides unique insights and practical guidance, richly illustrated with personal examples, anecdotes, research findings, and prompts for personal reflection and conversations about race. Coverage includes: Seeing the varied forms of racism How we normalize and privilege whiteness Essential and often unknown elements of Black history that inform the present Racial disparities in education, health, criminal justice, and wealth Understanding racially-linked cultural differences How to find conversational partners and create safe spaces for conversations Conversational do's and don'ts. Let's Talk Race is for all white people who want to face the challenges of

talking about race and working towards justice and equity.

White Allies Matter Vanisha Parmar,Aseia Rafique,2022-03-15 Why do organizations and individuals in the UK and

other countries still deny the realities of structural racism and unconscious bias? And when there is an acknowledgement of the problem, why are long-term solutions constantly avoided? Drawing on their personal backgrounds, professional experience and extensive research, Vanisha Parmar and Aseia Rafique expose the hypocrisy around racism in our organizations and society at large. *White Allies Matter* is a passionate and practical guide for starting conversations about racism and setting the groundwork for meaningful change.

Frequently Asked White Questions Ajay Parasram, Alex Khasnabish, 2022-11-01T00:00:00Z Are you a white person with questions about how race affects different situations, but you feel awkward, shy or afraid to ask the people of colour in your life? Are you a racialized person who is tired of answering the same questions over and over? This book is for you: a basic guide for people learning about racial privilege. In *Frequently Asked White Questions*, Drs. Alex Khasnabish and Ajay Parasram answer ten of the most common questions asked of them by people seeking to understand how race structures our every day. Drawing from their lived experiences as well as live sessions of their monthly YouTube series *Safe Space for White Questions*, the authors offer concise, accessible answers to questions such as, “Is it possible to be racist against white people?” or “Shouldn’t everyone be treated equally?” This book offers a thoughtful and respectful guide for anyone trying to figure out “woke” politics without jargon and judgement.

The Crisis of Connection Niobe Way, Alisha Ali, Carol Gilligan, Pedro Noguera, 2020-01-07 A collection of essays that examine the causes of and provide solutions to the widespread alienation and disconnection that beset modern society. Since the beginning of the 21st century, people have become increasingly disconnected from themselves, each other, and the world around them. A “crisis of connection” stemming from growing alienation, social isolation, and fragmentation characterizes modern society. The signs of this crisis of connection are everywhere, from decreasing levels of empathy and trust, to burgeoning cases of suicide, depression and loneliness. The astronomical rise in inequality around the world has contributed to the critical nature of this moment. To delve into the heart of the crisis, leading researchers and practitioners draw from the science of human connection to tell a five-part story about its roots, consequences, and solutions. In doing so, they reveal how we, in modern society, have been captive to a false narrative that takes individualism as a universal truth. The new story now emerging from across the human sciences underscores our social and emotional capacities and needs. The science also reveals the ways in which the privileging of the self over relationships and of individual success over the common good as well as the perpetuation of dehumanizing stereotypes have led to a crisis of connection that is now widespread. Finally, the practitioners in the volume present concrete solutions that show ways we can create a more just and humane world. “This profoundly important book suggests that our innate human determination to bridge differences and live in vulnerable, loving relationships is the antidote to rising fear and anxiety.” —Lyn Mikel Brown, author of *Powered by Girl*

So you want to run an Ultra Andy Mouncey, 2014-11-30 So you want to run an Ultramarathon. It all looks a very long way, doesn't it? It can't be good for you, it can't be fun and surely you have to be some kind of super-athlete to be able to run that far? This book shows that it is a very long way, that it can be good for you, and that you most certainly don't have to be super-human to finish one. It also goes further by inspiring you to get started and by guiding you each step of the way. So, whether you're just curious to know more about this fast-growing global sport or searching for the right answers to your own ultra-running breakthrough, this book will prove as valuable as your favourite running shoes. Includes advice on making the transition from marathon or triathlon; strategies for winning the mental battle; keeping your feet intact; maintaining the right fuel intake; how to build strength and endurance and, finally, how to deal with running in the dark. Andy Mouncey writes from the heart, combining great insight and knowledge with a knack for making the complicated seem simple. Throw in a healthy dose of dry humour and case-study contributions from real people at various stages of their ultra-running journey and you have a book that redefines the 'How To' style of sports training guide. Illustrated with 93 colour photographs.

Strong Women Lift Each Other Up Molly Galbraith, 2021-03-09 Many women have false beliefs about who we are and what we must do to succeed. If you pit yourself against other women because of this, you're holding yourself back. It's time for a change. Women are ready to stop the vicious cycle of criticizing, judging, gossiping, and comparing themselves. We want to feel good in our own skin and know we're enough, just as we are. This book is an evidence-based, actionable guide to creating a better life for yourself and a better world with more opportunity for women and girls. *Strong Women Lift Each Other Up* is perfect for any woman or girl who has ever: struggled with jealousy or comparing your life or body to other women. wanted to support or believe in women, but felt like they're catty or tearing you down. felt like you're competing with other women for opportunities that are scarce, or felt like you were made for more than the life you're living now. *Strong Women Lift Each Other Up* will help you radiate confidence from the inside out, chase your dreams without worrying what others think, lift other women up, and live a life filled with a purposeful meaning. You'll walk in a room feeling like you don't have to compare yourself to other women. You'll know exactly who you are and be damn proud of it!

The Bloomsbury Handbook to Cold War Literary Cultures Greg Barnhisel,2022-06-30 Adopting a unique historical approach to its subject and with a particular focus on the institutions involved in the creation, dissemination, and reception of literature, this handbook surveys the way in which the Cold War shaped literature and literary production, and how literature affected the course of the Cold War. To do so, in addition to more 'traditional' sources it uses institutions like MFA programs, university literature departments, book-review sections of newspapers, publishing houses, non-governmental cultural agencies, libraries, and literary magazines as a way to understand works of the period differently. Broad in both their geographical range and the range of writers they cover, the book's essays examine works of mainstream American literary fiction from writers such as Roth, Updike and Faulkner, as well as moving beyond the U.S. and the U.K. to detail how writers and readers from countries including, but not limited to, Taiwan, Japan, Uganda, South Africa, India, Cuba, the USSR, and the Czech Republic engaged with and contributed to Anglo-American literary texts and institutions.

So You Wanna Be a Legend. so Did I. Hadley Hicks,2010-07-30 Do you know what it takes to be a great teacher-coach? Hadley Hicks knows. He was mentored by five collegiate Hall of Fame coaches, he was a teammate of well known professional football players on a National Championship military team. He even had a "cup of coffee" in professional baseball. Hadley was successful as a high school and college coach. Yet, he never reached the greatness he felt was due him. Hadley Hicks shares his heart in his search for significance. His poignant, humorous, and down to earth writing style makes an enjoyable read. He is candid in his heartbreaks, the sin of divorce and the death of his eldest son. He survived a parental petition for his dismissal as football coach. He livened up his teaching experiences with an accidental shooting and a premeditated murder. He kept his fellow faculty alert with numerous practical jokes. Among student-athletes he mentored was a Cy Young Award winner and three professional football players. Hadley's marriage to a Godly woman who is his spiritual teammate, provided impetus for finding eternal significance in a relationship with Jesus Christ.

So You Want to be a Doctor? Harold Fletcher,2006-09 So You Want to Be a Doctor? tells of some of the more humorous, tragic, and poignant cases Dr. Harold Fletcher encountered during his many years as a physician. He tells hopeful medical students, If you can: Give the same medical attention to a woman off the street that you would a Major Hollywood star. Extricate Vaseline jar from a drunk lady's vagina. Endure the horror of hundreds of bodies and body parts scattered over a field after an air accident or an enormous explosion. React professionally even though you are fearful that the small boy, dressed as your young son was when you left for the office that morning, whose bloody head you are holding together, could be your son. Have the ability and clear-headedness-without the help of proper equipment-to extricate a jack from the throat of a child who is turning blue, then you may have the nerve and stamina to be a doctor.
