The Quote Verifier Ralph Keyes,2007-04-01 Our language is full of hundreds of quotations that are often cited but seldom confirmed. Ralph Keyes's *The Quote Verifier* considers not only classic misquotes such as Nice guys finish last, and Play it again, Sam, but more surprising ones such as Ain't I a woman? and Golf is a good walk spoiled, as well as the origins of popular sayings such as The opera ain't over till the fat lady sings, No one washes a rented car, and Make my day. Keyes's in-depth research routinely confounds widespread assumptions about who said what, where, and when. Organized in easy-to-access dictionary form, *The Quote Verifier* also contains special sections highlighting commonly misquoted people and genres, such as Yogi Berra and Oscar Wilde, famous last words, and misremembered movie lines. An invaluable resource for not just those with a professional need to quote accurately, but anyone at all who is interested in the roots of words and phrases, *The Quote Verifier* is not only a fascinating piece of literary sleuthing, but also a great read.

Racing Fuel for the Spirit Roy Jenkins, 2005-08-26 Motorcycling has become more than a fad in America. It is now a pastime for a growing number of people. Entire families are riding dirt bikes and ATVs for recreation. Motocross racing is the fastest growing motor sport behind NASCAR and has captured the imagination of an entire generation of fans who enjoy the excitement of extreme sports. Roy Jenkins started riding motorcycles in the early 70s and was a successful amateur racer by the time he graduated from High School. Today he is a motocross racing announcer, chaplain, teacher and journalist. *Racing Fuel for the Spirit* is his second book written for motorcycle riders who want inspiration and spiritual growth from the Bible. Using his 20 years of Bible teaching experience and Masters degree in Biblical Studies, this ordained minister leads weekly devotions at motocross and Arenacross races in Mississippi and Louisiana. He uses stories from his years as a Pastor, River deck hand, Oil-field commercial diver, school teacher and most importantly as a husband and father. He throws in some stories from his experiences from motocross racing, cross-country motorcycle trips, and even sailing adventures. Photos from the people, places and events are sprinkled liberally throughout the book. His calling, gift and purpose is to get the Bible into the hands of people who won't normally read it for themselves. He uses a real life story, raises an interesting question, then brings in the appropriate Bible principle, sometimes finishing off with a memorable quote for the day. In this book he includes photos from the world of motorcycling and beyond to help the reader picture the inspirational thought. *Racing Fuel for the Spirit* is especially helpful for those who are too busy to read, but are interested in hearing how God's Word applies to a wide range of everyday topics such as: love, family, worry, prayer, patience, health, competing, depression, work, school, getting old, enjoying life, hope,

No Indignity So Abhorrent Jann Rowland, 1900 "Assistance is impossible; condolence, insufferable. Let them triumph over us at a distance, and be satisfied." In a world where a single misstep by a woman is injurious to all her family, the Bennets of Longbourn find themselves shunned and despised by all their friends when one sister runs away with an officer. Mr. Bennet

rouses himself from his beloved books and pursues the lovers to London, but returns empty-handed, his daughter lost forever. When the Bingley party arrives at Netherfield Park, they discover a neighborhood with a salacious scandal and a family ostracized from their midst. Though Miss Bingley revels in the gossip she learns from those with little sense and less discretion, Fitzwilliam Darcy keeps himself aloof, unwilling to join the condemnation without proof of poor behavior. Thus, when Darcy meets Miss Bennet by chance on a secluded path of her father's estate, he finds her strangely compelling. The compulsion to continue to meet with her is strong, in defiance of the consequences if they should be discovered. Elizabeth Bennet finds herself equally intrigued, so much so that she begins to dream of a life free of scandal, where the Bennets have some hope of redemption. This re-imagination of Jane Austen's beloved *Pride and Prejudice* answers the question of what might have happened had Fitzwilliam Darcy arrived in Meryton to find a Bennet family mired in scandal, one that he can do nothing to repair. Though many challenges lay in their path, including fallen sisters, despicable libertines, and a neighborhood determined to denounce the Bennets as depraved, Darcy and Elizabeth are convinced that their future happiness lies together.

Lost Priscilla Audette, 2018-02-21 After suffering a blow to the head that robs her of herself, the aptly named Faith struggles against almost insurmountable odds to reclaim herself and her life as she knew it. First, a disclaimer: although the

protagonist in this novel suffers an injury, *Lost* is not a medical or health book. Rather, it is a testimony to the resilience of the human spirit that can rise like the proverbial phoenix after suffering a nearly lethal trauma. Faith is a character who finds herself in a situation that will be identifiable to many readers. Who hasn't known someone who has suffered a concussion or worse? To find oneself lost in the labyrinth of the mind because the brain has been injured is taking the hero's journey to a new and challenging level. The hero's journey resonates in all our psyches and that is why stories like *The Wizard of Oz* or *Star Wars* grab at us on a visceral level. Faith's Call to Adventure is a car accident. She doesn't have the choice of refusal; instead, she is sucked into a new and scary world when life as she knows it disappears. She finds mentors, is tested, and ultimately fights her way back not to her old self, but evolves into someone who has gained knowledge and is better for it. To come to know Faith is to become her cheerleader. Readers will keep reading not only because the writing is compelling but because they want her to succeed. On some level, her successes will be their successes no matter what different and challenging paths their own lives follow. Just like Faith, we all deal with the trials and tribulations life tosses our way, and we are usually better for the experiences. Faith is every woman. *Seismic Influences: Sylvia* - What an insightful view into life as it was in the early 70s! *Dakota Jean* - I found myself thinking more about philosophy of life after reading this novel, than after reading non-fiction books written for that purpose. *Court Appointed: Lily* - The best social commentary novel this year! *Joe-Anne* - This is one of those rare books that keeps you turning the pages and wishing you could read faster while knowing that at the same time you don't want the story to end. *Lost: A Novel* was a finalist in the 2018 International Book Awards!

Waking up an Empath Kim Wuirch, 2016-12-28 *Waking Up an Empath: A Year in the Life of an Empath from Awakening to Spiritual Healer* is the honest, often comical year in the life story of Kimberly Wuirch. Having been labeled as sensitive throughout her life, even by her mother, Kimberly finally finds out the reason why her emotions and moods are often heightened. She discovers that she is an empath. This book is based on one year of Kimberly's life—from the shock of finding out she was an empath and learning what that meant, to the journey through spiritual awakening, and finally to becoming a healer, psychic, and medium. Her story is relatable to many people who are too afraid to let the world know of their abilities or who are only just discovering who they really are. Kimberly wrote this book to help other empaths realize that their thoughts, feelings, and sudden mood swings are all a normal part of being an empath and how difficult it is for those on the outside to fully understand what life is like for an empath. In the pages of this book, Kimberly is like the good and knowledgeable friend whom empaths can confide in when it comes to their own spiritual awakening and the fears and challenges that brings up. There are not only words on the pages of this book. There is also love and compassion for a journey Kimberly knows all too well.

The Boarding School Girls Soosan Latham, Roya Ferdows, 2017-09-06 They were children. Put on a train in a strange land, they waved goodbye to a parent as they headed to an educational institution that, unbeknownst to them, was to become their new home. Separated from their loving families, they strived to meet the expectations of the grownups and, in some cases, to rebel against them. Now, independent women, compassionate mothers, and astute professionals, they look back on their youth in the 1960's and 1970's to make sense of why they were sent away, and to give meaning to the sources that have sustained them over the years. Ex-boarders themselves, Latham and Ferdows provide vivid and emotionally embodied narratives of everyday lives of The Boarding School Girls. This unique collection of stories explores key issues of identity and lifespan development to seek understanding of the influence of national, religious and family culture on development within two conflicting sets of cultural values. Combining unique qualitative data with illuminating tales of resilience and accomplishment in what is likely to simultaneously inform and inspire readers with feelings of joy and sadness, love and hate, abandonment and hope, but mainly trust and forgiveness. The stories of eleven 'little rich' Persian girls are a nostalgic reminder of their past cross-cultural ordeals, a pragmatic perspective on psychological implications of boarding school education in England, and a celebration of the possibilities of the future. The Boarding School Girls is valuable reading for students in cultural, developmental and educational psychology and the humanities, as well as clinical psychologists and educators looking at the impact of boarding school on adolescent development.
