Queen City Memoirs John Bendt,2023-07-13 Not everything is what it appears to be, John Benedict, a gay man, learns the hard way after moving to youth and beauty-obsessed Southern California. He hopes to find love after the breakup of his eleven-year relationship but wonders, At forty years old, is it too late for me? A fun, carefree life as a writer with new friends, country western dancing, and romance is soon shattered when a love-triangle betrayal along with financial disaster lead to life-changing consequences. Several men come and go in his life, each bringing their lessons. He loves fearlessly, always searching for spiritual answers and happiness, along the way finding out that he has a lot of growing up to do. John struggles against sex and relationship addiction and works hard to heal himself while building a new life. But disillusioned by go-nowhere dates, painful traps, and abortive relationships, he makes a choice to stop looking for love but instead revels in the single life of sex clubs and party drugs. Though independent and living life to the fullest, he eventually realizes that something is missing. Will he ever find lasting love and the elusive healthy relationship he has been longing for? Queen City Memoirs is a chronicle of our times around the turn of the twenty-first century and beyond. It is set against the backdrop of the history of same-sex marriage--from an impossible dream, through a growing global consciousness, then culminating in 2008 when gays and lesbians were at last able to marry in California, only to have our civil rights voted away.

There are topics and quotes from sci-fi, romance, thrillers, the classics, action films, Western and more. Although a compilation of wonderful quotes is certainly enjoyable and entertaining it's the thoughtful commentary trying it all together with gospel insights that completes the book's purpose.

The Man in Lincoln's Nose Melinda Corey,George Ochoa,1990 Gathers quotations about actors, actresses, directors, producers, screenwriters, censorship, Hollywood, comedies, musicals, science fiction and Westerns

Popcorn in Paradise John Robert Colombo,1980 Here, in one glittering volume, replete with tinsel, and dripping with love and venom, is a collection of over 3,000 quotes by some 700 movie personalities--those who have lived and toiled in Hollywood since the birth of the movie industry. In a sense these quotes give the essence and flavor of Hollywood as nothing else can. The cast of characters includes: Greta Garbo, Bob Hope, Elizabeth Taylor, W.C. Fields, Bette Davis, Alfred Hitchcock, Groucho Marx, Cecil B. DeMille, Sammy Davis Jr., Marlene Dietrich, Sir Laurence Olivier, John Wayne, Woody Allen, Laurel and Hardy, and hundreds more. A special chapter is devoted to Sam Goldwyn, Hollywood's leading independent film producer for 35 years. Popcorn and paradise may seem contradictory, but just as Hollywood ranges from the ridiculous to the sublime, so these two words sum up and typify what Hollywood was, is, and doubtless always will be so long as the silver screen maintains its hold on our lives.
