

10 Ni Independencia Ni Revolución

Angel Fernández de los Ríos

Identity and History in Non-Anglophone Comics Harriet E.H. Earle, Martin Lund, 2023-04-24 This book explores the historical and cultural significance of comics in languages other than English, examining the geographic and linguistic spheres which these comics inhabit and their contributions to comic studies and academia. The volume brings together texts across a wide range of genres, styles, and geographic locations, including the Netherlands, Colombia, Greece, Mexico, Poland, Finland, Portugal, Ireland, and the Czech Republic, among others. These works have remained out of reach for speakers of languages other than the original and do not receive the scholarly attention they deserve due to their lack of English translations. This book highlights the richness and diversity these works add to the corpus of comic art and comic studies that Anglophone comics scholars can access to broaden the collective perspective of the field and forge links across regions, genres, and comic traditions. Part of the Global Perspectives in Comics Studies series, this volume spans continents and languages. It will be of interest to researchers and students of comics studies, literature, cultural studies, popular culture, art and design, illustration, history, film studies, and sociology.

Haunted Families and Temporal Normativity in Hispanic Horror Films Charles St-Georges, 2018-04-20 This book examines the interactions between ghosts and families in three recent horror films from the Spanish-speaking world that, rather than explicitly referencing recent political violence, speak to the societal conditions and everyday normative violence that serve as preconditions for political violence. This study deconstructs intersectional processes of racially and sexually normative subject formation—and its oppositional other, ghostly erasure—that are framed by a common temporal logic, wherein full citizenship is contingent upon a nation's dominant notions of contemporaneity and whether individuals properly inhabit prescriptive timelines of (re)productivity. St-Georges's study explores ways in which ghosts and families are manipulated in each national imaginary as a strategy for negotiating volatility within symbolic order: a tactic that can either naturalize or challenge normative discourses. As a literary and cinematic trope, ghosts are particularly useful vehicles for the exploration of national imaginaries and the dominant or competing cultural attitudes towards a country's history, and thus, the articulation of a present political reality. The rhetorical figure of the family is also key in this process as a mechanism for expressing national allegories, for expressing generational anxieties about a nation's relationship to time, and for organizing societies and social subjects as such, interpellating them into or excluding them from national imaginaries. By proposing

these specific coordinates—ghosts and families—and by mapping their relationship between Spain and Latin America, Troubling Timelines proposes a study of a temporal framework that, besides bridging the traditional area-studies divide across the Atlantic, creates a space for interdisciplinary inquiry while also responding to increasing demand for studies that focus on intersectionality.

Patriots and Traitors in Revolutionary Cuba, 1961–1981 Lillian Guerra, 2023-01-17 Authorities in postrevolutionary Cuba worked to establish a binary society in which citizens were either patriots or traitors. This all-or-nothing approach reflected in the familiar slogan “patria o muerte” (fatherland or death) has recently been challenged in protests that have adopted the theme song “patria y vida” (fatherland and life), a collaboration by exiles that, predictably, has been banned in Cuba itself. Lillian Guerra excavates the rise of a Soviet-advised Communist culture controlled by state institutions and the creation of a multidimensional system of state security whose functions embedded themselves into daily activities and individual consciousness and reinforced these binaries. But despite public performance of patriotism, the life experience of many Cubans was somewhere in between. Guerra explores these in-between spaces and looks at Cuban citizens’ complicity with authoritarianism, leaders’ exploitation of an earnest anti-imperialist nationalism, and the duality of an existence that contains elements of both support and betrayal of a nation and of an ideology.

La revolución de Quito del 10 de agosto de 1809 José Gabriel Navarro, 1962

El síndrome de la Revolución Libertadora José Oscar Frigerio, 2021-12-20 Este libro refiere centralmente al conflicto entre la Iglesia Católica y los primeros gobiernos de Juan Domingo Perón, su alianza primera debida a concesiones económicas (subvenciones y salarios a docentes y dignatarios) y político-dogmáticas (Ley de Enseñanza Religiosa Obligatoria para todos los colegios), aunque ello no justificara la suerte de revisionismo de la doctrina cristiana acaecida de parte del peronismo, lo que causaría el enfrentamiento posterior. Perón persiguió a sus opositores; también la Iglesia Católica, cuando a través de sectores ultramontanos hostigó la competencia de otros cultos, incluyendo la competencia oficial sobre la re-interpretación de cuestiones doctrinarias, a partir de precisas directivas del Vaticano sobre la defensa de valores considerados esenciales, como el matrimonio religioso. Influyeron decisivamente en el enfrentamiento las obras de asistencia social y las ideas religiosas de Eva Perón, su peculiar concepción del cristianismo, la que puso en práctica con su labor político-militante; y el espontáneo mito popular gestado luego de su prematura muerte; la ausencia de libertades democráticas y el hostigamiento del régimen a partir de los sectores sociales reprimidos; también los variados manejos políticos que condujeron a la ruptura final -derogación de privilegios eclesiásticos, persecución, encarcelamiento y expulsión de prelados e incendios de iglesias-, logrando soldarse tras la iglesia católica (devenida en Partido Demócrata Cristiano) un amplio frente opositor que instauraría el imperio de una alianza oligárquico-imperialista, al defenestrar definitivamente al peronismo del poder.

México en tres momentos, 1810-1910-2010 Alicia Mayer,2007

Los presidentes dan pena Rius,2017-05-09 Un repaso crítico e hilarante de la historia de México a través de los ocupantes de la silla presidencial: aquellos ineptos y pillos redomados que tanto nos han xodido. En esta obra, quizá el momento culminante de su carrera, Rius ha magnificado sus consabidas virtudes -su humor ácido, sus dibujos y recortajes, su lenguaje desenfadado, su amplio conocimiento de la historia y la política nacionales, y sus explicaciones accesibles a todo público- para exponer la corrupción de quienes han dirigido los designios de este país, desde Guadalupe Victoria hasta Peña Nieto y su Casa Blanca. El repaso que aquí se hace a nuestra historia es completo e implacable. Por ello, aclara Rius, el libro se le convirtió sin querer queriendo en una pequeña historia de México -para beneficio del lector, que recibe dos libros por el precio de uno-. Al terminar la lectura, no queda más que compartir el dicho de nuestro insigne autor (con una tilde añadida) y exclamar al unísono: ¡Los presidentes dan Peña!

Independencia y revolución María Luisa Rodríguez-Sala,2010

El incendio del templo de San Antonio en Ciudad Cuauhtémoc, Chihuahua en 1961 Pedro Castro,2021-11-17 Pedro Castro fue testigo del incendio del Templo de San Antonio (hoy Catedral) en marzo de 1961, cuyos efectos pusieron en peligro vidas, reputaciones y bienes de ciudadanos pacíficos de Ciudad Cuauhtémoc, Chihuahua. A sesenta años de los hechos realizó esta investigación para esclarecer las circunstancias y las responsabilidades de quienes participaron sin freno ni castigo en agresiones vindicativas contra inocentes. Muchos actores y observadores de esa época ya fallecieron, y entre los que sobreviven sus recuerdos y opiniones distan de ser coincidentes, situación reveladora de la confusión que envolvió a este incendio. Una suerte de leyenda negra todavía evoca la tormenta perfecta en la que algunas personas resultaron afectadas en medio de una ausencia completa de autoridad. Esta tormenta estuvo ligada al hecho de que a causa de la Revolución Cubana el gobierno de los Estados Unidos y uno de sus brazos, la CIA (Agencia Central de Inteligencia) se alió con El Vaticano y las Iglesias Católicas de América Latina, como la Mexicana, medios venales de comunicación y en general con la derecha criolla dentro y fuera del gobierno, en la llamada lucha contra el comunismo. Una guerra santa se declaró en todo México y Ciudad Cuauhtémoc no fue la excepción: desde las cartas pastorales y los púlpitos se alimentó el odio hacia los comunistas que supuestamente empezaban a apoderarse de todo lo más sagrado y valioso del país. El incendio del templo fue la mejor prueba de que el comunismo había sentado sus reales en el poblado para hacer de las suyas y había que combatirlo. Antes de tener pruebas, y apoyados en rumores y falsedades, detractores de don Pedro Castro Guzmán le señalaron junto a otras personas como los diabólicos incendiarios al servicio del comunismo ateo. Este libro da cuenta, por un lado, lo que pasó y por qué pasó, a partir de la coyuntura internacional, nacional y local, en la histeria de los modernos templarios contra los comunistas. Es imposible saber, como ocurrió desde un primer momento, si el incendio fue accidental o no, aunque se especula con las dos posibilidades, pero eso ahora nadie lo sabe con precisión, dígase lo que se diga. La verdad

preponderante es que grupo de ciudadanos honorables, con don Pedro Castro Guzmán a la cabeza, fue acusado sin pruebas, atacado y victimizado a partir de la infamia urdida por el párroco de ese momento, Jesús Esquivel Molinar, que se tradujo en violencia inaudita y el desgarramiento del tejido social. Los hechos ocurridos en Ciudad Cuauhtémoc guardan paralelos - mutatis mutandis- con sus similares, más trágicos, de San Miguel Canoa, Puebla, de varios años después. El anticomunismo, primogénito de la Guerra Fría, infectó a México, con su punto más elevado en la Matanza del 2 de Octubre de 1968. Este libro llena el hueco representado por uno de los capítulos más ignominiosos e ignorados de la historia de Ciudad Cuauhtémoc.

Obras políticas Luis Cabrera,1921

Historia de la revolución española (desde la guerra de la independencia á la restauración en Sagunto) 1808-1874 Vicente Blasco Ibáñez,1892

La revolución de Quito del 10 de agosto 1809 José Gabriel Navarro,1962

La revolución de las provincias Terán Fuentes, Mariana,Chust Calero, Manuel,2024-04-01 El diputado novohispano Miguel Ramos Arizpe fue quien diseñó la propuesta para la creación de las diputaciones provinciales en el marco de la Constitución de 1812. Tema controversial porque podría derivarse, tras su implementación, en estructuras territoriales y administrativas tendientes al federalismo. Ya lo habían advertido algunos representantes peninsulares en la asamblea legislativa. Las Cortes en Cádiz aprobaron su creación ciñéndose al propósito central: el fomento de sus provincias y suprimiendo cualquier atisbo de poder representativo que pudiera implicar una doble soberanía: la provincial y la nacional. Triunfó, frente a las propuestas descentralizadoras de los representantes americanos, la opción centralista de los liberales peninsulares. De esta forma, en el primer periodo de vigencia de la Constitución de 1812 se instalaron las primeras diputaciones provinciales en el mundo hispano. Durante el Trienio Liberal, se multiplicaron y con ello, se propició una revolución al transgredir las atribuciones que la Constitución les permitía. Se volvieron autónomas, soberanas, algunas se reconocieron en estado de naturaleza para definir su forma de gobierno y convertirse en instituciones legislativas. La revolución de las provincias en el mundo hispano es la reunión de distintas aproximaciones realizadas por especialistas de México, España, Centroamérica, Ecuador y Cuba. El marco jurídico gaditano se potenció para una realidad territorial diferenciada, con guerras, con independencias y con el establecimiento de repúblicas. Las diputaciones provinciales tuvieron un papel protagónico en esta revolución que derivó en el desmembramiento de la nación española y en la formación de las nuevas naciones en América. También así mismo, en un diferente caminar dentro del nacimiento de los estados naciones, bien hacia el federalismo, bien hacia el centralismo.

Mi mision en Portugal Angel Fernández de los Ríos,1877

Revolución y seudo-revolución en Cuba [1948] Alvar González-Palacios,2023-08-16 Este libro de González Palacios da elementos para explicarnos cómo el fracaso de la Revolución de 1933 abrió en la historia cubana una brecha mucho más compleja de lo que la historiografía revolucionaria quiere reconocer. Curiosamente, muchas de las insatisfacciones expresadas en estas páginas contra la República fueron luego esgrimidas por la Revolución de 1959, sobre todo en sus primeros años de vocación nacionalista. Pero la gran lección de estas páginas es cómo una Revolución se pervierte a sí misma; como abre, pero también cierra el camino de lo revolucionario tras agotar las energías de varias generaciones. El testimonio de este revolucionario abochornado, que sin embargo al final de su vida escogió la vocación por encima del desencanto y trató de dar forma cultural a su idea de la nación, merece ser leído con amplitud de miras. Tiene descripciones muy precisas del comienzo de eso que ahora llaman “populismo”, de los dilemas de una generación rebasada por una suerte de maldición, que permeó por igual los fracasos del 33, del 52 y del 59. Ernesto Hernández Busto

Los Borbones ante la revolución Manuel Henao y Muñoz,1869

Thank you for reading **10 Ni Independencia Ni Revolucin**. As you may know, people have search hundreds times for their favorite readings like this 10 Ni Independencia Ni Revolucin, but end up in infectious downloads.

Rather than reading a good book with a cup of tea in the afternoon, instead they juggled with some malicious bugs inside their laptop.

10 Ni Independencia Ni Revolucin is available in our book collection an online access to it is set as public so you can download it instantly.

Our books collection spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one.

Kindly say, the 10 Ni Independencia Ni Revolucin is universally compatible with any devices to read
