Make Love, Not War: The Quotes that Defined the 1960's Dr. Leigh Davis, 2012-02-29 ABOUT THE BOOK The 1960s represent the 7th decade of the 20th century, and are remembered as a time of change; youth influence; radicalism; and the sexual revolution. The baby-boomers of the 1940's were coming of age, and the largest population of college-age men and women banded together to mark a major turning point in the culture of nations worldwide. From the swinging sixties in London and the hip fashions on Carnaby Road; to the political activism and demonstrations in the United States and the standoffs on college campuses; to Woodstock, the music festival to end all music festivals in upstate New York; the 1960s were influenced by youth, no longer content to be representations of the generation preceding them, and of course, a time of sex, love and rock & roll. Make Love, Not War ~ Unknown MEET THE AUTHOR Dr. Leigh-Davis is a law professor, retired attorney, anthropologist and media personality; who frequently works as a TV news legal analyst. Dr. Leigh-Davis has taught at Cal State University and is a native of Beverly Hills, California. EXCERPT FROM THE BOOK "The people who invented the twenty-first century were pot-smoking, sandal-wearing hippies from the West Coast like Steve, because they saw differently," he said. The hierarchical systems of the East Coast, England, Germany, and Japan do not encourage this different thinking. The sixties produced an anarchic mind-set that is great for imagining a world not yet in existence." ~ Walter Isaacson, on Steve Jobs Buy a copy to keep reading!

*F*ck the System, Make Love* Liana Laga, 2018-12-10 The things that are happening on planet Earth these days are more than unbearable. Everyone is aware of it, but no one knows what to do about it. This change needs to be individual. It is up to each of us, and it is our responsibility to make this world a better place. Because it is far from being OK, and there is no evidence more convincing than today's human. But he is free to choose whether he will continue his development on the conscious level or not. Life is a game, but it is hard to play with people who don't know the rules. Just as each machine has its own instructions for use, it is the same with life and people. And they are actually very simple instructions. When each of us starts working individually, it will join us all together. This book was not written to be liked - it should be, above all, understood. God, Sex, Money, Ego, Morality, (mass)Media, Love, Meditation, Esotericism, Consciousness, Education, etc. - the real holistic view.

We Do Not Make Love Here Nisha Mehraj, Chandru, a third-generation Singaporean, realises his ambition through an

arranged marriage. His wife, Meera, fights her fate by living a double life. Unhappily married, they make sense of their decisions through a study of their own past. Siddharth, their only son, is practically raised next door with their neighbour's granddaughter Malli. As the childhood best friends grow up, they helplessly watch their tumultuous love tear them apart. A generation raised on the Singaporean dream gives birth to another sheltered in its shadows. They are not the marginalised or the oppressed, merely the majority doing their best.

When Souls Make Love Maverick Prem,2020-08-15 Falling in love? That's easy and natural. Staying and being in love? That's a challenge, at times. This is a story of two souls, who face this challenge and encounter it in a magical way. He is creative, narcissistic, and free-spirited. She is ambitious, loving, and selfless. After 5 years of love and marriage, there comes a point when they hit an unexplainable vacuum during a torrid fight, one fine Saturday night. The fight turns into an argument that seemed larger than it actually is. It reaches a point where they are confused about everything they have always believed about love in the first place. They go to sleep perturbed, but their souls stay awake. In love, and for love, the souls write letters to each other, taking us through a dream-memory-lane of the journey between them. In this one night lit with letters, how far do the souls go? How close do they get? What happens when the mortal bodies wake up in the morning? When Souls Make Love is all about love - a compilation of letters written between the two souls, and a testimony to how his generation experiences love. The story of these two souls takes you on a trip into the realms of relationship, expectations, dreams, memories, lust, and a lot more that remains untold. Welcome to the soul world, where everything is possible.

Naughty Neighbor Lauren Runow, Jeannine Colette, 2020-09-23 As a romance novelist, I'm facing my worst

nightmare—writer’s block. No matter what I write, I hit delete, knowing it’s not worth publishing. The future of my career rests on the success of this new book. So, here I am, looking at Tumblr, desperate for inspiration, when I hear a thumping. Annoyed by the music blaring through the walls, I barge into the hall and bang on my neighbor’s door. My very hot, very naughty neighbor, Jake Morreau. Jake is romantic, charming, and the bane of my existence. I need to work, yet he refuses to let me. When he greets me in the hallway, ideas of a sinfully hot hero come to mind. When he takes me out on the town, the words flow as soon as I come home. The more time I spend with this entertaining and quick-witted man, the more I’m able to write. My neighbor is my muse, and before I know it, I slowly become the heroine of my own story, but I don’t know how to end it. As I write the epilogue, I’m afraid our romance won’t pan out as I’ve written. Jake Morreau is my hero. Then again, in my life, heroes don’t exist.

Later Life, Sex and Intimacy in the Majority World Krystal Nandini Ghisyawan, Debra A. Harley, Shanon Shah, Paul Simpson, 2024-07-22 Literature on sex, intimacy and sexuality in later life has been heavily influenced by perspectives from more affluent regions, perpetuating the belief that the West is more sexually progressive and liberal than other cultures. This book challenges this belief by exploring diverse cultures and perspectives from the majority world, which are often overlooked. It highlights the importance of learning from cultures in the global South and East, dismantling stereotypes that frame them as sexually conservative or inferior. Various drawing on structuralist, postcolonial and decolonial theory as well as social anthropology, the book critically examines binaries related to culture, age, sex and intimacy, highlighting the need to decentre Western perspectives as the benchmark while other cultures and practices are misunderstood.
